OM UCHISHTA MAHA GANAPATHEYA NAMAH

Esteemed Readers

I am extremely thankful to my preceptors who had taught me the basic anatomy of Astrology, a divine science.

I had a flair for writing from childhood, but probably was not encouraged enough to continue the writings.

Belonging to the Nair community of Kerala, traditionally the community torch-bearers did not have much background in the Astrological field in the past; nor anyone in my ancestor's family ever had practiced it.

But I had somehow got the notion of learning Astrology and offering predictions to people around me. In the course of same, I had learned Vedic and KP Astrology, besides, the Prashna "Kavadi" Shastra of Kerala.

At this juncture, expressing the gratitude, I should thank one and all, blessings of my parents, M.K Nair and Smt. K Janakyamma, for this important event, and also the support rendered to me by all in order to complete compilation of this wonderful and divine subject.

While always at the feet to my gurus, Mr. Venugopal Sarma, Mr. K Babu Rao, Mr. PVK Punneswara Rao and Mr. Kameshwara Prasad, I acknowledge the consideration given to me by Mr. Rajendra Nimje, IAS, and fondly remember the cordial association with KP International Astro Forum at Hyderabad.

I sincerely thank my Astro-friends Mrs. Paripati Vijaya Reddy, Mr. Kanak Bosmia, Mr. R. Balaji, Mr. OVN Murthy and Mr. VGR Pavan, who have always encouraged me in my astrological pursuits.

The support and the encouraging words from Mrs. Shwetha Chary from USA are praiseworthy.

The encouragement from Dr. N.S. Pillai, a Homoeopathic Doctor and also an Astro researcher, is worth noting. I do acknowledge the guidance, confidence and encouragement instilled into me during the last two decades by my father-in-law, Mr. P. Narayanan Nair, who also had initiated me into the world of spiritualism and Occult Sciences.

Finally, I thank my elder brothers, MK Subhash Chandran, PK Chandran and PK Madhusudanan who have helped me in many ways in my life and my sisters, MK Shanta, PK Subhadra and MK Sujatha who always have special bonding, care and attention toward me. My wife P. Sreekala and my sons Vishnu V. Nair and Vinayak V. Nair have always supported and assisted me in my humble endeavours.

Considering myself always as a student; at the lotus feet of Uchishta Mahaganapthi and Gurujans.

Yours truly

MK VISWANATH

Stellar System in Astrology

The Stellar or nakshatra padhathi is based on an astrological practice, which advocates that a planet placed in a particular star will give the result of the star lord of that star.

For example, if Venus is placed in Jupiter's any of the stars such as Punarvasu or Visakha or Purva Bhadrapada, Venus will give the result of Jupiter. This applies to both in natal or in transit chart.

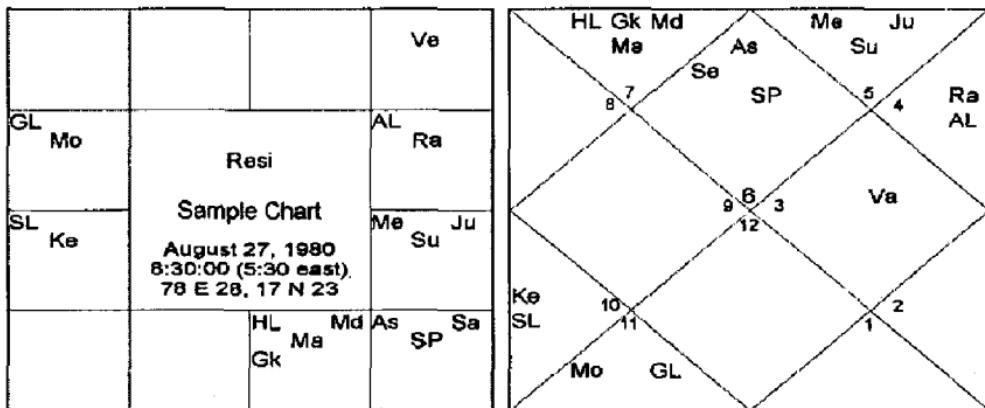

As regards the stars and their lords, please browse through the following table, which is traditionally called **Navakam**:

Sl. No.	Stars	Stars	Stars	Star lord
1	Aswini	Makha	Moola	Ketu
2	Bharani	Purva Phalguni	Purva Ashada	Venus
3	Kruthika	Uthara	Utharashada	Sun
4	Rohini	Hasta	Shravana	Moon
5	Mrigashira	Chitra	Dhanishta	Mars
6	Arudra	Swati	Satabhisha	Rahu
7	Punarvasu	Visakha	Purvabhadrapada	Jupiter
8	Pushya	Anuradha	Utharabhadrapad	Saturn
9	Aslesha	Jyeshta	Revathi	Mercury

In the above table, all the 27 stars have been illustrated. They have been divided into 9 divisions based upon the star lords. Stars Aswini, Makha and Moola are ruled by Ketu, while Bharani, Purva Phaluni and Purva Ashada are ruled by Venus. The sequence continues in this fashion as per the table above.

Any planet posited in any of the stars of Venus will give the result of Venus. Same way, other stars shall be taken.

Now just see below horoscope chart for the native born on 27 Aug 1980 at 8-30 a.m., Hyderabad, India: (**Chart No. 1**)

Ra:	25 Cr 45 - GK	Ke:	25 Cp 45	HL:	22 Li 57	GL:	11 Aq 45

From the charts above, the chart at left is South Indian chart, which should be counted clockwise, while the chart at the right side is North Indian diamond chart, which should be counted anti-clock wise.

It is seen from the above example chart that Jupiter is placed in the 12th house at 23 deg. 33 min. in Leo and is posited in the star Purvaa Phalguni. Purva Phalguni is ruled by Venus.

Here Jupiter is lord of Sagittarius and Pisces and hence becomes lords of 04th and 07th house. Jupiter is posited in 12th house in Venus star. Hence Jupiter becomes an agent of Venus. Venus is lord of 02, 09 and occupant of 10th house.

Hence Jupiter will give result of 04, 07, 12, 10, 02, 09 houses.

It is also seen that Mars is posited in Libra at 05 deg. 09 min. in Chitra star ruled by Mars himself. When counted from Asc, Mars becomes lord of 03 and 08 and occupant of 02nd house. Mars is in own star. Hence Mars will give the results of 03, 08, and 02nd houses.

Given below is a signification table for the above chart:

Sign	1	2	3	4	5	6	7	8	9	10	11	12
PSO	—	Ma Ke	—	—	Su Me		—	—	—	Ju	—	Ra Mo Sa
OCC	Sa	Ma	—	—	Ke	Mo	—	—	—	Ve	Ra	Me Ju Su
PSSL	Ra	Ju	Ke Ma	Mo	—	—	Ma	Ke Ma	Ju	Ra	—	Sa
SL	Me	Ve	Ma	Ju	Sa	Sa	Ju	Ma	Ve	Me	Mo	Su
Asp=H			Sa	Ju Ve	Ma	Ju Su Me	Sa	Ma Ju	Ma	Sa		Mo
Asp=P					Ma» Ke	Ju» Mo				Sa» Ve		Mo» Ju Me Su
Conj												Ve Su Ju

SL=Sign lord, PSSL=Planets posited in star of sign lord, OCC=Occupant, PSO=Planets posited in star of occupant, Asp=Aspect on house, Asp=Aspect on planet; Conj=Conjoined with.

Explaining the above table, 1st house (lagna) falls in Virgo. Hence Sign lord (SL) is Mercury. Stars ruled by Mercury are Aslesha, Jyeshta and Revati. Only Rahu is posited in Aslesha star. Hence Rahu is placed in column "PSSL" against first house. The occupant of 1st house is Saturn. Hence Saturn is placed in column "OCC" against first house. Stars ruled by Saturn are Pushya, Anurada and Uthara Bhadra. There are no planets in Saturn's stars. Hence column "PSO" is blank against first house. Same way, the signification chart has to be filled for other houses.

In other words, house-wise planetary signification is given below:

Sun signifies 12, Ke» 05

Mon signifies 11, 06, Ju» 04, 07, 12

Mar signifies 03, 08, 02, Ma»

Sat signifies	05, 06, 01, Su» 12

House-wise significations of planets are given below:

These are some of the basic principles of Stellar System.

Significations of Nodes

There is no celestial body called Rahu and Ketu. In Astrology, they are called shadowy planets. The following diagram may be observed, which illustrate as to how Rahu and Ketu are defined:

Earth revolves around Sun. Moon, being a satellite of Earth, revolves around Earth. When the apparent paths of Earth and Moon touch, the Nodes are created.

The Nodes are Rahu and Ketu, who are considered North Node and South Node respectively will, function as agents of other planets.

The Nodes will give the result as stated below in the following order:

- 1) Planets conjoined with.
- 2) Planets aspected by.
- 3) Lord of the star in which Nodes are posited.
- 4) Finally, the result of the sign lord in which Nodes are posited.

Let us see the following example (Chart No.2):

Rahu (North Node)

In the reference chart under consideration, Asc is located in Aries. Hence the significations Rahu (North Node) shall be as follows:

- Rahu is conjoined with Moon.
- Rahu is posited at 25 deg. 33 Min. in Sagittarius, which corresponds with Purva Ashada star, which is ruled by Venus.
- Rahu (North Node) is posited in Sagittarius, which becomes 09th house when counted from Asc.
- Rahu is posited in the sign of Jupiter and hence represents Jupiter.
- No planet aspects Rahu.

Hence the significations of Rahu are deciphered from the above as follows:

- Rahu is conjoined with Moon. Moon is lord of 04, posited in 09 and is in the star of Uthara Ashada, ruled by Sun. Sun is lord of 05, is posited in 10th house and is in the star of Mars (Dhanishta). Hence Sun will also signify 01, 04, and 08 houses.
- Rahu signifies Venus, who is lord of 2 and 7 and is posited in 11th house. Venus is in the star of Mars (Dhanishta). Hence Rahu will also give result of 01, 04, and 8.

- c) Rahu signifies 09th house. 9th house from Aries (**Sagittarius**) is ruled by Jupiter. Jupiter is lord of 09 and 12 and is posited in the star of Rahu in 11th house.

Culminating, Rahu will give result of 01, 02, 04, 05, 07, 08, 09, 10, 11 and 12 houses as per the example chart.

Ketu (South Node)

In the reference chart under consideration, Asc is located in Aries. Hence the significations Ketu (South Node) shall be as follows:

- a) Ketu is not conjoined with any planet.
- b) Jupiter (by 5* aspect) and Saturn (by 10th aspect) aspect Ketu.
- c) Ketu is posited at 25 deg. 33 Min. in Gemini, which corresponds with Punarvasu star ruled by Jupiter.
- d) Ketu (South Node) is posited in Gemini, which becomes 03rd house when counted from Asc.
- e) Ketu is posited in the sign of Mercury and hence represents Mercury.

Hence the significations of Ketu are derived from the above as follows:

- a) Ketu is aspected by Jupiter. Jupiter is lord of 09, 12 and is posited in Aquarius, which becomes 11th house. Jupiter is posited in Rahu star.
- b) Ketu is also aspected by Saturn, who signifies 10, 11 06. Saturn is in the star of Moon, who signifies 04 and 09.
- c) Ketu signifies 03rd house. 03rd house from Aries is Gemini, which is ruled by Mercury. Mercury is lord of 03 and 06 and is posited in the star of Sun in 10th house..Sun is lord of 5 and is in 10th house. Hence Ketu will give result of 03, 05, 06, 10, and 11th houses.

Culminating, Ketu will give result of 03, 04, 05, 06, 09, 10, 11 and 12 houses as per the example chart.

Marriage and Dasha Vidhana Ponthanam

From the period of ancient civilization, there are eight types of marriages known to humans from time to time, viz:—

- 1 Gandarva vivaha — Love marriage.
- 2 Prajapathy vivaha — Requesting girl's father for consent.
- 3 Daiva vivaha — Girl's father donating girl to purohita as dakshina for performing yagna.
- 4 Brahma vivaha — Girl's father inviting for daughter's marriage with all religious ceremonies. (The best one).
- 5 Harsha vivaha — Marriage by donating cows to girl's father.
- 6 Asura vivaha — Purchasing the girl and marry.
- 7 Rakshasa vivaha — Kidnapping and marrying.
- 8 Paisachika vivaha — Rape and marry.

From the various types of marriages practiced right from the ancient times, some of the marriages are still prevalent in many parts of the world.

While the various types of marriage are acquainted with, following are the important points to be considered for marriage matching in the traditional system, which were advocated by the ancient sages.

- Lagna — Asc, which is referred to the time of birth, signifies self.

Lagna athipathi	— Asc lord, who also signifies self.
Lagna athipathi maitri	— Alignment between the Asc lords of both boy and girl.
Nakshatra	— Alignment between the stars of both boy and girl.
Nakshtra athipathi	— Lord of the stars of both boy and girl.
Janma rashि	— The sign in which Moon is posited in the chart of boy and girl.
Janma rashि athipathy	— The dispositors of Moon in the chart of boy and girl.
Janma rashि athipathy maitri	— The relation between dispositor of Moon in the charts.
Kuja dosha m	— The influence of malefic Mars in the charts.
10 fold alignments	— 10 fold alignments between boy and girl.
Mahanakshtra— Yes or No.	— There are some maha nakshtras or great stars.
Dwida shakam	— Count from girl's janma rashि upto boy's janma rashि. If it is 12 th then it is not matchable.
Shashta ashtakam	— Count from girl's janma rashि upto boy's janma rashि. If it is 6/8 th then it is not matchable.
Bija / Kshetra Sputa	— The sahams for Bija / Kshetra sputa.
7 th and 8 th houses	Strength of these houses.
Mercury	— Should not be afflicted.
Jupiter	— Well placed Jupiter for wealth factors.
Wealth	— Wealth factors of the boy and girl are required to be checked.

Charity or Overspending

It needs to be seen whether the person is charity oriented or overspending type.

Once the Astrologer has checked all these points in the chart of the girl and boy, and satisfied with them, he / she could clear it for marriage.

Other Miscellaneous Points

Vishakanya Yoga

There is another aspect called Visha kanya yoga for girls born with the following combinations:

- 1) On a Sunday and in Satabhisha star on a Dwadashi thithi.
- 2) On a Sunday and in Krutika star on a Dwadashi
- 3) On a Tuesday and in Visahka star on a Sapthami
- 4) On a Saturday and in Aslesha star on a Dwithiya
- 5) Or having Benefic and malefic in Asc.
- 6) Or having two malefics in 6th house.
- 7) Or Sun in 5th and Saturn in Asc and Mars in 9th house.

It is suggested to avoid marrying such girls, because of the disturbance and violence resulting in unhappy marital life is expected, unless the above dosha is nullified when 7th lord is a powerful benefic and posited in 7th house and 7th house if not afflicted and 6th lord should not become more powerful than 7th lord.

Maha Nakshatra

Following are the maha nakshtras either for girl or boy. The ancients said that generally no matching is required for these stars, which are»Mrigashira, Makha, Swati, Anuradha, Uthara, Hasta, Uthara ashada, Uthara Bhadrapada

Ganda Nakshatras

Following are considered Ganda Nakshtras our troublesome stars:—

- Moola — bad for Father in law. (if Ketu is well placed then it is good).
- Aslesha — bad for Mother in Law (If Mars is well placed then, it could be cleared).
- Jyeshta 1 pada — bad - for husband's elder brother.
- Visakha — Bad — for husband's younger brother.

Other Factors

There are other matters which are required to be considered:—

- a) Whether the family is financially sound or not.
- b) What respect the family gets in the society.
- c) Is there any mentally retarded person in the family or not.
- d) It is also required to check the diseases aspect such as Heart diseases, Cancer, Diabetes, etc., besides one's mental condition.
- e) In some communities marriage between same gothram is not allowed.
- f) Is the spouse a physically handicapped person or not?
- g) Is the spouse is having problem of night blindness?
- h) How is the character of the prospective spouse as to whether the person is habit of intoxication, or dual marriage, multiple marriage, or chart indicates any mishaps for him or her, or how is his / her profession or health condition, etc. Do we need to check these aspects or not?

5

Placement of Nakshtras in Rashi Chakra

The ancients have selected 27 important stars and they are spread in all the 12 signs of the zodiac, which are also called solar mansions. The longitude of each star is 13 deg. 20 min. each. Hence $13\frac{1}{3} \times 27 = 360$ deg. totally forms the entire zodiac.

The placement of all the 27 nakshatras and its padams (charan) are as per the chakra given below:

Revathi 1,2,3,4 U. Bhadra 1,2,3,4 P. Bhadra 4 PIS	Aswini 1,2,3,4 Bharni 1,2,3,4 Kruthika 1 ARI	Kruthika 2,3,4 Rohin 1,2,3,4 Mrigshira 1,2 TAU	Mrigashira 3,4 Arudra 1,2,3,4 Punarvasu 1,2,3 GEM
P. Bhadra 1,2,3 Satabish 1,2,3,4 Dhanishta 3,4 AQU	Zodiac and Nakstlatras		Punarvasu 4 Pushya 1,2,3,4 Aslesha 1,2,3,4 CAN
Dhanishta 1,2 , Shrawana 1,2,3,4 U.Ashada 2,3,4 CAP			Makha 1,2,3,4 Pubba 1,2,3,4 Uthra 1 LEO
U. Ashada 1 P. Ashada 1,2,3,4 Moola 1,2,3,4 SAG	Jyeshta 1,2,3,4 Anurada 1,2,3,4 Visakha 4 SCO	Visakha 1,2,3 Swati 1,2,3,4 Chitha 3,4 LIB	Uthra 2,3,4 Hasta 1,2,3,4 Chitha 1,2 VIR

One nakshatra is divided into 4 parts, which are called padams (charan). There are 12 Rashis in the Zodiac and one rashi each has got 9 nakshatra padams, i.e., $2 \frac{1}{4}$ stars form one sign. It is seen from the above that Ashwini 1,2,3,4 padams, Bharani 1,2,3,4 padams and Kruthika 1 padam forms Aries (Mesham) = total 9 padams, which is $2 \frac{1}{4}$ stars.

Kruthika 2,3,4 padams, Rohini 1,2,3,4 padams and Mrigashira 1,2 padams form (Taurus) Vrishabham = total 9 padams ($2 \frac{1}{4}$ stars). Mrigashira 3,4 padams, Arudra 1,2,3,4 and Punarvasu 1,2,3 padams form Gemini. Punarvasu 4th pada, Pushya 1,2,3,4 padams and Aslesha 1,2,3,4 padams form Cancer.

Stars in other Rashis may be continued similarly as per the chart given above.

The following table articulately states about the longitude of each nakshatra in the zodiac in degrees and minutes:

Revathi 16-40 to 30-00 U. Bhadra 03-20 to 16-40 P. Dasha Vidhana Ponthanam

The ponthanam / porutham is an alignment between two particular natives i.e., a boy and a girl. Here the astrologer is trying to see if there are alignments between 12 important and particular points between the stars of the girl and boy, which were dealt by the Indian ancients, although a total of 20 important alignments are dealt with.

The 12 important points are:—

Sl.	Ponthanam	Purpose	Marks	Marks	Marks
01	Dina	Good health and longevity	03	03	03
02	Gana	Prosperity and temperament.	06	06	06
03	Rashi	Prosperity and family welfare	07	07	07
04	Graha Maitri	Confers mutual affection between couples	05	02	05
05	Stree dirgham	All-round prosperity	01	03	
06	Mahendram	It assures progeny or children in a larger measure.	01	04	
07	Vedha	Obstruction.	01	03	
08	Vashya	Mutual attraction	02	02	02
09	Rajju	Longevity of marital life.	01	07	
10	Yoni	Sexual compatibility.	04	04	04
11	Nadi	Pulse (vibration) of couple.	08	08	08
12	Varna	Spiritual inclination	01	01	01
		Total	40	50	36
13	Gothra				
14	Blood Group				
15	Longevity				
16	Pancha Bhuta				
17	Pakshi				
18	Colour				

19	Caste				
20	Tree				
	Stree dosha	Longevity of couple.			
	Vadha Vainashika	Misfortune.			

Although, there are twenty points which are to be checked when marriage compatibility is being checked; normally 10 important points are only verified.

The general points granted in South India are 36 points, especially in Andhra Pradesh, etc. In Muhurta Chintamani there are 36 points totally given. In places like Tamil Nadu there are total of 50 points allocated. In Kerala they take only 10 points for the total 10 kootas, and eliminated Nadi and Vama kootas. If 50% of the above marks are achieved, then it is found to be in agreement and Astrologer could give go-ahead signal as far as the stars are concerned.

In Ancient times, out of the 4 sections of the society such as Brahmin, Kshatriya, Vysya, and Shudra importance given to the kootas for them as follows:—

- | | |
|-----------|------------------------------|
| Brahmins | — Dina or tara is important. |
| Kshatriya | — Ganam is important. |
| Vysya | — Rashi is important. |
| Shudra | — Yoni is important. |

The Rajju is taken as very important for all the so-called castes and hence apart from the above important porutham, Rajju is also taken.

Note: The system of caste segregation is done away with in modern times, and is not being attached importance. In some parts of India, the consultants do give importance to this.

Table of Stars, Star Lords, Yoni, Gana, Nadi & Rajju

For easy reference, the following table is illustrated below, which gives all the 27 stars and the corresponding Yoni, Gana, Nadi, and Rajju allocated to them.

Dina Ponthanam

Dina or tara means the star of the native. The astrologer needs to check if there is agreement between the stars of the boy and girl.

The procedure is that the astrologer should count from the star of the girl up to and including the star of the boy.

For example, if the star of the girl is Aswini and star of boy is Rohini, count from Aswini upto Rohini. The result is 4, in which case dina porutham is available.

If the boy's star falls beyond 9 stars from girl's star, (e.g, girl's star is Aswini and boy's star is Anuradha), in that case count from Aswini upto Anuradha, the result may be divided by 9. If the remainder is 4, 6, 9 or 2, 8, then accept it. If the remainder is 3, 5, or 7, then there is no dina porutham.

If the result is: 4, 6 or 9, then it is best. If the result is: 2, 8, it is middling. If the result is 3, 5 or 7, then there is no dina ponthanam. This is because of:

Result No.	Tara name	Result	Remarks
1	Janma tara	Longevity of couple will be affected	Bad
2	Sampath tara	Wealth & Prosperity	Good for boy
3	Vipath tara	Accidents & difficulties	Bad for girl, not matchable
4	Kshema tara	Prosperity	Good for girl
5	Prathyuk tara	Obstacles and impediments	Bad for boy, not matchable
6	Sadhana tara	Favourable	Good
7	Naidana tara	Sufferings and hardships	Bad for girl
8	Mitra tara	Friendly	Good

If the boy's star happens to be the 3rd star from girl, reject if it is first pada and Astrologer can take 2, 3 and 4th padas.

Eka Nakshatra Porutham

The meaning of Ekanakshatra is one star. Suppose the star or janma nakshatra of the boy and girl is one, then it is called Eka Nakshatra.

Can eka nakshatra be matched?

Ancients advocate that Astrologers can match the following Eka Nakshatras:

- a) Sun stars such as Kruthika, Uthara, and Uthara Ashada
- b) Mars Stars such as Mrigashira, Chitta (Chitra) and Dhanishta.
- c) Venus star Purva Ashada.
- d) Jupiter star Punarvasu.
- e) Moon star Hasta.
- f) Saturn star Anuradha.
- g) Mercury star Jyeshta.

The following eight Eka nakshatras are not specifically considered for matching:—

1) Bharani, (2) Aslesha, (3) Swati, (4) Jyeshta, (5) Moola, (6) Dhanishta, (7) Satabhisha (8) Purva Bhadra.

If the stars are same for both boy and girl, but if they are falling in different signs, the matching can be done. When counted from girl's star upto boy's star, if the pada is 88th one, then it is not suitable, since it is falling in 6 / 8 rashis.

In Eka Nakshatra porutham (alignment), the pada of the star of boy should be greater than that of girl's. But the ancients also say that the rest of the stars are not considered for Eka Nakshatra porutham. If the pada and star of both boy and girl are same, then matching cannot be done.

However, there are different opinions among authors with regard to eka nakshatra porutham.

Some consider the transit of Saturn over natal Moon as very important and during this period of $7\frac{1}{2}$ years natives face some unknown problems.

When transit Saturn reaches the 12th sign from natal Moon (Janma rashī), the saade saath commences and it will be continued for $7\frac{1}{2}$ years until Saturn reaches 03rd house from Moon.

Hence some Astrologers do not consider matching between boy and girl of same star or same rashī.

Gana Ponthanam

There are three gana such as Deva gana, Manushya gana and Rakshasa (Asura) gana.

1. Deva Gana

Persons with Deva gana are supposed to be well behaved, affectionate, soft and good natured with good character and high values.

2. Manusha Gana

Persons of manushya gana shall be said to have all the good and bad qualities of humans. Their behaviour is good but they also tend to show their anger, enmity at times.

3. Rakshas Ganam

Persons of Rakshsa gana shall be said to have behavior, nature, and character to be aggressive, rude and rough.

It is difficult for them to co-operate with others. They can upset others by their unpleasant behavior and talk. Many times they will think they are right and others are wrong. But they are also good sometimes.

Stars are classified into three different ganas. The gana of the boy and girl should be same. But in some cases, this is not achieved.

The Ganas allocated to each star is given in the tabular form in the beginning. However, for the convenience of the readers, it is repeated below:—

1	Dev Gana	Aswini, Mrugashira, Punarvasu, Pushya, Hastha, Swati, Anurada, Sravana, Revati	Total 9 stars
2	Manushya Gana	Bharani, Rohini, Arudra, Purvaphalguni, Utharaphalguni, Purvashada, Utharashada, Purvabhadra, Utharabhadra	Total 9 stars
3	Asura or Rakshasa Gana	Krithika, Aslesha, Makha, Chitra, Visakha, Jyeshta, Moola, Dhanishta, Satabishsha.	Total 9 stars

Hence if both are Deva or Manushya Gana they agree for an alignment. In case the gana of the girl is Deva and that of the boy is Manushya it agrees as secondary. If both are of Rakshasa they do not agree. This agreement confers general happiness of marital life.

If the stars are beyond 14, then Rakshasa and Manushya can be matched. Matching between Deva gana and Rakshasa gana, is not at all good.

Rashi Ponthanam

The sign occupied by Moon is called Janma Rashi or Moon sign. The alignment between the Moon's position between the boy and girl is a mandatory point, which is called Rashi Porutham.

The procedure is that counting is to be done from the girl's Moon sign upto and including the boy's Moon sign, and if the result is:

- 2) - It is death and cannot be matched.
- 3) - It is misery and sorrow.
- 4) - It is poverty.
- 5) - It is widowhood.
- 6) - It is loss of children.
- 7) - It is prosperity and long life.
- 8) - It is many a children.
- 9) - It provides immunity from widowhood.
- 10) - It is wealth.
- 11) - It is happiness.
- 12) - It is long life.

The best position is 7 / 7, which is called Samasapthama, i.e., from Aries to Libra or from Aquarius to Leo, etc.

6 / 8 is called Shashtashtakam i.e., when counted from the girl's janma rashi upto boy's janma rashi, if it is 6, then when counted from boy's to that of girl's rashi, then it is 8. For example, from Taurus to Libra is 6th sign and from Libra to Taurus is 8th sign.

The general concept is that 6 / 8 should not be matched. But in practical there are no problems if 6 / 8 rashis are matched.

Graha Maitri Ponthanam

As far as the graham maitri is concerned, it is nothing but the relationship between the planets. The relationship such as friends, neutrals, enemies etc. are given via table below:—

Planet	Friend	Neutral	Enemy
Sun	Mars, Jupiter, Moon	Mercury	Venus, Saturn
Moon	Mercury, Jupiter, Sun	Mars, Venus, Saturn	None
Mars	Sun, Moon, Jupiter, Venus	Saturn	Mercury
Mercury	Sun, Mars, Jupiter, Saturn, Venus	—	Moon
Jupiter	Sun, Moon, Mars, Saturn	—	Venus, Mercury
Venus	Mercury, Saturn	Mars, Jupiter	Sun, Moon
Saturn	Mercury, Venus	Mars, Jupiter	Sun, Moon

From the above, you will observe that no planet treats both Jupiter and Mars as enemy.

However, it is felt that there are lesser significations for the above aspect in a natal chart, while applying Stellar System, since the planet will more predominantly give the result of the star lord of the star in which it is posited.

Stree Dirgham

Many people mistake this particular point "Stree Dirgham" as the longevity of the spouse.

Stree dirgham is nothing but, the distance of stars by number from that of girl to that of boy.

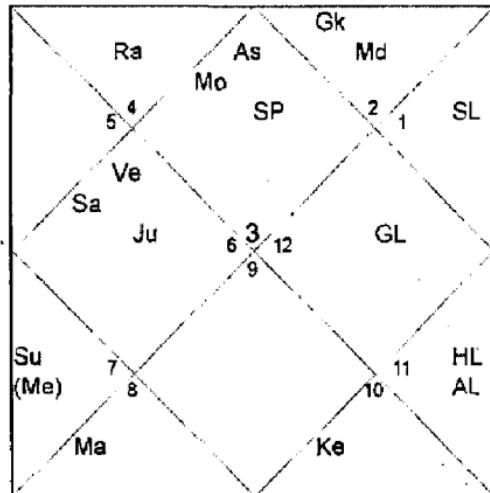

Ancients proclaim that sthree dirgham shall be good, if the star of boy from the star of the girl is beyond 13 stars. In such cases it is treated as having sthree dirgha. Let us see an example: The girl's chart (**No.3**) is given below:

GL	SL	Gk Md	As SP	Mo
AL				
HL	Rasi		Ra	
	Girl			
Ke	October 27, 1980 22:42:00 (5:30 east) 78 E 28, 17 N 23

Ra: 22 Cn 29- PiK Ke: 22 Cp 29

Mo: 4 Ge 18- GK Ma: 17 Sc 39- AmK

Ve: 3 Vi 15- DK Sa: 10 Vi 54- MK

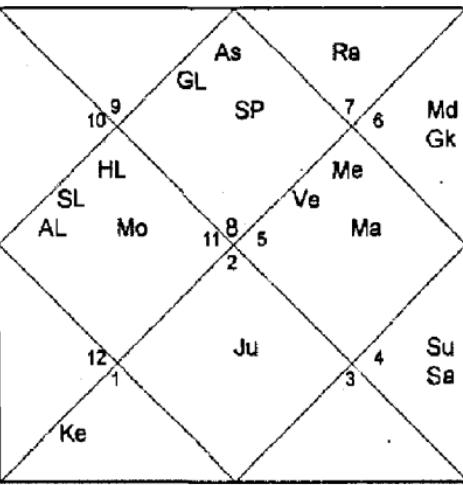

HL: 23 Aq 06 GL: 12 Pi 21

The girl is born on 27 Oct 1980 at 22-42 hours at Hyderabad, India. She is born on Mrigashira star 3rd pada in Gemini.

The boy's chart No.4 is as follows:

	Ke	Ju		
HL SL AL Mo			Sa Su	
Rasi				
Boy			Me Ve Ma	
August 12, 1976 12:42:00 (5:30 east) 76 E 34, 9 N 23

Ra: 13 Li 57- PiK Ke: 13 Ar 57 HL: 7 Aq 42 GL: 25 Sc 14

In the chart of the boy, born on 12 Aug 1976 at 12-52 pm Near Kottayam, Kerala, star is Purva Bhadrapada 02nd pada in Aquarius sign.

Now, in order to find the sthree dirgha, students may count from Mrigashira upto Purva Bhadrapada. It is 21st star. Hence the star of the boy is beyond 13, the Stree Dirgha point is achieved.

Mahendram

In Astrology, Kendra means quadrants, which are the houses 1, 4, 7, and 10. Mahendram means maha kendram. Maha means great.

Counting is from the girl's star upto and including boy's star. If the boy comes as 1, 4, 7, 10, 13, 16, 22, 26 they agree for Mahendram porutham.

For example, if the girl's star is Rohini and boy's star is Uthara, count from Rohini upto and including Uthara. Uthara shall be the 9th star from Rohini. Hence in this case Mahendra Porutham is not achieved.

Suppose the girl's star is Mrigashira and the boy's star is Makha, count from Mrigashira upto and including Makha. The result is 7, which has achieved Mahendram.

It is advocated by Ancients that Mahendra porutham confers wealth and children for the couple.

Graha Maitri

The Jama Rasi or Moon sign for both the girl and boy should be agreeing to each other. This confers mutual affection between couples.

Rasi	Agreeable Rasis
Aries	Scorpio, Leo
Taurus	Cancer
Gemini	Virgo
Cancer	Sagittarius, Scoprio
Leo	Libra
Virgo	Gemini, Pisces
Libra	Capricorn, Virgo
Scorpio	Cancer
Sagittarius	Pisces
Capricorn	Pisces
Aquarius	Virgo
Pisces	Aries

If the girl's janma rashis are Cancer, agreeable boy's chart for Graha Maitri are Sagittarius and Scorpio.

Vedha

Vedha means affliction. This koota agreement wards off all evils and pit-falls in marital life. A happy and prosperous married life is assured.

Certain stars are mutually anti or opposite to each other. The star of boy and girl should not be mutually anti to each other. They are as follow:

Aswini	Vedha to	Jyehsta
Bharani		Anuradha
Kritika		Visakha
Rohini		Swati
Ardra		Sravana
Punarvasu		Uttarashadha
Pushya		Poorvashadha
Aslesha		Moola
Magha		Revati
Poorvaphalguni		Uttara bhadra pada
Hasta		Satabisha
Uttaraphalguni		Poorvabhadrapada

From the remaining stars, Mrugashira, Chitra and Dhanishta are mutually vedha to each other. This vedha agreement is very important like Rajju agreement. Happiness cannot be obtained if they are in Vedha.

Exception: If guru bala is available for star or star lord, then it can be matched.

Rajju

All the 27 stars have been classified into 5 types of Rajju.

Rajju bestows on the girl living happily with the husband for the long time. It is considered as the most important of the ten

kootas as it ensures a long life for the husband. The table below shows the different Rajjus allocated to the stars:

Rajju	Stars
Siro (Head)	Mirgasira, Chitra, Dhanishta
Kanta (Neck)	Rohini, Arudra, Hasta, Swati, Sravana, Satabisha
Nabhi (Middle)	Krithika, Punarvasu, Uttara, Visaka, Uthrashada, Purvabhadra
Ooru (Thigh)	Barani, Pushya, Pubba, Anuradha, Uttarabhadra, Purvashada
Paada (Foot)	Aswani, Aslesha, Maka, Jyeshta, Moola, Revathi

Another method of seeing the Rajju allocated to each star is as follows:—

	Mrigashira Chitta, Dhanista	Siro Rajju		
Arohana Rajju Stars	Rohini Hasta Shravana	Kanta Rajju	Arudra Swati Satabhisha	Avarohana Rajju Stars
	Kruthika Uthara U. Ashada	Nabhi Rajju	Punarvasu Visakha P. Bhadra	
	Bharani Pubba P. Ashada	Ooru Rajju	Pushya Anuradha U. Bhadra	
	Aswini Makha Moola	Paada Rajju	Aslesha Jyeshta Revathi	

From Aswini to Rohini they are arohana Rajjus and from Arudra to Aslesha, they are Avarohana Rajjus. For example Kruthika is Arohana Nabhi Rajju while Punarvasu is Avarohana Nabhi Rajju. For other stars the diagram will be similar from Makha to Jyeshta and from Moola to Revathi. All the Mars owned stars such as Mrigashira, Chitta and Dhanishta are always Siro Rajju only, and they are not classified either as Arohana or Avarohana.

If both the stars of the boy and girl fall in the same portion as foot or head or neck etc. there is no agreement (Radius of the boy and girl should be different from each other). If they happen to be in the same line as head, the husband will die, if in the neck, the wife will meet with death, if in the middle loss of children, if under thigh extreme poverty and if under foot pitiable wanderings. This is a very important agreement.

Yoni Porutham

The yoni allocated to each star is given above in the beginning. If the yoni of the boy and girl is same, then it can be matched. Bhinna or different yoni is also could be matched.

The table of stars and their yoni are given below:

Stars No.	Star	Star lord	Yoni
A	B	C	D
Ashwini	1	Ketu	Horse (M)
Bharani	2	Venus	Elephant(M)
Kruthika	3	Sun	Goat (F)
Rohini	4	Moon	Snake (M)
Mrugashir	5	Mars	Snake (F)
Arudra	6	Rahu	Dog (M)
Punarvasu	7	Jupiter	Cat (F)
Pushyami	8	Saturn	Goat (M)
Aslesha	9	Mercury	Cat (M)
Makha	1	Ketu	Rat (M)
Pubba	2	Venus	Rat (F)
Uthara	3	Sun	Bull (M)
Hasta	4	Moon	Buffalo(M)
Chitra	5	Mars	Tiger (M)
Swati	6	Rahu	Deer (F)
Visakha	7	Jupiter	Tiger (F)
Anuradha	8	Saturn	Deer (F)

Jyeshtha	9	Mercury	Deer (M)
Moola	1	Ketu	Dog (M)
Purva Ashada	2	Venus	Monkey (F)
Uthara Ashada	3	Sun	Mongoose (F)
Shravana	4	Moon	Monkey (F)
Dhanishta	5	Mars	Lion (F)
Satabisha	6	Rahu	Horse (F)
Purva Bhadra	7	Jupiter	Lion (M)
Uthara Bhadra	8	Saturn	Cow (F)
Revathi	9	Mercury	Elephant(F)

Note: M=Male yoni, F=Female yoni.

No matching is allowed between Shatru or enemy yoni.

For example:—	Snake	Enemy of	Horse
	Tiger	Enemy of	Deer
	Cat	Enemy of	Rat
	Mongoose	Enemy of	Snake

In these cases the yoni porutham is not available.

Nadi Porutham

Nadi, which means pulse, is classified with reference to the 27 stars into 3 types such as Aadhi nadi, Madhyama Nadi and Anthya nadi.

The nadi allocated to each star is given above in the tablular form in the beginning. For convenience of the readers the nadi allocated to each star is once again given below:—

Aadhi (Start) Nadi	Madhyam (Middle) Nadi	Anthya (End) Nadi
Aswini	Bharani	Kruthika
Arudra	Mrigashira	Rohini
Punarvasu	Pushya	Aslesha
Utharaphalugini	Purva Phalguni (Pubba)	Makha

Hastha	Chithra	Swathi
Jyeshta	Anuradha	Visakha
Moola	Puva Ashada	Utharashada
Satabhisha	Dhanishta	Shravana
Puva Bhadrapada	Utharabhadrapada	Revati

If the star of both boy and girl falls in different Nadi, then there is nadi porutham. For Example: Aswini star is Aadhi nadi whereas Rohini is Anthya nadi. Hence Nadi porutham is achieved between the stars Aswini and Rohini.

Vashya

The table below shows the Rashis and the vashya rashis:—

Sl. No.	Janma Rashi	Janma Vashya Rashi	Sl. No.	Janma Rashi	Janma Vashya Rashi
1	Aries	Leo, Scorpio	07	Libra	Capricorn, Virgo
2	Taurus	Cancer, Leo	08	Scorpio	Cancer
3	Gemini	Virgo	09	Sagittarius	Pisces
4	Cancer	Scorpio, Sagittarius	10	Capricorn	Aquarius, Aries
5	Leo	Libra	11	Aquarius	Aries
6	Virgo	Pisces, Gemini	12	Pisces	Capricorn

For example, for a person born in Mesha (Aries) rashi, the vashya rashi are Leo and Scorpio.

Similarly, for a person born in Leo sign (Simha), Libra shall be the vashya rashi.

07

Vadha Vainashika Dosha

Vadha Vainashika dosha is considered in some parts of India only. When counted from girl's star upto and including boy's star, if the result is 7, then it is said to have vadha vainashika dosha. For example, if the girls star is Anurada and if the boy's star is Dhanishta, count from Anuradha upto and including Dhanishta. The result is 7. When counted in reverse order i.e., from Dhanishta upto Anuradha the result is 22, which is said to have Vadha Vainashika dosha. Hence 07 / 22 stars alignment is acceptable.

Readers may see the chart below which are having 7/22 result and confirms vadha vainashika dosha:—

Sl. No.	Girl's star	Boy's star
01	Ashwini	Punarvasu
02	Bharani	Pushyami
03	Kruthika	Aslesha
04	Rohini	Makha
05	Mrugashira	Pubba
06	Arudra	Uthara
07	Punarvasu	Hasta
08	Pushyami	Chitta
09	Aslesha	Swati
10	Makha	Visakha
11	Pubba	Anuradha
12	Uthara	Jyeshta
13	Hasta	Moola
14	Chitta	Purva Ashada

15	Swati	Uthara Ashada
16	Visakha	Shravana
17	Anuradha	Dhanishta
18	Jyeshta	Satabisha
19	Moola	Purva Bhadra
20	Purva Ashada	Uthara Bhadra
21	Uthara Ashada	Revathi
22	Shravana	Ashwini
23	Dhanishta	Bharani
24	Satabisha	Kruthika
25	Purva Bhadra	Rohini
26	Uthara Bhadra	Mrugashira
27	Revathi	Arudra

Dasha Sandhi

Dasha sandhi indicates end of a particular planetary operating period and beginning of a new operating period at one point of time in one's life.

If such a situation takes effect both for husband and wife, then it is called dasha sandhi.

Astrolgers generally see the malefic planets' dasha sandhi such as Saturn, Mars, Rahu and Ketu.

The concept of considering dasha sandhi to cause death to either of the couple cannot be considered as a reality.

If malefic planets have got connection to ardha houses and punya houses, one shall not have any problem during dasha sandhi. However, it is seen dasha sandhi happens from a benefic planet to a malefic planet and at that time if saade saath period operates, one undergoes various problems in life.

This particular method is seen mostly in some parts of South India.

But the couples have been at logger-heads right from the beginning of marriage, though they are living together as of July 2010 i.e., after 06 years of marriage. They are blessed with a daughter too.

The main reasons for the marital discord have been identified are as follow:

Girl's Chart

Moon is posited in the lagna and aspected 07th house. Moon is in the star of Mars, who is lord of 06 as well as occupant of 06th house.

Boy's Chart

Venus is lord of 07th and is posited in Ketu star Makha in 10th house. Ketu, in turn, is posited in Venus star Bharani in 06th house. During Mercury (in Venus star Purva) dasha and Ketu bhukti, the couple had lot of difficulties between them including temporary separation.

Vairaghy or enmity is brought about by Saturn, who aspects Ketu. Moon in 4th house, gets the aspect of Mars, who signifies 06th house, will cause mental conflict and aggressiveness. From Moon sign, Ketu being placed in Venus star in 03rd house will also signify 3 and 4, making the person moody. Lord of 11 (Mercury) and lord of 12 (Venus) are conjoined, making the person not having control over spending, which also caused rift in marital life.

Since, Jupiter, lord of 02 and 05 (romance, love, etc.) is posited in 07th house, it is felt that boy will not be able to get a divorce.

Sahams or Sensitive Points

Sahams are sensitive point propounded by Sage Parashara. There are many sahams. In the question of marriage and child birth, one could see vivaha saham and putra saham.

Let us check the sahams in the following chart no.07.

GL		SL Mo

Vivaha Saham (One rule for day or night birth)

Longitude of Venus minus longitude of Sun plus longitude of Lagna.

	SS-DD-MM
Longitude of Venus	03-10-60
Minus: Longitude of Sun	04-16-13
Sub total	10-24-47
Plus: Longitude of Asc.	06-01-12 16-25-59 OR 04-25-49

The saham corresponds with Leo at 25 deg 49 min., which is in Venus star Purva.

The marriage of the native took place on 11 Apr 1988 when the transit Jupiter (vivaha karaka) was in Jupiter star Bharani, corresponding to 07th house of the native. Since Venus signifies 01,08,10,04,05 the marriage saham is average, but not detrimental.

Putra Saham (For Male or Female)

Putra saham or a sensitive point in a horoscope chart generally considered for progeny is formed by a mathematical calculation,

Day Birth

Longitude of Jupiter minus Longitude of Mercury + longitude of Lagna.

		SS-DD-MM
	Longitude of Jupiter	09-04-50
Minus	Longitude of Mercury	05-02-20
	Sub total	04-02-30
Plus	Longitude of Asc.	06-01-12
	Putra saham	10-03-42

The putra saham falls in 10th sign, 03 deg and 42 min, which means, it falls in Aquarius sign at 03 deg 42 minutes corresponding to Dhanishta star ruled by Mars. Mars signifies 02, 07, 12, 10, 08 houses. 12th will signify loss and 08th will signify impediments. 10th will negate 11th house. But houses 02 (addition of a member) and 07th (second issue) are favourable houses. Hence although there was initial disappoint with reference to progeny in this case, ultimately favourable houses helped the matter.

Night Birth

Long. of Mercury minus Long. of Jupiter plus Long. of Asc.

		SS-DD-MM
	Longitude of Mercury	05-20-20
Minus	Longitude of Jupiter	09-04-50
	Sub total	08-15-30
Plus	Longitude of Asc.	06-01-12
	Putra saham	14-16-42 or 02-16-12

Note: This case is of day birth.

Bija Sputa

In order to assess the fertility aspect of the boy, Bija Sputa is calculated. The Bija Sputa is a sensitive point in the horoscope, which is arrived at by adding up the longitude of Jupiter, Sun and Venus.

It is not desirable for the Bija sputa to fall in 06, 08 or 12 houses when counted from Ascendant.

		SS-DD-MM
	Longitude of Jupiter	09-04-50
Plus		
	Longitude of Sun	04-16-13
Plus:		13-21-03
	Longitude of Venus	03-10-60
		17-02-03 or 05-02-03

The Bija sputa longitude falls in 05 signs, 02 deg. and 03 min. This falls in Virgo at Sun star Uthara. Sun is posited in 11th house, although Bija sputa fall in 12th house from lagna, its signification of 11th house (Sun) is considered as good.

Kshetra Sputa

In order to assess the fertility aspect of the girl, kshetra Sputa is calculated. The kshetra Sputa is a sensitive point in the horoscope, which is arrived at by adding up the longitude of Jupiter, Mars and Moon.

For Kshetra sputa, take the following **chart no. 08** of a female, who is born on 23 Dec 1966 at 7:00 am IST, Vaikom, Kottayam, Kerala:

As: 11 Sg 47 Su: 7 Sg 28- GK Mo: 11 Ar 57- MK Ma: 16 Vi 32- BK
 Me: 23 Sc 05- AK Ju (R): 9 Cn 35- PiK Ve: 18 Sg 12- AmK Sa: 0 Pi 14- DK
 Ra: 20 Ar 30- PK Ka: 20 Li 30 HL: 16 Sg 49 GL: 0 Cp 50

It is not desirable for the Kshetra sputa to fall in 6, 8 or 12 houses when counted from Ascendant.

		SS-DD-MM
	Longitude of Jupiter	03-09-35
	Plus:	
	Longitude of Mars	05-16-32
	Plus:	
	Longitude of Moon	00-11-57
	TOTAL	09-08-04

The Kshetra sputa falls in 09th sign, 08 deg. and 04 min., which is at Capricorn at Sun star, Uthara Ashada. The bhava becomes 02nd house (addition of a member) from lagna, which is good.

Note: Kshetra sputa is taken in the case of females only.

Note: Sperm Count And Some Remedies To Increase It

A low sperm count (oligospermia) is one cause for male infertility. Although it takes only a single sperm to fertilize an egg (ovum), the odds of a single sperm reaching an egg are very low.

Normal sperm count is 20 million or more per milliliter of semen. In order to father a child 60% of those sperms should have normal shape, including standard forward movement (motility)

Some of the reasons for lack of sperm count is given below:—

1. Infected semen, tight underpants, bathing in very hot water, sitting for long hours, over weight in which fat layers sag on testicles reduce sperm count
2. Very frequent semen ejaculation also lead to lowered sperm count and man may become effectively infertile. Hence maintaining a gap of 3 days between two consecutive ejaculations keeps a man more fertile.
3. Smoking, excessive alcohol intake, Over exertion physically and mentally, zinc deficiency, Infections present in prostate gland, mal-formed genital organs, Anabolic steroid use.

Following are some of the points to be taken care to increase semen count:—

1. Have sex & masturbate less often - the more times you ejaculate, the less dense your semen will be. Maintain a gap of 3 days between two consecutive ejaculations.
2. Refrain from habits like smoking, alcohol consumption, etc. Alcohol affects your liver function, which in turn, causes a dramatic rise in estrogen levels. Even two drinks a day will have long-term effects on sperm production
3. Exercise regularly. Exercising your PC muscle can help you shoot further than ever before.
4. Eat Nutritious Food - Diet that's low in fat, and high in protein, vegetables, and whole grains is good for your health and for your sperm. Avoid bitter, astringent and spicy foods. Reduce caffeine intake.

5. Avoid heating of testicles - Wear loose, cotton boxer shorts, Avoid hot baths and saunas
6. Lose any excess weight, which tends to cause testosterone / oestrogen imbalances
7. Reduce stress levels by learning relaxation techniques - Keep your mind and body healthy by regular practice of YOGA and MEDITATION.
8. Try supplements - Certain natural supplements promise to increase sperm production.
9. Make love in the early morning or afternoon. Sperm levels are often highest in the mornings.

Timing of the Marriage

When is my marriage? This is a frequently asked question (FAQ) by a consultant who comes for consultation with an Astrologer.

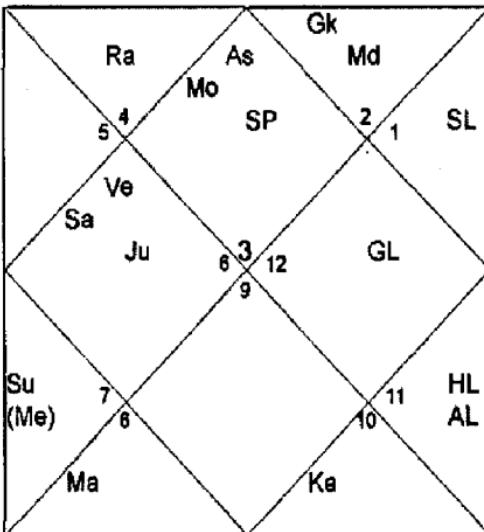

An event will take place when the pertinent planets' operating period (dasha, bhukti, antara) operates and when the transit agrees.

For the marriage, Astrologer could take houses 02, 07, and 11. 07th house is the main house for marriage. 02nd house stands for addition of a member and family sthana). 11th house stands for long time relationship, friendship and fulfillment of desires. Take Jupiter and Venus and planets, who stands for marriage and child birth. The following couple got married on 09 May 2004:

The dasha / Bhukti / Antara (D / B / A) running at the time of marriage was Jup-Sat-Rah. The significations of DBA lords are as follow:

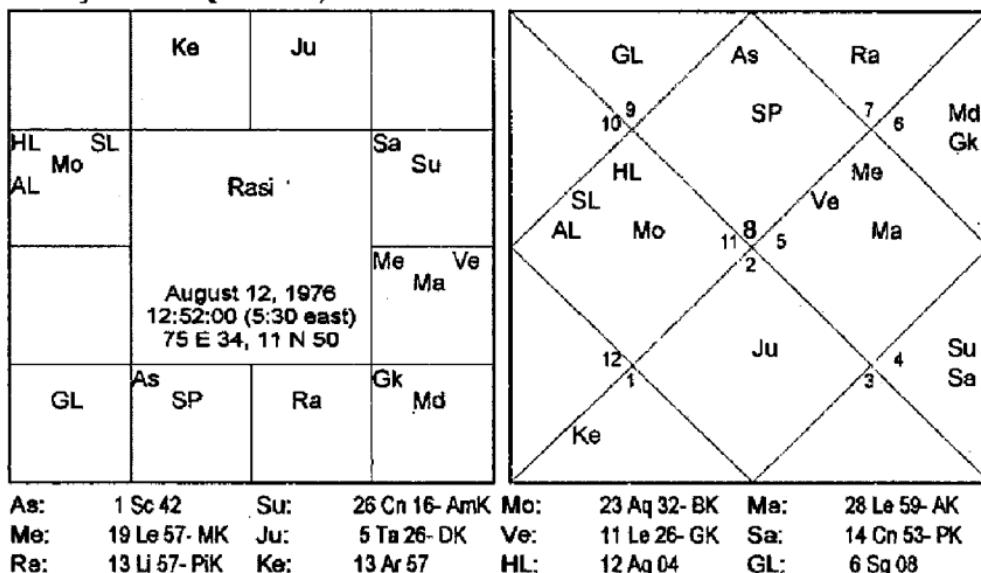

Jupiter :: 04, 07, 10, Su» 03, 05.

Saturn :: 04, 08, 09, Mo» 02, 01.

Rahu :: 02, Mo, Me. (Mercury signifies 07th house through Jupiter).

Jupiter signifies 07th house. Saturn and Rahu signify 02nd and 07th houses. Hence the DBA planets agreed for marriage.

Boy's chart (**No. 10**):

The marriage took place in Sat-Rah-Sun period.

Saturn signifies :: 03, 04, 09 and is in own star.

Rahu signifies :: 12, Ve (10, 07, 12, Ke» 06)

Sun signifies :: 10, 09 Me» 10, 08, 11.

In this chart, dasha lord Saturn is not connected to any of the houses of marriage. Bhukti lord, Rahu signifies 07th house through Venus. Antara lord, Sun is lord of 11th house. But, Saturn is conjoined with Sun, who signifies 11th house. Hence dasha lord agrees for the event.

The planetary positions at the time of marriage are given below:

Engagement

The betrothal took place on 21-Jun-2009 during Sun-Mar-Sat. The betrothal is an agreement between the boy's and girl's parties. Since the agreement is connected to marriage, take 7th house. Agreement is seen from 3rd house. Hence take 3rd house. 7th from 3rd signifying opposite party is 9th. Also 9th becomes 3rd from 7th house, signifying 3rd house of opposite party.

Sun signifies 7th house. Mars is lord of 3rd house. Saturn is posited in 9th house. Hence engagement took place in Sun dasha, Mars bhukti and Saturn antara.

For marriage take 02, 07, and 11 houses. The marriage took place on 30-Aug-2009 at 10:00 a.m. Marriage took place during

Sun-Mar-Sun period. Sun is lord of 7th house. Mars is posited in Sun star Uthara ashadada. Hence Mars signifies 07* house. Hence the marriage took place during Sun-Mar-Sun period, under the transit chart given below:

Kuja (Sevai) Dosha or Manglik

Mars is a planet of logic, violence, aggression, quarrels and accidents, and is termed as the celestial executioner by astrologers. Hence Astrologers from ancient times do attach much prominence to the Kuja dosha (evil effect of Mars) while evaluating the horoscope for marriage matching.

If Mars or Kuja happens to be placed in 1, 2, 4, 7, 8 or 12th houses when counted from Ascendant, Moon or Venus, then the native is said to have Kuja Dosha. However, there are exceptions to this rule. Kuja dosha is being given more weightage in places like Kerala and matches are not cleared unless the balancing placement is found in both the horoscope charts of boy and girl.

The charts illustrated above with Kuja dosha (evil effect of Mars) may be perused.

- 1) In Chart 5 above, Mars is placed in 4th house from Asc, while in 2nd from Moon and Venus.
- 2) In Chart 6 Mars is placed in 7th house from Asc.
- 3) In Chart 7 Mars is placed in 12th house from Asc.
- 4) In Chart 8 Mars is placed in 8th house from Asc.

These combinations are treated as having Kuja Dosha or Manglik.

The exceptions to Kuja dosha given are:

- a) When Mars is yogakaraka (for Cancer and Leo born people).
- b) When Mars is posited in its own house (Aries or Scorpio).
- c) When Mars is posited in the sign of its friends like Sun and Jupiter, which means Mars when posited in Leo, Sagittarius or Pisces, there is no kuja dosha.
- d) Some Astrologers also opine that when Mars is posited in moveable signs (Aries, Cancer, Libra, or Capricorn), there is no Kuja dosha.
- e) If lagna falls in the houses of Venus.

This rule should be applicable, if Moon or Venus are placed either in Cancer or Leo, since Kuja dosha is counted not only from Asc, but also from Moon and Venus.

If Venus is in 12th house to Mars, there is no Kuja dosha. If Venus is very strong like Uccha, Moolatrikona, there is no Kuja dosha. If Venus or Jupiter or a benefic is placed in 10^{*} house, then there is said to be having no kuja dosha.

The combinations for Kuja dosha, as per Vedic Astrology, are illustrated in few examples below:—

3	2	Asc LIB	Mar 12 VIR				

In the example no. 8 above, Asc is posited in Libra while Mars is posited in 12^{*} house. According to Vedic Astrology, this contributes to Kuja dosha.

In the example no. 9 above, Asc is in Capricorn and Mars is posited in Aries in own house (in 4th house). Hence this does not contribute to Kuja dosha.

	ARI	TAU	GEM		ARI	TAU	GEM

							Asc LIB
							Mar 12 VIR

In the example No. 18 above, Asc is Cancer while Mars is posited in 7th house in Capricorn. Mars is exalted in Capricorn. Hence it amounts to no Kuja dosha.

This chart is similar to that of Lord Shri Ram of Ramayana fame. But he had problem in marital life such as Sita was abducted by Ravana of Lanka and later Lord Ram himself abdicated her. Is it because of Kuja dosha? Some Astrologers claim so. But in effect, it is not because of Kuja dosha that his wife was abducted and later given up by him. Other combinations also are required to be seen in the chart for divorce or separation. Mars dosha does not alone contribute for separation in marital life.

The subject of abduction or restriction of movements is dealt separately in later chapters.

In the **example chart no. 19** above, Asc is in Libra and Mars is posited in Virgo being 12th house and is in 2nd house from Venus. As per Vedic Astrology, this is termed as Manglik or having Kuja dosha.

In the example **chart no. 20** above, Asc is not specified. Mars is posited in 12* from Venus, but is exalted in Capricorn. Hence there is no Kuja dosha as per Vedic astrology.

In the example **chart no. 21** above, Asc is in Libra. Mars is posited in 2nd from Lagna, but is in own house in Scorpio. Hence there is no Kuja dosha as per Vedic astrology.

In the example **chart no. 22** above, Asc is not specified. Mars is posited in 4th from Venus, in Taurus, which is a fixed sign. Hence this amounts to Kuja dosha as per Vedic astrology.

In the example **chart no. 23** above, Moon is in Libra. Mars is posited in 7th from Moon, in Aries, which is own sign. Hence this amounts to no Kuja dosha as per Vedic astrology.

But the Astrologer has to see in practical as to what is the lagna in cases like this. Lagna is always stronger than Moon sign or Venus sign.

	ARI	TAU Mar 8	GEM		PIS Asc	ARI Mar 2	TAU	GEM

		Asc LIB						

In the example **chart no. 24** above, Asc is in libra. Mars is posited in 8th from Lagna in Taurus, which is a fixed sign. Hence this amounts to Kuja dosha as per Vedic astrology.

But Mars being lord of 07, posited in 08th house will contribute some impediments in marital life since 08th house stands for

impediments, disappointments, etc. When Mars is posited in 08th house, it aspects 02nd house (speech). In this case Mars becomes lord of 02nd house also. When Mars is posited in 08th house, the person speaks logically and harshly and argues well, besides sadistic to a certain extent, because of the characteristics of Mars.

In the example **chart no. 25** above, Asc is in Pisces. Mars is posited in 2nd house from Lagna in Aries, which is own house. Hence this amounts to no Kuja dosha as per astrology.

It is concluded that just because of Mars is posited in 1, 2, 4, 7, 8, or 12 either from Lagna or Moon or Venus does not contribute to Kuja dosha, irrespective of Mars's position in its places of exemption allowed.

Astrologers say Mars is a Killer.

Let us examine the following **chart No. 26**: A female born on 21-Feb-1972, Monday, Time 22-30-00 hours, Hyderabad, India, Longitude 78-27-00 East Lat 17-23-00 North.

The native's husband died on 20-Dec-2001 during Rahu-Venus-Sun-Mars period. Death is seen from Bhadaka, Maraka, and Mokashakaraka planets during their periods.

Maraca will be 02 and 07 houses while Badhaka is 11, 09, 07 for Moveable, Fixed and dual signs respectively. Moksha is always seen from 12* house. Astrologers need to consider all the planets signifying these houses into consideration such as (a) Lord (b) planets posited in the stars of lord (c) Occupant (d) Planets posited in the star of occupants. (e) Take Nodes (Rahu and Ketu) significations also.

If the chart promises longevity, even if there is Kuja dosha, the person will live long.

As per Stellar System, if a planet posited in "X" star, will also give the result of that star lord. For example, if Venus is posited in any of stars such as Punarvasu, Visakha or Purva Bhadra ruled by Jupiter, Venus will give result of Jupiter also. Same way, one could take for other stars and planets.

The longevity of spouse should be reckoned by rotating the chart 7th house. 07th lord is Mars, who is in Aries in Venus star Bharani. Hence Mars will give Venus results. Bhadhaka for Aries (Moveable sign) is Saturn. Maraka for Aries is 2nd and 7th lords, which in this case is Venus. Mars is in Venus star and will give result of Venus. Planets posited in 2nd house from Aries are Saturn and Moon, both of whom are in Sun star. Sun is Badhaka being occupant of 11* house.

Sun is in Rahu star and will signify Rahu. Rahu is in Moon star and will also signify Saturn. Both Saturn and Moon are Maraca. Mars (signifying lagna lord for husband) is in between Maraka planets and also signifies Maraka and Moksha. Because of these combinations Husband's longevity is only medium. Hence the period of Rahu-Venus-Sun-Mars really tantamount for the significations connected for death of husband.

Although Mars is posited in 07* house, since it is in own house, there is no Kuja dosha. But many students get doubt raised in their mind as to whether really Kuja dosha exists or not, since Mars is posited in 7* house.

The explanation given in the previous paragraphs about early death of husband is sufficient enough to say that it is not due to Kuja dosha.

For evaluating the aspect of spouse, astrologers need to rotate the chart to 07* house, which means take 07* house as lagna.

President Kennedy was shot dead on 23-Nov-1963 during Jacqueline's Moon-Jup-Sat period. Moon is posited in 12* for husband (07* house), becomes moksha. Jupiter is posited in Moon star and hence signifies 12* house—moksha. Saturn is badhaka for Taurus.

Lord of 07th (for husband) Venus becomes lagna lord. Venus is posited in Mars star Mrigashira. Mars is lord of 07 and 12 — maraka and moksha respectively. Hence lagna lord Venus become signifier of Maraca and moksha.

In this case Mars has got killing powers due to maraca and moksha lordship. But the dasha / Bhukti / Antara lords were not connected to Mars.

Jacqueline Kennedy

Hence this cannot be construed as Kuja dosha as per Vedic system.

Unless Mars has got connection to lagna, 06* and 08* houses, injury through accident cannot be caused. In such a situation, if the dasha / bhukti / antara running at that time have got connection to maraca, badhaka or moksha, then it will be a serious matter of life threatening.

In this case referred above, Mars is posited in Venus star Purva. Hence Mars become a signifier of 01 (self), 06 (Injury). Jupiter (08—accident) is posited in Moon star, but is in lagna and is conjoined with lagna lord Venus, who is posited in Mars star, Mrigashira.

From the 07* house, significations of planets are:

Sun	»	04, 03, 09, 10, 08

Hence it is felt that students need to take care before delivering reading based on Kuja (Mangal) dosha.

Jupiter, Rahu and Saturn

Rahu Connection

In northern side of India and in Kerala it is said that they give importance to Rahu / Ketu Dosha. Rahu / Ketu affliction is treated as having *V2* dosha in some parts of South India.

Rahu / Ketu axis in Asc, 2nd house, 4* house are to be viewed carefully. When Rahu is in Asc, Ketu will be in 7* house or vice versa. If Rahu is in 2nd house, Ketu will be in 8* or vice versa.

Asc and 7* signifies self and spouse respectively while 2nd is family and 8* is family of spouse. 4* is home environment.

Equal balancing of Rahu / Ketu is required for the above combinations in both the charts of boy and girl.

If Rahu or Ketu is conjoined Asc, 2nd, 4*, 7*, 8* lords then also the above rule is applicable.

But in effect there is no such dosha is found. The roles of Nodes have to be taken as per the significations of them explained in previous paragraph.

Saturn Connection

If Saturn is connected with Moon, it is said there will be disappointments in marital alignments, fixation or during celebrations.

If Saturn is connected with 7* house or 7* lord by aspect or conjunction or otherwise, the marriage is likely to be delayed. In that case Saturn only will give the marriage during its dasha or bhukti or antara periods and when transits agree.

In the chart (No.30) mentioned below, 07* lord is Jupiter, who is conjoined with Saturn.

The marriage took place in Jupiter dasha, Saturn bhukti, Rahu antara on 09 May 2004 in her 24* year. Marriage did not take place in Jup-Jup due to conjunction of Saturn with Jupiter. Hence Saturn gave marriage in its bhukti.

Jupiter Strength

Jupiter's strength is considered as quite important in a chart, especially for female charts when it comes for marriage. Jupiter signifies vivaha karaka, putra karaka and even considered as husband. If Jupiter is lacking strength or placed in papa kartari yoga, or in adverse house, care may be taken to analyze this particular aspect.

According to ancients, if a well-placed Vivaha karaka Jupiter is having connection with martial houses or lord, then the affliction level is supposed to be minimized.

However, in the female chart No. 31 illustrated below, if Jupiter is placed in 7* house when counted from Lagna, then she will get a husband who could be a person who either suspects her or discouraging her.

Pis MAR MER VEN	Ari SUN	Tau	Gem MON
Aqu KET	Chart no. 24		Can JUP 7

Readers may go through the chart of female nativity illustrated above, in which Jupiter is placed in the 7th house from Asc. The native is found it very difficult to push along with the marital life, because of the unsteady behaviour of her husband. In this case, lord of 07, Moon has got placed in the 06th house, which is a negating house to 07th house. This point, of course, has also to be considered.

Another example **chart no. 32** may be perused:

Pis Rah	Ari	Tau Mon	Gem

In the chart erected above too, the native, female, had to encounter untold miseries from the husband, such as separation, litigation, etc., but did not divorce.

Hence care is required to be taken while evaluating the chart of the female too.

15

7th Lord With 06 / 08 /12 Connection

07* lord bestows marriage. Take supporting houses like 02 and 11 for addition of a member and long time relationship, respectively.

06*, 08* or 12* houses are classified as Dush sthanas or bad houses.

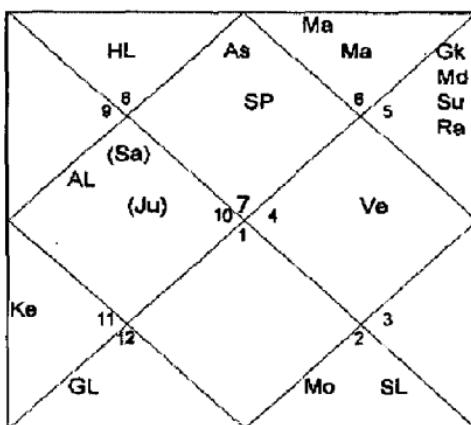

06* house signifies among many, separation from spouse, diseases, ill-health, borrowing, loans, etc.

08* house stands for sudden accidents, deaths, impediments, difficulties, etc., while 12* house is for loss, expenses, hospitals, new environments, charity, spirituality, etc.

The connection of 07* lord or a planet signifying 07* house with that of planets connected with 06 / 08 / 12 are not desirable for smooth marital life.

In the **chart no. 33** mentioned below, 07th.lord is Mars, who is posited in 12* house. Mars is in the star of Moon who signifies 08 and 10.

Mars is aspected by Jupiter, who is lord of 06* house. Hence 07* has got connection to 06 (aspect of Jupiter), 08, 12 houses. This is quite detrimental for smooth marital affairs.

16

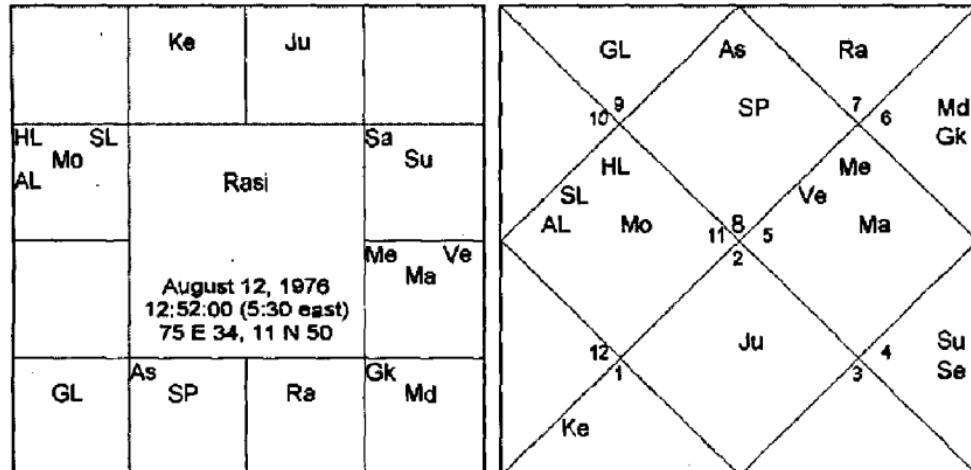

Venus Position and Ketu Connection

Venus is the Chief Governor of marriage. Venus signifies women, wife, pleasures, drinks, enjoyments, cushions, comforts, creativity, beauty, etc.

Ketu is the mokshakaraka and stands for emancipation, non-materialistic, spiritual thinking, etc.

When Venus and Ketu are conjoined or connected to 07^{*} house, it is felt that there is not much love and affection between a married couple.

An example chart no. 34 is given below:

The chart, belonging to a male, has got Scorpio rising with Venus being lord of 07* house. Venus is posited in Ketu star Makha in Leo and thus will give result of Ketu. Ketu in turn, is posited Venus Bharani star in Aries. Bharani is ruled by Venus.

The native is not able to adjust in marital life and complains of lack of response and romance from spouse.

Longevity

What is foremost and important to be evaluated is the longevity aspect in the chart of both boy and girl. Elders say Ayurarogya sowkhyam, meaning good longevity and health.

If the chart does not promise longevity, Astrologer should forewarn the client about it, and should decline to match the chart for marriage.

The longevity is seen from lagna (for self) and 8^{*} house. 8^{*} from 8^{*} house is 3rd house, which also is counted for longevity as per bhavat bhavam.

According to Vedic point of view, 8^{*} house of the girl is also seen for the longevity of marital life. If the 8^{*} house and 8^{*} lord are heavily afflicted, then the longevity of the husband will be in trouble. If there is no longevity for either of the native, the matching should not be done.

The signifiers of maraca or badhaka houses when connected to houses of longevity, they shall always threaten the longevity of a native.

Longevity is classified into 4 categories viz. Balarishta, Alpayu, Madhya Ayu and Purna Ayu. Some Astrologers consider Aparimitha ayu also, which means unlimited longevity.

Longevity of Balarishita cases are upto 08 years viz.:

- a) Alpa Ayu is upto 33 years.
- b) Madhya ayu will indicate upto 33 to 66 years.
- c) Purna Ayu is upto 100 years.
- d) Aparimitha ayu is beyond 100 years.

- a) When it comes to longevity, houses to be checked are dushsthana, maraca, badhaka, moksha, which negate longevity.
- b) 06, 08, 12 houses are dush sthana.
- c) 12* house stands for moksha also.
- d) Punya houses are 01, 05, 09, while 10* house stands for karma, which stand for good longevity.
- e) Consider Saturn as Ayushkaraka and yogakaraka planet for showering beneficial rays.
- f) Planets posited in own star or own house or exalted become stronger on given situations.

Badhaka

For all Chara (moveable) signs, 11* house shall be the badhaka. For all Sthira (fixed) signs, 09* house, and for all Dwiswabha (dual) 07* house shall be badhaka.

The badhaka table is given below:

- a) Lord of these houses,
- b) Planets posited in the star of lords
- c) Occupants of these houses
- d) Planets posited in the star of occupants, and finally
- e) Nodes, viz. Rahu and Ketu connected with these houses.

The lagna lord and 08* lord is Mars, who signifies 01, 08 and occupying in 01, besides signifies 03, 05 through Sun. Lagna star lord is Venus, who signifies 02, 07, 08, 04. Planet posited in 08* house is Moon, who signifies 04, 08 and is in Saturn star, who signifies 02, 10, and 11. Moon is under the aspect of Saturn and Venus. Hence, take houses 01, 02, 04, 07, 08, 10 and 11. 09* lord Jupiter aspects lagna from own house.

But the lagna is connected to 05* house (through Sun), so that the illness aspect is largely free from it.

Native ran Saturn dasha approximately upto 8 years of age, Mercury dasha upto 25 years, Ketu upto 32 years, Venus upto 52 years, Sun upto 58 years, Moon upto 68 years, Mars upto 75 years and Rahu upto 93 years.

Gerald Rudolf Ford

The longevity aspects show maraca, badhaka and punya houses. It signifies medium longevity of 66 to 99 years. But out of running dashas, Venus was strongly connected to maraca and badhaka houses, which ran upto 52 years only.

Thereafter, Sun ran upto 58 years. Sun is lord of 05 and is in 3rd house. Moon signifies 04, 08, 10, 11 and 02. Mars is lord of 01 and 08, posited in Sun star (03, 05).

Next dasha of Rahu (Ju»12, 09, 02, 07, Sa» 02, 10, 11, 08, 04) was also suitable. Mars is connected to lagna, longevity and Punya houses. Whereas Jupiter signifies 09, 12, 02, 07 and aspects lagna, could the final emancipation.

Moon's position in Ayushkaraka Saturn star in the house of longevity, duly aspected by Saturn from Moon star is also a point to be considered for longevity aspects.

President Ford died on 26-Dec-2006 during Jup-Jup-Mer period at the age of 93 years. Antara lord Mercury is in 4* (end) and is aspected by Badhaka Saturn. The planetary positions on the date of death are given below:

Sir Visveswaraya died on 14 April 1962 during Venus dasha, Jupiter Bhukti and Jupiter Antara after living for 101 years.

Mercury is exalted in own star, besides placed in Sun (09 and 10) star, Uthara.

There are three planets, viz. Mars, Jupiter and Saturn posited in 09* House (punya). Sun and Moon are in own stars. Venus is in 11* house.

Asc star lord is Venus, who signifies houses viz. 06, 11, 11, Ma» 05, 12 and 09. Occupant is stronger. Hence Venus

Sir M Visveswaraya

will give result of 09 and 11 more strongly.

Asc sign lord Jupiter signifies houses viz. 01, 04, 09, Ve» 06, and 11. Here again 09 and 11 become stronger.

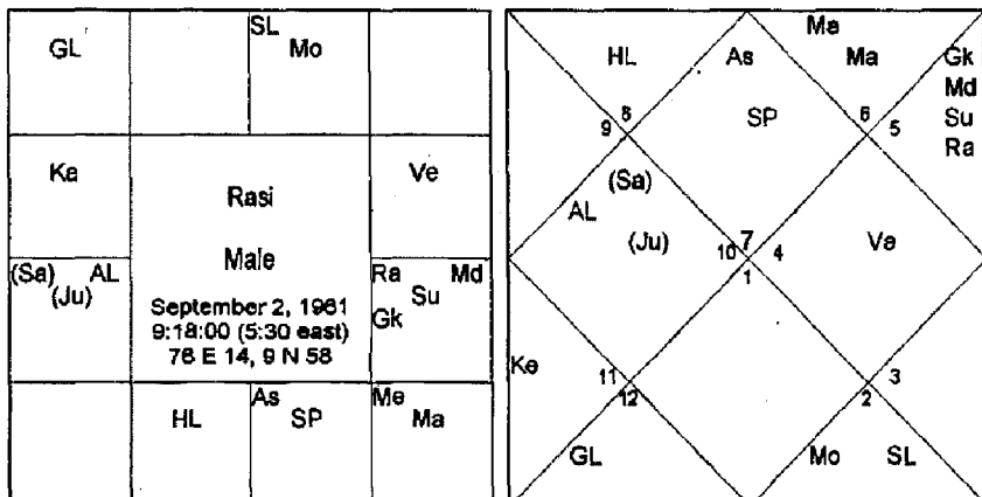

11* house is an upachaya house (if it is not badhka) and stands for progress.

08* bhava falls in Mercury star Aslesha in Cancer. Mercury is exalted and is posited in 10* house in the star of Sun, who signifies 09 and 10.

08* lord Moon is in 02nd house, but in own star, Sharavana. 03rd lord Saturn is in Venus star, signifying 02, 03, 09 Ve» 06 and 11.

All these aspects put together has given the native long life of 101 years, which is Puma Aayu.

In the **chart No. 36** shown below is of a male nativity born on 02 Sep 1961 at 9-18 a.m. near Cochin, Kerala, with balance VMD of Moon dasha upto April 1965.

Jupiter is the lone planet signifies 06* house, besides aspect of Saturn, Mars and Mercury. Sun, Moon, Mars, Venus, Rahu and Ketu signifies 08* house. Rahu, Ketu, Mars and Mercury only signify 12* house. Mars, Rahu and Ketu only signifies 02, 07 (maraca) houses. Badhka (11*) house is signified by Sun, Mercury, Jupiter, Saturn, Rahu and Ketu.

Either of 01, 05, 09 or 10 houses is signified by Sun, Moon, Mars, Venus, Saturn, Rahu or Ketu.

Moon is exalted and is occupant of 08* house but under aspect of 06* lord Jupiter. Mercury is exalted is in own house, but aspected by 06* lord Jupiter and also in moksha sthan. Lagna lord Venus is in 10* house, but is aspected by 06* lord Jupiter. Illness will attack.

Under this scenario, one felt that native will have 66-99 range of Madhya aayu or medium longevity.

Moon dasha will end at the age of 03 years and 07 months. Thereafter, the native will run VMD periods of Mars (upto 10y, 07m), Rahu (upto 28y, 07m), Jupiter (upto 44y, 07m), Saturn (upto 63y, 07m) and Mercury (upto 80y, 07m).

The lagna falls in Mars star Chitra in Libra. Libra is ruled by Venus, who is also lord of 08* house. 08* bhava will fall in Sun star Krithika. Moon is occupant of 08* house. 03rd house is vacant, its lord is Jupiter. Jupiter is in 04* house.

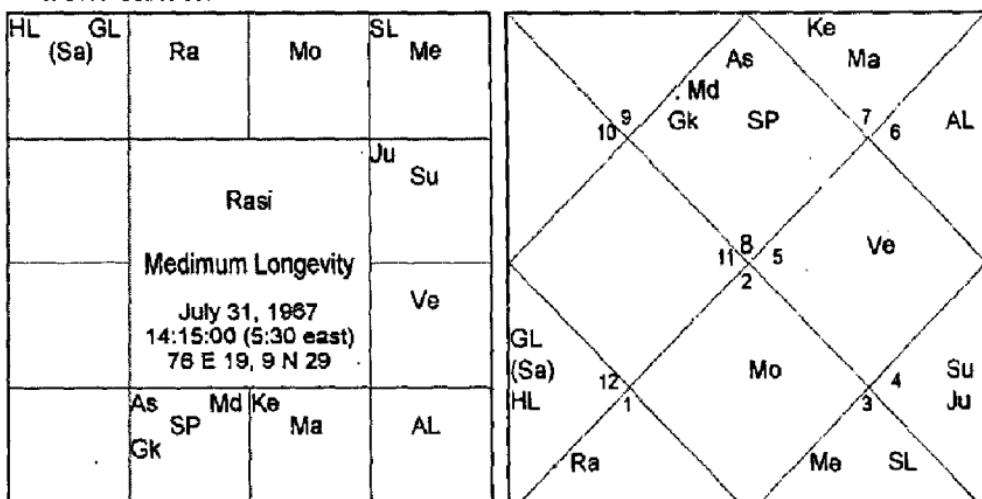

Out of above, Saturn is yogakaraka (04, 05, 11) for Moon sign as well as for lagna. Hence Saturn dasha is ruled out for death, which runs from 44 to 63 years of the native.

Next VMD is that of Mercury. Mercury is lord of 09 (Punya), but is posited in 12* (moksha) and is in the star of Sun (badhaka). Mercury is conjoined with Mars, who is lord of 02 and 07 in 12 (maraca and moksha). Mercury gets aspect of Jupiter, who signifies 11 and 4 predominantly rather than lordship of 03 and 06 houses. 04* house is the end and 11* is badhaka.

Under this combination, it is felt that native will not survive Mercury dasha. In the Mercury dasha, native will run Mercury-Mercury, Mercury-Ketu, Mercury-Venus and so on. Ketu is of course occupant of 05* house, but will signify 04 through Saturn and 02, 07, 12, 08, 10 through Mars. Through Sun, Ketu will signify 01 and 08 also. Hence lagna (body), longevity (08), maraca, badhaka, moksha house are connected. Nodes are stronger. Hence this period shall be crucial for the native, which falls in 2027-2028 period, (at the age of 67 years).

During this period transit Saturn shall be in Aries, which happens to be 12* house (moksha) from Moon as well as the 3rd cycle of Saade Saath. At that period, transit Jupiter shall be in Leo / Virgo.

In the chart No. 37 mentioned below, the native achieved only short longevity, who died in Nov 2008 in her Jupiter dasha, Saturn Bhukti and Moon Antara. Of course, the native was suffering from cancer.

Of the above, all planets are signifying either of the detrimental houses for longevity, such as 02, 07 (maraca), 09 (badhaka), or 12 (moskha) except Saturn. But Saturn is under the aspect of Jupiter, who signifies 02 (maraca) and 09 (badhaka). Moon, both maraka and badhaka, is aspecting lagna (body).

Lagna lord Mars is posited in 12* house and is in the star of Rahu who signifies 06* house, thereby cabling a relationship with lagna (self) and 06 (disease). 08* lord Mercury is posited in own house, thus prompting one to say that the longevity is good. But one should mark the Papa Kartari yoga for Mercury for being placed in between Moon (Maraca and badhaka) and Jupiter (maraca and badhaka). 08* lord Mercury is placed in badhaka (09) and maraka (02) Jupiter star.

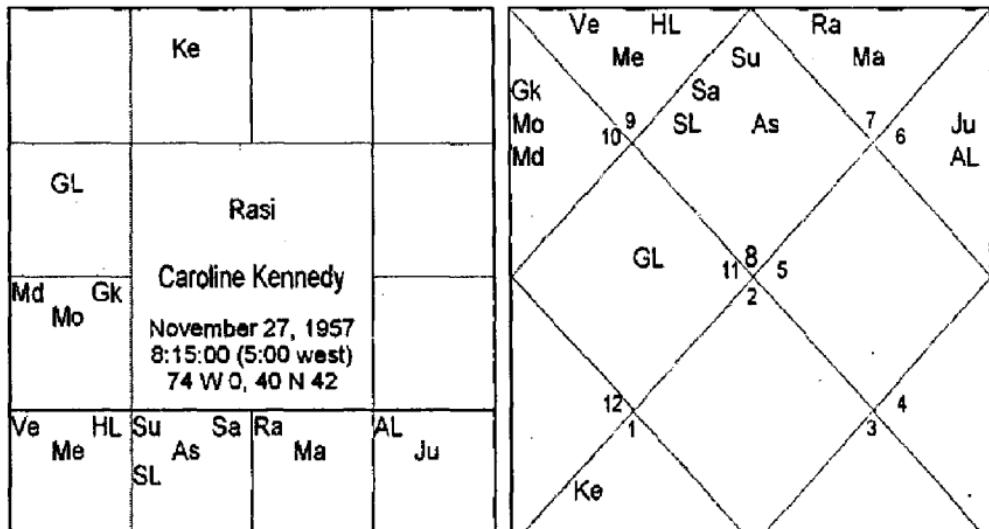

She was admitted in hospital with formation of water in the brain in the dasha of Jupiter-Saturn-Moon. Mark the connection of watery signs with Jup and Sat. Moon is a female planet, who is naturally a watery planet. Jupiter's and Moon's aspect on lagna (brain) has caused watery formation in brain. Jupiter's connection with 08* house made it excessive and serious in nature. Jupiter will itslef expand or make the body part to swell. Saturn aspects Moon, while lagna lord Mars is connected to Rahu as well as 06* house. Hence, Saturn, Moon, Mars and Rahu contributed for dreaded disease like cancer.

Hence period became adverse and the native died in Jup-Sat-Moon period itself.

Caroline Kennedy is the only surviving child of late US President John F Kennedy. President Kennedy was assassinated on 22 Nov 1963 at Dallas, Texas State, by alleged assassin Lee Harvey Oswald, during Caroline's VMD of **Mars-Ven-Rah** period. Caroline was only 06 years old at that time and this indicates that the longevity of the father was too short-lived.

If lagna and 08* house are connected to maraca, badhka, moksha and dush-sthana houses, then the longevity of the native is under severe threat.

For father 09* house is considered for evaluation. For Caroline, Scorpio rising and 09* house falls in Cancer. In this case maraca shall be Sun (lord of 02), Saturn (lord of 07) and badhaka is Venus (lord of 11 - for chara rashji). Planets, who signify 02, 07 and 11 houses, shall also function as maraca or badhaka.

Cancer is unoccupied. No planet aspects it. Its lord is Moon, who is posited in Shravana star in 07* house, which is maraca.

Ketu is in Venus star. Rahu is in Libra and is in own star. Hence Rahu also signifies Venus. Hence both Rahu and Ketu offer result of Badhaka. Planets posited in Rahu or Ketu stars also offer results of Badhaka, since they are Nodes. Mars is in Rahu star. Hence Mars will offer badhaka result. Mercury, being lord of 12* house (Moksha) is in Moola star ruled by Ketu. Ketu is badhaka. Hence Mercury offers result of badhaka through Ketu.

Hence planets who offer badhaka result are: Venus, Mars, Mercury, Rahu and Ketu.

02nd lord Sun (maraca) is posited in Anuradha star ruled by Saturn, who is lord of 07^{*} house (maraca). Moon is posited in maraca house (07^{*} house).

Hence planets who offer maraca result are Sun, Moon and Saturn.

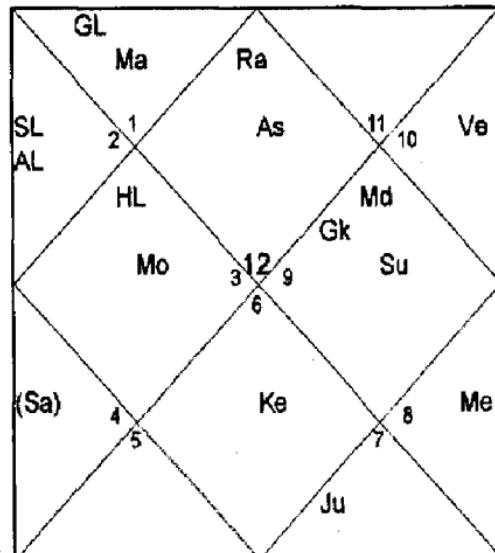

Mars signifies badhaka and in whose star Jupiter is posited. Besides, Jupiter aspects Moon from Mars star Chitra.

Hence almost all planets signifying either maraca or badhaka or moksha from 09^{*} house made the longevity of father to have cut off so early at her very tender age of 06 years.

Meantime, a question was asked as to how shall be the longevity of the father of this baby girl born on Dec 16, 2005 at Hyderabad at around 1:30 pm. The **chart no. 39** is drawn and shown below:

If the lagna and / or 08^{*} house is connected to badhaka / maraca and dush sthanas, one's longevity shall be threatened.

For father take 09* house as lagna and this falls in Scorpio. 08* there-from shall be Gemini. Moon is occupant of 08* house (Gemini). For sthira rashi (Scorpio), 09* shall be the badhaka. Moon is the badhka lord and is posited in the house of longevity. This combination is detrimental for longevity of father (in this case). Moon is in the star of Rahu, who signifies 05 and Jupiter. Jupiter is lord of 02 and is in 12 (maraca and moksha respectively).

Saturn is the lord of 3 (longevity) and is in badhaka house. Saturn is in Aslesha star ruled by 08* lord Mercury. Hence Saturn gives the result of 03, 08 and 09. When a planet who signifies badhaka and longevity, the question of one's longevity shall be under threat.

08* lord is Mercury, who is posited in lagna, which should be treated as good for longevity. But Mercury is posited in the star of Saturn, who signifies badhaka.

Jupiter, who is posited in Rahu star in 12* house (Moksha), being lord of 02 (Maraca), aspects badhka Moon who is posited in house of longevity.

Both Moon and Jupiter are posited in Rahu star Arudra and Swati respectively. Although Rahu is posited in 5* house (punya), the dispositor of Rahu viz., Jupiter is maraca. Rahu is in the star Saturn, who signifies badhaka and longevity.

If 7* lord or 5* lord or 8* lord or these houses are placed in between malefics or conjoined with malefics, there are enough reasons to predict that the significations shall be disturbed or ruined.

in papa-kartari yoga, then there shall be difficulties in having progeny.

If 7* house falls in papa-kartari yoga, then there shall be difficulties in ~~longevity~~ life or for spousal matters.

If 8* house falls in papa-kartari yoga, then there shall be difficulties in longevity of the native.

Divorce and Dual Marriage

When marriage matching is undertaken by Astrologers, they are also required to watch carefully, if there exists separation or divorce or dual marriage, etc., in the chart of either boy or girl.

The **chart (No. 41)** given below is of a native, who had married, divorced and again married another woman. Native was born on 17th December 1956 at around 9.15 a.m. Ahmedabad, India.

1st marriage took place in Sept 1980 during Rahu-Moon-Venus, and was separated within 45 days. Divorce took place two years thereafter through a court of law. 2nd marriage took place in 1984 and this marriage is sustained.

Marriage houses are 7 (marriage), 2 (addition of a member) and 11 (long time relationship and fulfillment of desires). Marriage will take place when dasha / bhukti / antara promises and transit agree, if the chart promises. For separation, take 01, 06, 10 and 12* houses.

Lord of 07th house is Mercury, who is posited in Lagna in Purva Ashada Star ruled by Venus. Venus is lord of 06 and is posited in 12th house. Hence 07th lord itself agrees for separation.

First marriage took place during Rahu dasha, Moon Bhukti and Venus antara in Sept 1980. Rahu is conjoined with Venus (06, 11, 2, 3) and Saturn (02, 03, 12). Saturn, being lord of 02, is in own star in 12th house. Rahu, being Node, will give result of Saturn, Venus, Moon and Mars.

Bhukti lord Moon is posited in 06th house in own star, being lord of 08th house. But Moon is aspected by Venus and Saturn, who has got connection with houses such as 02 and 11. Hence Moon, though posited in 06, was prevailed upon by Saturn and Venus to solemnize marriage

Antara lord Venus signifies (06, 11, 02, and 03).

During that period, in transit, dasha lord Rahu was in Aslesha star ruled by 07th lord Mercury. Antara lord Venus was posited in Pushya star ruled by 2nd lord Saturn.

The native got separated from wife during Rah-Mon-Ven-Ketu period. Ketu gives the tendency to eject. Separation is seen from 06, 01, 10 and 12* houses. However, readers could see that Dasha / Bhukti / Antara lords also signify negative houses such as 01, 06, and 12. Ketu also signifies 01 and 06 through Jupiter and Moon.

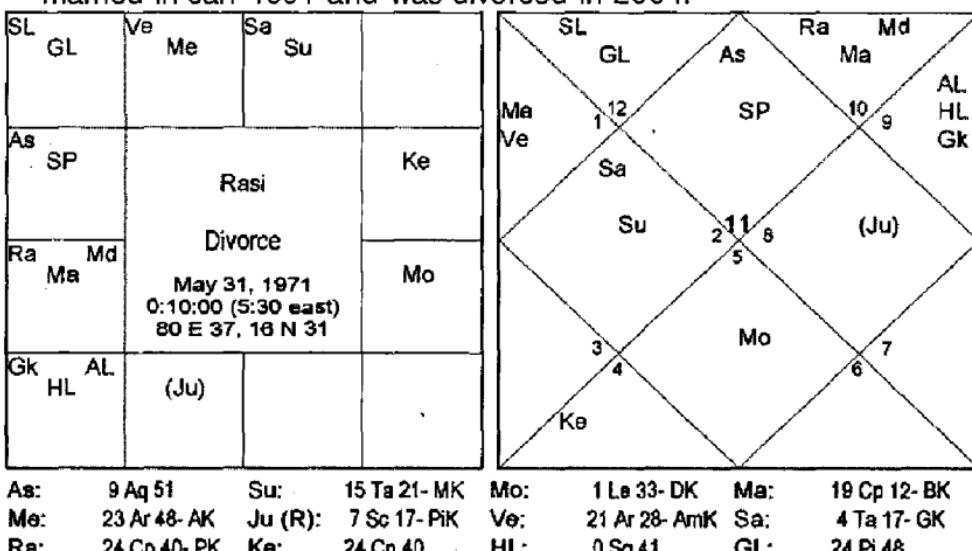

However, legal separation did not take place immediately which eventually happened at the onset of Jupiter dasha when Jupiter-Jupiter was operating. For all legal aspects Jupiter has to be connected to the pertinent houses. Jupiter is the lord of 1 and is posited in 10* house, which promises separation.

Native married again in Jupiter dasha, Saturn Bhukti. The girl's (second wife) janma star was Anuradha, ruled by Saturn. Her lagna was Scorpio, which was tenanted by Saturn in her natal chart. In the boy's chart also Saturn is in Scorpio.

For 2nd marriage, normally 09* house is taken and 07, 02 and 11 along with Mercury and dual signs. 09* becomes 03rd (younger co-born) to 07* house, since 2nd wife becomes some sort of a younger sister to first wife.

Jupiter is posited in Sun star and hence signifies 09* house, while Saturn is lord of 02nd house. Hence Jupiter dasha gave divorce and second marriage. 07* lord Mercury is posited in Sagittarius, a dual sign, while Jupiter is lord of Sagittarius and Pisces and is posited in Virgo; all are dual signs.

Let us see another example (**Chart no. 42**): Female, born on 31-May-1971 at 00:10:am at Lat 16:34 N Long 80:40 E, had got married in Jan 1991 and was divorced in 2004.

07* lord is Sun, who is posited in Moon star Rohini. Moon is posited in 07* house in Ketu star Makha. While Moon is lord of 06, star lord of Moon, Ketu, is posited in Aslesha star ruled by Mercury, in 06* house. Mars aspects Moon from 12* house.

Marriage took place in Venus dasha, Saturn bhukti and Mercury antara. Dasha lord Venus is lord of 04 and 09 and is posited in 03rd house in own star. Saturn is lord of 1 and 2 and is posited in Sun star and hence signifies 07* house. Mercury is lord of 05 and 08 and is posited in Venus star. Dasha and Antara lords Venus and Mercury respectively are under the aspect of Mars, who is in Moon star Shravana, while Moon is occupant of 07th house. Hence period favoured.

Divorce took place in 2004 most probably in Moon dasha, Moon bhukti. Moon is having connection with 06* very strongly, as discussed earlier.

In yet another case (**Chart no. 43**) of divorce, the boy was born on 30-Jun-1971 at 1-05 pm Vizag divorced his wife, who was born on 09-Jun-1974 at 7-00 am Kakinada.

The chart of the boy is appended above. Lagna is in Virgo and 07* house falls in Pisces. There are no occupants in Pisces. Jupiter is the lord of 07* house. Stars ruled by Jupiter are Punarvasu, Visakha and Purva Bhadrapada. Mercury is in Punarvasu and signifies 1 and 10, besides 3, 4 and 07. Moon aspects 07* house, who signifies 01, 10, and 11.

But Jupiter is posited in Saturn star Anuradha. Saturn is lord of 5 and 06. Besides, Saturn aspects Jupiter from 09* house. Saturn is in Sun star Kruthika, who signifies 10 and 12.

Since 07* lord Jupiter has become weak, the native sought divorce in Jupiter-Jupiter period. Jupiter also will signify a judge and the divorce was granted through a court of law.

The chart (No. 44) of the girl is given below. Gemini is rising and 07* house is vacant. Lord of 07* house is Jupiter, who is in own star, Purvabhadrapada. Lagna is occupied by Mercury and Saturn, who aspects 7th house. They are in Rahu star Arudra, while Rahu is in Mercury star in Scorpio, which becomes 06* house. Rahu will give result of Mars and Mercury along with 01 and 06. Mars is posited in 02nd house in Saturn star (1, and 06). The native got divorced in Rahu-Mars period.

Lord Ram of Ramayana

The following horoscope **chart no. 45** is supposed to be of that of Shri Ram of Ramayana fame. In the epic Ramayana, sage Valmiki narrates about the horoscope chart of Ram and his brothers, Bharat, Laxman and Shatrughna.

Some Astro software specialists have calculated back the possible combination of the planetary positions as explained by Sage Valmiki and concluded that the year of birth should be BC 5115.

Many astro pundits opine that the horoscope of Lord Rama including the position Mercury and Nodes are that the one illustrated below:

PIS Ven	ARI Sun	TAU Mer	GEM Ket
AQU	Horoscope of Lord Ram of Ramayana fame		ASC CAN Mon Jup
CAP Mar			LEO
Rah SAG	SCO	Sat LIB	VIR

The highlight of the horoscope is that 5 planets viz. Sun, Venus, Mars, Jupiter and Saturn are posited in their respective exaltation sign, which made many astrological researchers in the past to look at it with lot of anxiety and respect.

It is said that the thithi is sukla paksha navami and the Moon is posited in Punarvasu star ruled by Jupiter. Punarvasu star in Cancer is the last pada which forms 3 deg. 20 min. only. Thus Lord Ram would have got the VMD of maximum of 4 years of Jupiter.

Sage Valmiki had neither mentioned about the planetary longitudes nor the star in which the planets posited, except for Moon.

When Moon is posited in Jupiter star and conjoined with Jupiter, they do aspect 07* house and offer the result of 06* house. When 07* is linked to 06* house, one could conclude that the harmony in marital life shall be too average.

On the other hand, 07* lord Saturn's position in 04th house shuns romance and the marital life should be just mechanical one.

05* lord Mars is posited in 07* should definitely bring in some romance between the couple. Occupancy of Mars in 07* house is perceived as Kuja dosha or Manglik. But for Cancer lagna, Mars is yogakaraka and is lord of 05* house (romance) cannot be construed as a factor for marital discord.

07* lord Saturn's aspect on 06th lord Jupiter and whose agent Moon, should be a contributory factor for prolonging the marital life.

Some mythological write ups proclaim that Sita mata was elder than Lord Ram.

When Mars, Saturn and Sun become signifier of 07* house, one's first wife should be older than native, which is contrary to the conventional practice of wife being younger than husband.

In this case 07* lord Saturn is aspected by Sun and 07* is occupied by Mars. Thus the condition is satisfied.

Abduction is nothing but jail yoga. Sita Mata was abducted by Ravana, the demon king of Lanka, by deceiving the Rama brothers.

When lagna is connected to 03, 08, 12, one could be in the jail. For 07th house (Capricorn), Jupiter becomes lord of 03 and 12, who aspects lagna of wife (Capricorn). Sun is the signifier of 08* house, who aspects 07* lord Saturn. Hence Sun and Jupiter (03, 08, 12), put together by their efforts, could abduct Sita mata. Rahu's position in 12* is definitely a contributory factor to the incarceration of Sita Mata. In that case, Satum should have been placed in Rahu star Swati in Libra. 11* lord Mars's position in lagna (Capricorn) has definitely helped Sita Mata to attain freedom from the clutches of Demon King Ravana.

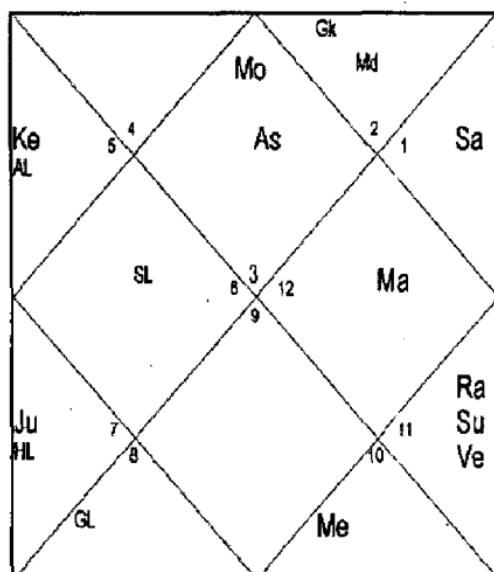

Marital Disharmony and Prashna Theory

For marriage, take houses 02, 07 and 11. For divorce, take vyaya (negative) houses viz. 01, 06, 10. 12* house stands for loss in general. Houses 06 and 12 are detrimental for marital failures.

In the chart of the husband shown above, lagna is in Gemini. 07* house falls in Sagittarius at 26 deg. 33 min. at Purva Ashada star ruled by Venus. Venus is lord of 05* house, which promotes romance.

07* lord Jupiter is also posited in 05* house, which again promotes romance.

Then how did marital altercations have been reported? Definitely negative houses such as 01, 06, 10, 12 should be connected to 02, 07, 11 houses for creating flutter in marriage.

Mars is the lord of 06* house. There are no occupants of 06* house. Mars is posited in 10* house, which is a negative house for long time relationship. Mars is aspecting Jupiter (07* and 10* lord) by its 08* aspect, thereby causing rupture in 07* significations. Hence 06 and 10 are linked to 07* house.

Mars is lord of 11th house too. But by its position in 10* negates long time relationship. Besides, Mars is the planet who promotes quarrels and arguments. When Mars is in 10* house, one will behave independently and also try to dominate the other.

Stars ruled by Mars are Mrigashira, Chitra and Dhanishta. Planet posited and Mars star is only Sun. Hence Sun also will give the result of 06, 11 and 10* houses.

Nodes connected with Mars are none. But Sun, an agent of Mars, is conjoined with Rahu, while Sun aspects Ketu. Hence Nodes, Rahu and Ketu, will give the result of Sun. Sun signifies negating houses 06 and 10. Hence Nodes will also contribute to give results of 06 and 10.

Any planet posited in Nodes' stars viz, Ashwini, Makha, Moola ruled by Ketu and Arudra, Swati and Satabhisha ruled by Rahu shall offer the result of the respective Node.

Jupiter is posited in Swati star. Venus and Rahu are posited in Satabhisha. Hence Jupiter and Venus will offer result of Rahu. Rahu will give result of 06 and 10. Hence Venus and Jupiter also will provide result of 06 and 10 houses. Of course, Venus is lord of 12.

Ketu will offer result of 06 and 10 through Sun. Planet posited in Ketu star (Ashwini) is only Saturn. So Saturn also gives result of 06, 10. Saturn aspects Jupiter. Hence Jupiter besides gives result of 06 and 10, under aspect of Mars and Saturn (both signifying 06 and 10), has become futile for offering 07* results.

These combinations all put together has made his marital life miserable.

It will not be out of place to mention here that it shall be unwise to blame any koota like nadi koota, yoni koota, gana koota, etc. for any case of a marital discord.

As regard the current planetary operating period viz. Vimshottari Maha dasha (VMD), the native is running Mercury dasha, Moon Bhukti and Sun Antara upto 1st week of August 2010.

Dasha lord Mercury is slightly perturbed in marital matters being lord of 01 (negation to 2—addition of a member), lord of 04 (negation to romance—5th house) and occupant of 08* house (impediments and obstacles). Mercury is aspected by Saturn, who signifies 06 and 10.

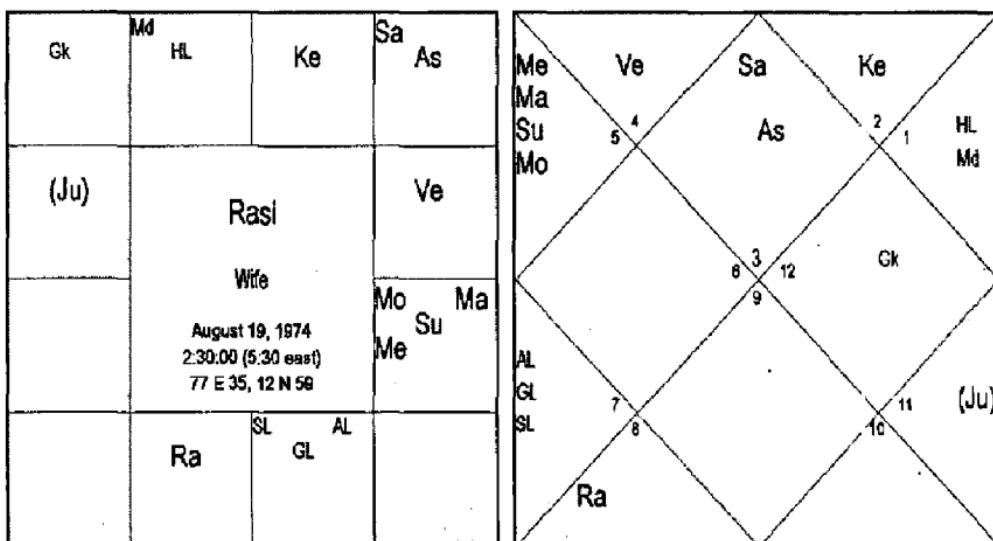

Saturn always promotes enmity.

Bhukti lord Moon is lord of 02 and occupies 01st house. Moon is in the star of Jupiter (Punarvasu) lord of 07, 10 and occupant of 05* house. Moon hence in total signifies 01, 02, 05, 07, 10th houses. In these except 10* house, all are favourable for marital matters. How does then Moon create rupture in marital life? The star lord of Moon is Jupiter, who signifies 06 and 10* houses.

Antara lord is Sun, who, as it is, signifies 06 and 10 through Mars. Hence dasha, Bhukti and antara lords do promise for separation.

She is having Gemini rising in Arudra star ruled by Rahu at 11 deg. 18 minutes. 07* bhava in Sagittarius is falling in Ketu star Moola. Ketu is in 12* house, the house of loss. Planets posited in Ketu stars are Mercury and Sun. So they will give result of 07* and 12* house.

07* lord is Jupiter, who is posited in 09* house and is in own star. Hence Jupiter should be strong. Mars is the lord of 06* house, which negates marriage. Mars is aspecting Jupiter. Hence the marital discord has taken place.

The wife is going through VMD of Mars dasha, Sun Bhukti and Jupiter Antara. Mars signifies 06* house. Bhukti lord Sun signifies 12 and not 06* house. But it is conjoined with Mars. Next bhukti shall be of Moon. Moon signifies 02,03,12,05 houses through self and Venus. With this Mars dasha will be completed.

Next dasha shall be of Rahu. Rahu is posited in 06* house shall not be favouring for marital harmony.

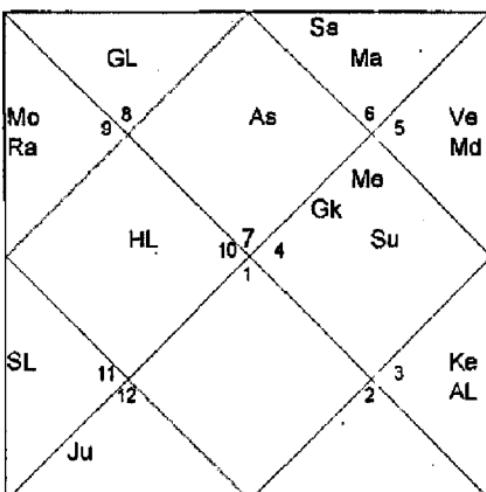

Saturn brings in enmity. She is born in Purva star in Leo and transit Saturn in the second house from Leo, which means the last phase of Saade sath is being experienced by the native. Please note Saturn's placement in Punarvasu star ruled by Jupiter, while Jupiter is the lord of 07* house. Hence Saturn is connected to 07* house and brought in marital disharmony during its cycle over natal Moon.

In order to evaluate as to whether the couple will eventually separate or not, astrologers are required to take a time chart and study. Accordingly, a time chart is taken for the moment of judgement and the same is appended here below:—

Here in the horary or parshna chart, Libra rising at 07 deg. 50 min. and the corresponding 07* bhava falls in Ketu star. Ketu is in a dual sign and signifies Rahu and Mercury. Rahu in turn signifies Venus and Jupiter. Hence Ketu signifies 06* house through Rahu-Jupiter.

07* lord is Mars. Mars is posited in 12* house along with 04* and 05* lord Saturn. Both Saturn and Mars are signifying 11* house through Sun. But Sun is in 10* house. Besides, Mars and Saturn are under the aspect of 06* lord Jupiter. Hence it is felt that the couple will separate and will go in for legal separation due to the connection of Jupiter.

What About Second Marriage?

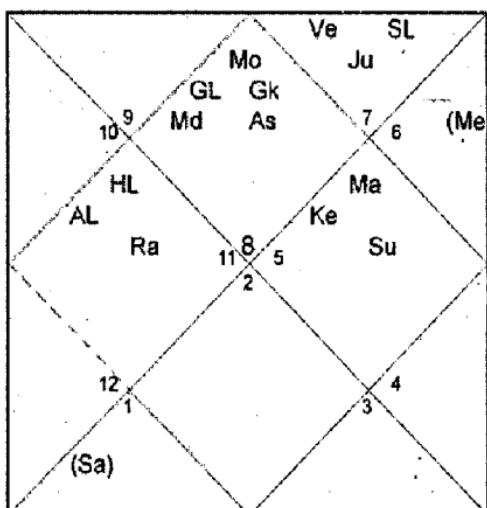

The following **chart no. 49** belongs to a female, who was married, but unfortunately divorced.

For second marriage take 09* house along with 07* and 11* houses. 09* house is the bhatru (younger) of 07* house, signifying second spouse. Mercury and dual houses signify duality of events. If these houses are somehow linked, then one could boldly declare that there will be second marriage for the native.

07* lord Venus is posited in 12* house and is aspected by Saturn from 06* house. Saturn is in Krithika star ruled by Sun and Sun is in 10* house. 06* and 10* houses negate 07 and 11* houses which stand for marriage and longtime relationship. Hence the first marriage failed.

The parents, as usual, are anxious and worried. Question was raised as to whether this girl, who is now 40 years old, could marry again.

For second marriage, take 09* house. If there is link between 07, 09 and 11, second marriage could be predicted.

07* bhava falls in Rohini star ruled by Moon, while the 09* bhava falls in Pushya star ruled by Saturn. Both Saturn and Moon are linked since Moon is in Anurada star ruled by Saturn. But Saturn is occupant of 06* house and is in the star of Sun, who occupies and holding lordship of 10* house. Hence Moon will give result of 06* house.

09* lord Moon aspects 07* house, but is not linked to 07* lord Venus. Mere aspect should take care of 2nd marriage. Unfortunately, Moon is signifying 06* house and aspects 07* house from lagna.

Mars is the lord of 06* house and is posited in a barren sign in Ketu star Makha in 10* house. Mars aspects 09* lord Venus.

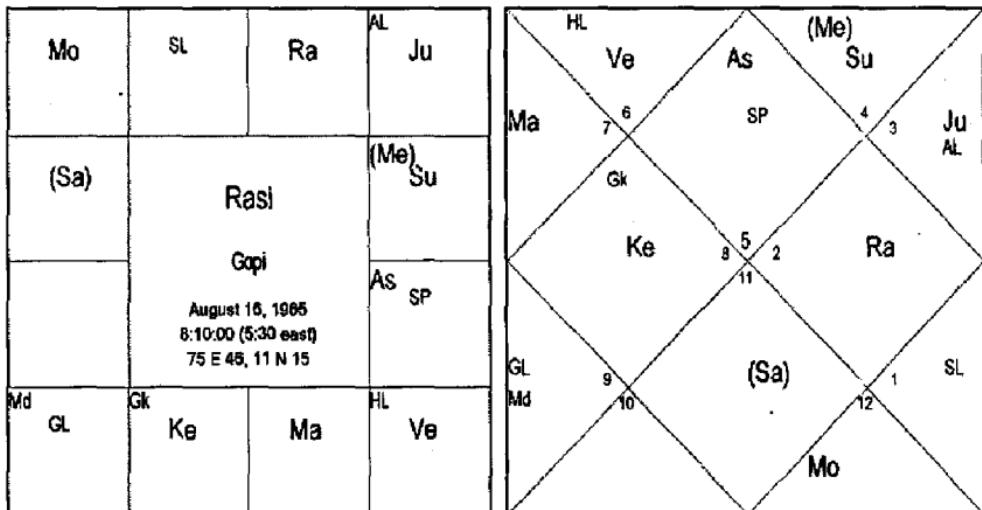

All these combinations do not augment for a second marriage for the native.

Hence it was concluded and declared that there shall not be second marriage for this native.

Moon, the index of the mind of one, signifies 06 and 01 in this case, the houses negate marriage. Hence native also shall say no to a second marriage.

Dual Marriage

Since wife of the native, whose **chart no. 50** is given below, passed away, he preferred to marry for a second time. The native was born on 16 Aug 1965 at 8-10 a.m. near Calicut, Kerala.

Lagna falls in Leo at 26 deg 44 min. 07* Bhava therefrom shall be in Aquarius in Purva Bhadrapada star, ruled by Jupiter. If Jupiter or the 07* lord defines 07, 09, 11 then second marriage could be predicted. Take 02, dual signs, Mercury and Mercury's stars for addition of a member and duality.

Jupiter is lord of 05, 08 and is posited in 11* house, in the star of Mars, who signifies 03, 04, 09. Hence Jupiter will give result of 05, 08, 11, 03, 04, and 09. Saturn is posited in Jupiter star Purva Bhadra, being lord of 07* house. Saturn is aspecting 09* house. Hence Saturn, Mars and Jupiter are linked. Hence 2nd marriage is promised. Native shall marry again in Venus-Saturn-Ketu period. Venus signifies 2nd house and a dual house. Venus is the chief Governor of marriage. Saturn signifies 07* house and is under aspect of Jupiter. Ketu is aspected by Saturn and is in Mercury star Jyeshta (duality). Ketu also will signify Mars (09* lord).

Unconventional Marriages

Second Hand Spouse

The title looks little sarcastic by saying second hand spouse. There are some occasions when a person is married to an already married person. In such cases one could address that person as a second hand spouse (either husband or wife).

The astrological combinations found for marrying an already married person is that Saturn, Mars and Mercury, who are connected to 7th house. Saturn is the planet who signifies old, second hand item, etc.

When Rahu is involved in that connection the person shall be from other caste.

Let us see few examples and visualize if these combinations are really working well in these charts: **Chart No. 51**

For marriages, consider houses 2, 7 and 11. In the chart, Saturn is lord of 07 is posited in Ketu star, Makha, in Leo. Ketu conjoined with Venus in Libra, will give result of Mercury first. Ketu is aspected by Saturn and hence Ketu will give result of 07* along with Mercury. Mars is posited in Saturn star, Anurada, in Scorpio. Hence Saturn, Mercury and Mars become significators of 02, 7*, 11* houses for the native to have the God's blessing to marry an already married person, whereas the native was not married at that time.

The marriage was solemnized on 02-May-1980 during Mer-Jup-Mer-Mer period.

Aspect of 07* lord Saturn on dasha lord Mercury has prompted Mercury to conduct marriage in its period. Bhukti lord Jupiter is in Ketu star, who will give Mercury and Saturn results.

05* lord Mars is in Satum star and hence signify 07* house, making it a love marriage. Rahu signifies Mars and hence Rahu is connected to 7* house. The married parties i.e., girl and the boy were from different castes.

The planetary positions on the date of marriage at 12-20 pm were as follow:

There are cases reported when the Wife older is than him or the husband is quite older than the average age difference the society practiced in a particular era while solemnizing marriage between a couple.

These types of alignments could be called unconventional marriages where the age of wife is more than that of her husband or the wife is too younger than the husband.

Princess of Wales
Lady Diana Spencer

Duchess of Cornwall
Camilla Parker Bowles

First Wife Too Younger

It is said that when Moon, Venus and Mercury signifies one's 07th house, his first wife shall be too younger.

Lady Diana Spencer was 12 years and 07 months younger than Prince Charles.

07th house, which signify first wife, falls in Capricorn in Moon Shravana. Moon signifies Ketu and is in Aries. Ketu in turn signifies Venus and Mercury.

Second Wife Older Than Him

When the pertinent house i.e., (for 1st wife take 07th house and for second wife, take 09th house) is connected to Sun, Saturn and Mars, the wife shall be older than him.

Duchess Camilla, the second wife of Prince Charles, was born on 17 July 1947 and thus becomes 08 months elder than Prince Charles.

In this chart Ketu, being a Node, will give the result of Mercury, Sun, Moon, Saturn, Rahu and Venus. When Saturn, Sun and Mars signify 09th house, second wife shall be older than him.

09th bhava star lord is Saturn. 09th lord is Jupiter and in whose star Sun is posited. Venus, who is posited in Mars star Chitra, aspects 09th house. Hence 2nd wife of Prince Charles was older than him.

Already Married Person as Wife

09th bhava star lord Saturn is posited in Ketu star. Ketu signifies Mercury. Venus is posited in a dual sign in Mars star Chitra. Hence 09th bhava is connected to Saturn, Mercury and Mars which gave Prince Charles his second wife, who was already married at the time of his marriage to her.

Wives

President Harrison's 1st wife was Caroline Scott and second wife was Mary Dimmick.

Mary Dimmick (April 30, 1858 - January 5, 1948) was the second wife of President Harrison. She was 25 years younger than Harrison, and was the niece of his first wife.

On October 22, 1881, Mary had married Walter Dimmick, a son of the attorney-general of Pennsylvania. But Walter died three months after their marriage, leaving her a widow at age 23.

A niece of Caroline, she, in 1889 moved into the White House to serve as assistant to the First Lady. Sometime after Mrs. Harrison's death in 1892, the former president and Mrs. Dimmick fell in love and late in 1895 announced their engagement.

09th bhava falls in Saturn star Uthara Bhadra in Pisces and Saturn is the lord of 07* house. Saturn is posited in a dual sign, Virgo. Hence Saturn is connected to 07 (marriage) and 09 (second marriage). 07th lord Saturn aspects 09th house. Hence the second marriage took place for President Harrison.

The age difference between President Harrison and his second wife Mary Dimmick was 25 years, which is considered extra-ordinary age difference and unconventional.

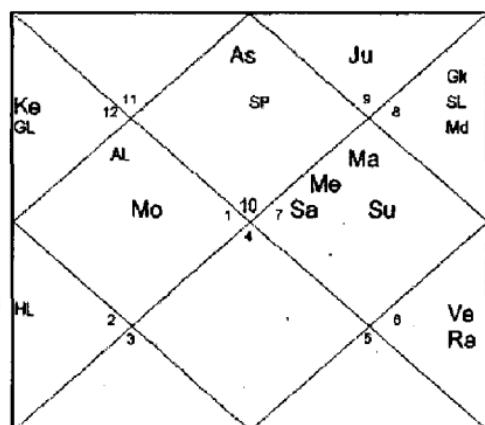

09th lord is Jupiter, who is placed in Venus star Bharani and signifies Venus. Jupiter is aspected by Moon. Mercury is posited in Ketu star Makha, while Ketu signifies Venus. Moon is in Rahu star and signify Rahu, who in turn signifies both Jupiter and Venus. Hence, Venus, Moon and Mercury, through Ketu drove Harrison to marry a too younger woman,

Sonia Gandhi met Rajiv Gandhi, who was enrolled in Trinity College at the University of Cambridge, in 1965 at a Greek restaurant.

05th house is considered for romance, while 07th for marriage. Other supporting houses for marriage are 02 and 11. When there is a link between 05 and 07th houses, love marriage shall take place, if the dasha and transit support. Rahu signifies other castes, while Saturn signifies lower caste.

In this chart, Cancer is rising and 07th lord shall be Saturn. Mercury is posited in Saturn star Anurada in 05th house. Hence Mercury shall offer the result of 05 (romance) and 07 (marriage). Rahu is posited in Taurus and is aspected by Mercury. Hence Rahu will offer result of Mercury i.e., wherever Mercury gives result. Since Mercury offers result of 05 and 07, Rahu also offers the same. Indeed Rahu signifies other caste, foreign, etc. for one to marry from outside community.

The couple was married in 28th Feb, 1968 in Jup-Ket-Sat-Ven period at New Delhi. Dasha lord Jupiter is the vivaha karaka. Bhukti lord Ketu is in 05th house and is conjoined with Mercury. Mercury signifies 05 (romance) and 07 (marriage). Hence Ketu also gives the same result. Antara lord Saturn is lord of 07th house (marriage). Sookshma lord Venus is lord of 11th house (long time relationship).

Hence the chart and the period ran did favour for romance and marriage from outside community.

05th house is considered for romance, while 07th for marriage. Other supporting houses for marriage are 02 and 11. When there is a link between 05 and 07th houses, love marriage shall take place, if the dasha and transit support.

In order to consider whether there was love marriage between parents, we need to rotate the chart to the respective houses and reckon link between 05 and 07 houses. Rahu signifies other castes, while Saturn signifies lower caste.

For the boy, Cancer is rising. Hence 04th house shall be Libra. Take this as lagna for mother.

07th house for father shall be Virgo. Mercury is the lord of 07th house. Planet posited in Mercury star, Jyeshta, is Moon. Moon is the lord of 05* house (romance). Hence there is love marriage for father awarded by Mercury and Moon. Rahu is in Taurus and is aspected by Moon. Hence Rahu will give result of Moon. Hence Rahu signifies 05th house (romance). So, Mercury, Moon and Rahu, put together gave love marriage for father with other caste girl.

In the case of Liz Taylor, who has been married eight times to seven husbands, Aquarius is rising in Mercury star Jyeshta, with Janma star has been Visakha in Libra sign.

07th house falls in Taurus, whose lord is Venus. There are no occupants in Taurus, nor any planet in Venus stars. But Rahu and Ketu will signify Venus.

Venus is posited in Pisces, 05th house, which shall be house of romance. Jupiter is occupant of 09th house and Saturn aspects it. Moon is the only planet who is in Jupiter star. Rahu in Pisces will give result of Venus, Jupiter and Saturn. So wherever Venus, Jupiter and Saturn give result, Rahu, as a catalyst, will just follow. So, Rahu will give 07, 09, 11, 03, 05, 07, 09 houses, which shall be marriage nos. 01, 02, 03, 05, 06, 07, 08. For the 04th marriage, Mars shall be responsible, who is also in Rahu star.

06th lord Mars is posited in Rahu star, Sathabisha, in Aquarius, while Rahu signifies 07th house through Venus. Hence, through Rahu, Mars will give result of 01, 07, and 06 houses, paving way for separation in marital life.

Burton was married five times, first to Sybil Williams from 1949 to 1963, with whom he had two children, actress Kate Burton and Jessica Burton. He was married twice, consecutively, to Elizabeth Taylor (15 March 1964 - 26 June 1974 and 10 October 1975 - 29 July 1976). The first marriage took place in Montreal. Their second marriage occurred sixteen months after their divorce, in the Chobe National Park, Botswana.

First Marriage

Saturn is placed in 07th house and is in the star of Jupiter, who signifies 09th house, enabling duality of marriages. But, Mars is posited in 07th house and is in the star of Rahu, who is in 4th house.

4th house being vyaya to 5th (romance), there may not be much love in marital life for the native.

Second Marriage

07th lord Venus is posited along with Jupiter in 09th house in Sagittarius, a dual sign. 11th lord Saturn is posited in 07th house. 1st lord Mars is posited in 07th house.

Third Marriage

11th lord Saturn is posited in 07th house paving way for 3rd marriage.

Fourth Marriage

Lagna lord Mars is in 07* house, giving way for 4th marriage.

Fifth Marriage

Third Lord Mercury is not connected to 07th house, but Venus, being lord of 07th house, aspects 3rd house.

Negation To Marriage

But 06th lord Mercury is in own star and is not linked to Saturn, Mars, or Venus for negating the marriage.

But Saturn (lord of 10th house) and Mars (lord of 01st house) are signifying 07th house. 06th bhava falls in Sun star in Virgo. Sun signifies 07th house through Saturn. Hence Sun signifies 06th and 07th houses and thereby causing rift and separation in marital life.

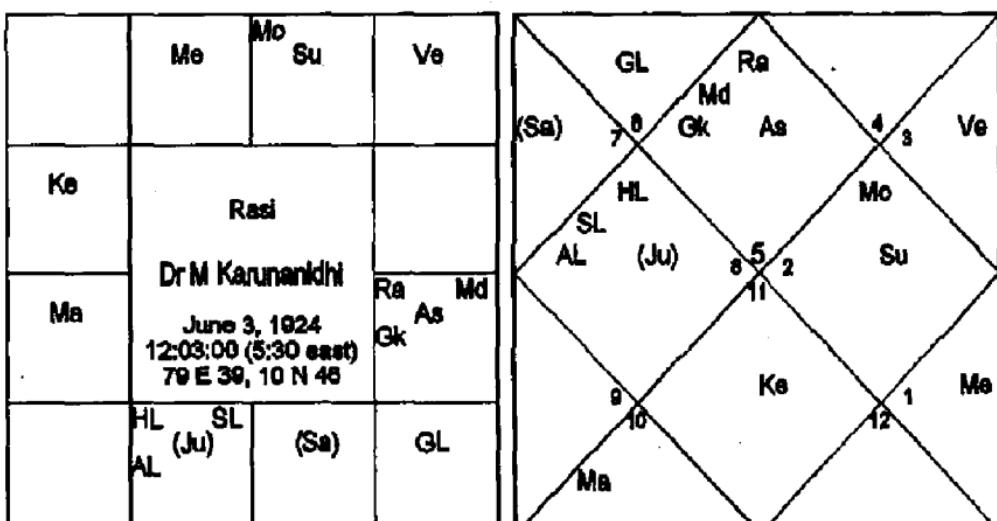

These combinations made Sir Burton to go through a situation of 'marry-divorce-marry'.

It appears that he got into love affair with his friend in Venus dasha, Moon Bhukti. This also is the period he got separated from his wife.

How does the natal chart fare with reference to marriage? 07* lord is Moon, who is posited in 11* house indicates very good marital harmony. But Moon is in star of Mercury. Mercury signifies 06 (negation to marriage) and 09 (second wife). Mercury is in turn

in the star of Moon. Rahu and Venus are occupants of 07* house. Venus is lord of 05 (romance) and 10 (negation to 11* house). Rahu signifies Venus, Mercury and Moon. Since 05* is appearing often, native shall be more of a romantic person.

Saturn, who flouts rules, signifies 09* house (second wife) also signifies 08* house through Sun. Jupiter is the lord of 12* house, is posited in 08* house and is in the star of Sun, who is in 09* house. Hence combinations are well formed for the native to ignore his first wife and go in for a second set up of marital life.

Let us take the horary chart for the time of judgement.

Now time is 3-53 pm at Hyderabad on 1st July 2010 (Thursday) and the horary chart is appended below:

Body	Longitude	Nakshatra	Pada
Lagna	05 Sc 30' 17	Anu	1
Sun - MK	15 Ge 35' 09	Ardr	3
Moon - PK	10 Aq 38' 49	Sata	2

Saturn - DK	04 Vi 45' 37	UPha	3
Rahu - PiK	18 Sg 06' 58	PSha	2
Ketu	18 Ge 06' 58	Ardr	4

Lagna is in Mars sign, Saturn star. Moon is in Saturn sign and Rahu star. Day is ruled by Jupiter. Hence ruling planets are Mars, Saturn, Rahu and Jupiter. Since Node, who is in Venus star, take Venus also.

In the prashna chart, lagna is rising in Anuradha star in Scorpio. 07* lord is Venus, who is posited in 09* house in Cancer in Aslesha star ruled by Mercury. 09* house when connected to 07 indicates second wife. Mercury signifies duality.

Mars is lord of 01, 06, is posited in 10* house in the star of Venus, who signifies 07, 12, 09. Hence the horary chart does not

promise of a compromise with the wife. Instead, the native may divorce his wife in Venus dasha, Mars Bhukti running up-to October 2010.

It is not men alone who go in search of a second relationship. Women get maximum bad name in this line. Wine and Women have been hand in hand from time immortal. Mostly women who make this kind of relationship as profession, is called prostitution.

Denial of Marriage

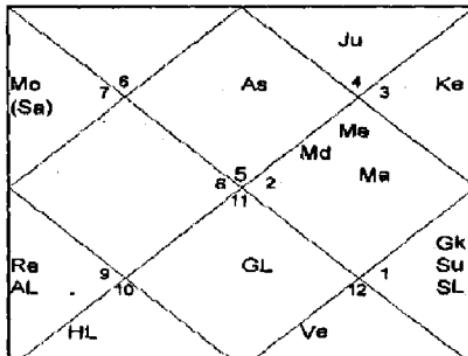

Most people do get married in their life time, however some do not. Astrology should be a perfect tool to diagnose as to why a person is not fortunate enough to marry.

For marriage, take 07* house as the real house of marriage with 02 and 11 as supporting house. 05* is celebration while 08* becomes 02nd to 07* house. Some Astrologers consider 05 and 08* house too. Jupiter and Venus are the planets who signify marriage.

When 02, 07, 11 houses are connected to its negating houses viz. 01, 06 and 10 along with 12* house (**loss**) and barren signs, marriage could be denied. Take barren signs for fixing the final nail on this aspect. Gemini, Leo and Virgo are considered barren signs. Take Saturn as delay master. Conjunction or aspect of between Saturn and Moon could cause delays, cancellation of proposals and even engagements.

Leo rising and 07* lord Saturn is posited in 3rd house and is in Visakha star ruled by Jupiter. Jupiter is lord of 06* house and is posited in 12* house in own star and hence marriage is denied. Jupiter being lord of 06 and 09, is posited in 12* house in own star caused the problem. Had Jupiter been in the star of Satum (Pushya), the chances of marriage should have been brighter in this case.

The conjunction of Saturn with Moon, causing punarphoo dosha, has also contributed to denial of marriage in this case.

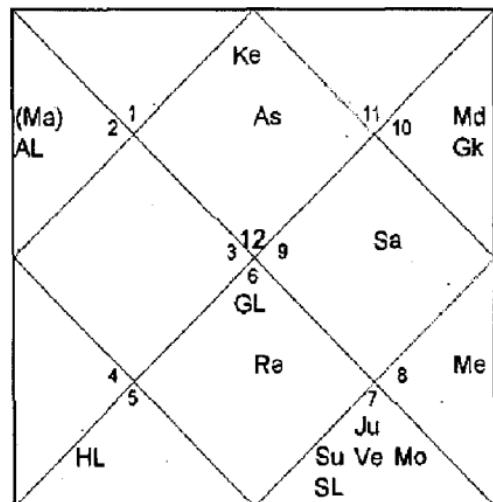

The person was born in Jupiter dasha with balance of 06 years and 06 months. Thus, he will run Saturn VMD upto 25 years and 06 months. Thereafter, Mercury dasha shall run upto 42 years and 06 months. The significations of Jupiter and Satum are discussed here-above. Mercury is lord of 02, 11 and is posited in 10* house. Out of these houses, Mercury will give more result of 10* house, which is negating 11* house.

07* bhava falls at 26 deg. 20 min. in Aquarius, which corresponds with Purva Bhadra star ruled by Jupiter. Jupiter is in own star in 12* house and is aspected by delay master Saturn.

Another native was born on 11-Nov-1958 at 23-59 hours IST, New Delhi, India, is yet to be married. (**Chart no. 74**).

In this case lagna falls at 27 deg. 17 min. in Pisces. 07* house shall be in Virgo, a barren sign. Lord of Virgo is Mercury, who is posited in Saturn star Anuradha in Scorpio. Saturn is the delay master. Saturn aspects 07* house. Mercury is aspected by Mars from Sun Star Kruthika. Mars will give result of 06* house. Sun is lord of 06* house, which negates marriage.

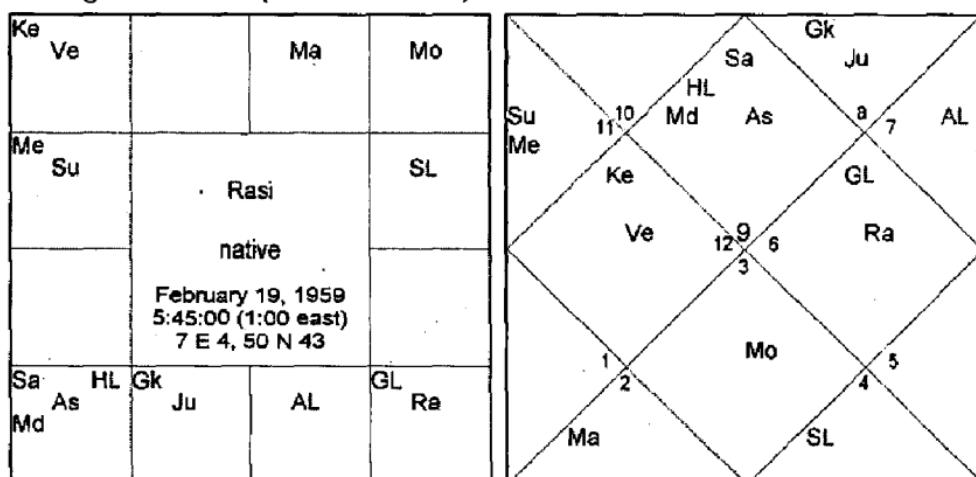

Rahu is occupant of 07* house and is in the star of Mars (06* house).

07th bhava falls at 27 deg. 17 min in Virgo, which is corresponding to Chitra star ruled by Mars. Mars signify 06* house through Sun, since posited in Krithika star.

VMD Dasha ran for the native are: Jupiter upto 06 years and 11 months, Saturn upto 25 years and 11 months, Mercury upto 42 years and 11 months, Ketu upto 49 years and 11 months.

As per the social and traditional custom followed now-a-days, marriageable age could be during Saturn dasha (in this case). Saturn is posited in 10* house and aspects 07* house. Saturn gets the aspect of Mars (06* house signifier). Next dasha is that of Mercury, who is again getting the aspect of Mars. All these combinations led the native not to marry in her life.

The chart illustrated below is that of a native who was born on 19 Feb 1959 at 05-45 hrs. in Bonn-Lengsdorf, Germany, who is yet to get married.(chart no. 75):

Lagna is at 21 deg. 38 min. in Sagittarius, and the corresponding 07* bhava falls in Gemini at the same longitude in Jupiter star Punarvasu. Gemini is a barren sign. Jupiter is in 12* house in Saturn star Anuradha. Saturn, the delay master, aspects 07* house as well as Moon.

Venus is the lord of 06* house, which normally deny marriage, is posited in Jupiter star Purva Bhadra. Hence Venus denies marriage. Jupiter gets the aspect of Mars from 06* house. Hence 07* bhava star lord Jupiter becomes weak to offer marriage.

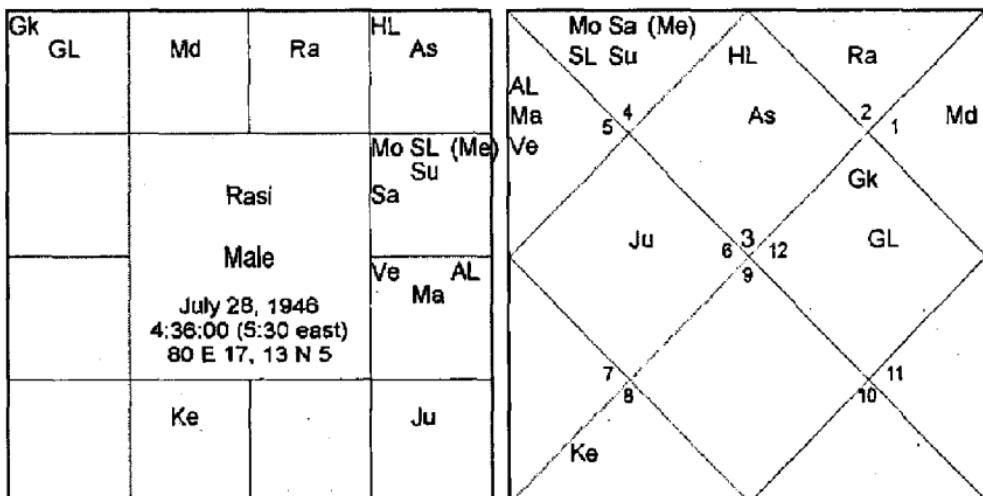

07* lord is Mercury, who is in 3rd house in Rahu star, Satabhisha. Rahu is in 10* house in Moon star Hastha in Virgo and signifies 07* house through Moon and Mercury. Hence Mercury and Rahu should be favouring for marriage.

But Moon is occupant of 07* house, being lord of 08* house. Mars is posited in Rohini star in 06* house. Hence Mars signifies 06 and 07 to deny marriage.

Upto the 41st year of the native, the VMD ran were that of Rahu, Jupiter and Saturn. Marriageable age should have been in Jupiter and Saturn periods, but they did not favour for a marital alliance. Of course, marriage could take place in Mercury period also which ran from 41st year to 58 years, since Mercury being lord of 07* house. Mercury is aspected by Saturn, and is conjoined with Sun. Sun signifies 06* house through Mars.

Unfortunately, all these combinations created no marital bliss for the native.

In this case, lagna falls in Jupiter star, Punarvasu, in Gemini. 07* lord is Jupiter. There are no occupants of 07* house. There are no planets posited in the stars of Jupiter. Hence Jupiter alone becomes signifier of 07* house. Jupiter is posited in Virgo in the star of Mars. Mars is lord of 06* house. Saturn, the delay master, is aspecting 07* lord Jupiter. Moon is conjoined with Saturn in Cancer.

07* bhava falls in Venus star Purva Ashada. Venus is in own star, belong lord of 05, 12 and posited in 03rd house. Venus is

conjoined with Mars, who is lord of 06* house, besides aspecting 06* house.

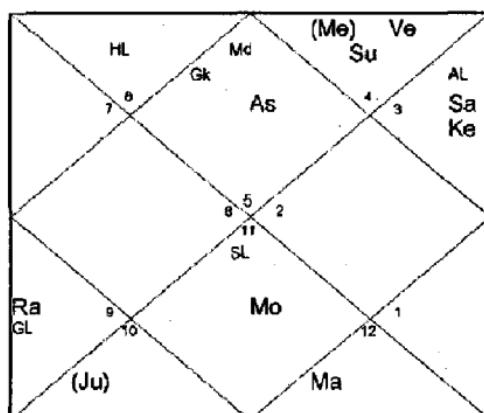

Both Jupiter and Venus are posited in barren signs, viz. Virgo and Leo respectively.

Native was born in Saturn VMD with balance of approx. 18 years. Then on, upto 35 years, the native will have Mercury dasha. Thereafter, Ketu dasha ran for next 07 years and Venus for next 20 years, i.e., upto 62 years. Mercury is lord of 01 and 04 and is posited in 2nd house in own star. Mercury is the lord of 06* bhava in Scorpio, being at 22 deg. 57 min. in Jyeshta star. Ketu signifies 06* house, Mercury and Mars. The significations of Venus are already discussed. Hence the combinations illustrated above, did not favour for a marital life.

In this case, Leo is rising in the eastern horizon at 05 deg. 40 min. in Makha star ruled by Ketu. Saturn is lord of 07* house, who is posited in 11* house, but in a barren sign.

Moon is occupant of 07* house and in whose star, Sharvana, Jupiter is posited in 06* house. Hence Jupiter will give result of 06 and 07, besides lord of 05 and 08. Jupiter gets aspect of Sun, Mercury and Venus from 12* house. Occupant Moon is lord of 12* house, and is posited in the star of Rahu. Rahu is in 5* house and gets aspect of Saturn, being lord of 07* house. This combination should be favourable, but in this chart, the bliss of marital life was spoiled by Jupiter, who was aspected by Sun and Mercury from Saturn star, who is the delay master.

The native was born with balance VMD of Rahu 08 years and 05 months. Subsequent VMD shall be of Jupiter upto 24 years, Saturn upto 43 years and Mercury upto 60 years.

Dasha lord Saturn signifies 07* house. But Saturn is in a barren sign and is aspected by Mars, who is signifies 04, 08, 09, 11, 12, 03 houses through self and Mercury. Besides, Saturn is lord of 06* house.

All these combinations did not permit native to have the marital bliss.

Rachel Carson, was an American marine biologist and author of "The Sea Around Us," 1951, and "Silent Spring," 1962, as well as two other popular books about ocean life.

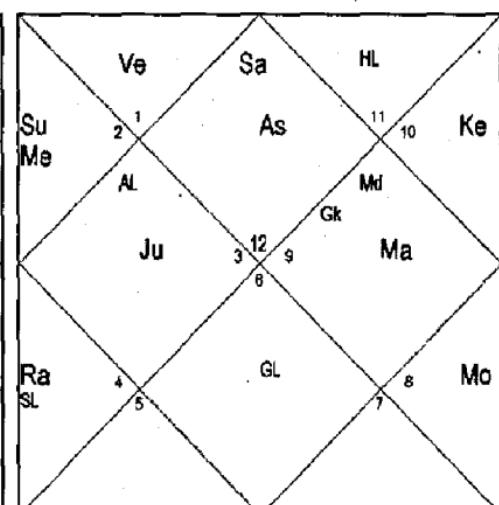

In addition, Carson, through her writing, made science accessible, beautiful and exciting to the common person.

Carson warned the public about the dangers to waterfowl of DDT, and that introducing DDT into the North American ecosystem could "upset the whole delicate balance of nature." Carson's prophecies about the dangers of pesticides had come true. She was a spinster.

Saturn is in own star and aspects both 07* house as well as its lord Mercury from 1st house. Moon is posited in Saturn star and aspects 07* lord Mercury.

Mercury is lord of 07* house, but is aspected by Saturn and Moon, besides conjoined with 06* lord Sun. Ketu is in 11* house, but signifies Sun and Saturn. Venus signifies 03, 08, 02 and is in the star of Ketu who signifies 11* house.

Hence Sun, Saturn and Moon put together brought about the denial aspect in marital life for the native.

In this chart of native born in 1944, lagna falls in Sun star Uthara in Virgo. Corresponding 07* bhava falls in Pisces in Jupiter star. Jupiter is in 11* house and aspects 07* should automatically give the native a marital life.

Jupiter is conjoined with Rahu, who is in Saturn star. Hence Rahu will give the result of both Saturn and Jupiter viz. 06 and 07 houses. The star lord of Rahu is Saturn, who is in a barren sign. Besides, 06* lord Saturn aspects 07* house through its 10* aspect.

Saturn is posited in Mars star Mrigashira star ruled by Mars. 06* bhava falls in 01 deg. 05 min. in Aquarius, which shall correspond with Dhanishta star ruled by Mars. Mars is posited in a barren sign in Jupiter star, who is lord of 07* house. Hence Mars gives the result of 06* bhava and 07* house.

All these combinations led the native to not getting married.

Native was born in Sun dasha and marriageable age shall be during Mars / Rahu main periods or even than of Jupiter. Jupiter should be strong to give marriage, but Mars and Rahu are not favourable. It could be concluded that although Jupiter was strong to give marriage, because of Rahu's significations and Saturn's aspect on 07* house, the marriage did not materialize.

Children or Progeny

The main concept of marriage and marital life is for "vamsha vardhana" or for continuance and prosperity of one's generation. Hence it is essential and most important that Astrologer should check the aspect of progeny.

Children born to a couple could be either male alone or female alone or both genders. In some cases twin children could also be born. Delay and denial of children are the main aspect for Astrologer to verify.

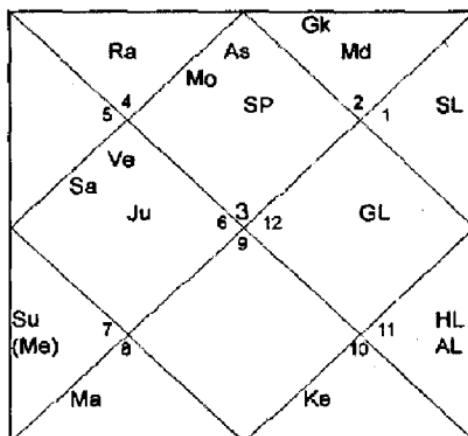

If the progeny is not promising, the marriage matching should not be done with that chart, and the native may be asked to adopt a child. In some cases people do go in for the sperm-donor system.

If 5* lord or house is heavily afflicted, then there will be problems in having progeny.

For child birth, one could take 02, 05 and 11* houses. 02 house stands for addition of a member, while 05* is child birth. 11* house stands for fulfillment of desires, besides it is 5th house of spouse.

Let us see if chart Mo. 80, which is appended below, promises child birth or not:

Child birth took place in Jupiter-Mercury-Mars period. 5* house is well fortified although lord of 5*, Venus, is posited in 04* house. Planets posited in 5* house are Mercury and Sun. Venus and Jupiter are posited in Sun star, while Rahu and Mars are posited in Mercury star. Hence Jupiter dasha, Mercury bhukti and Mars antara, child birth took place.

The baby was born on 16 Dec 2005 at 1-30 pm with Asc. rising in dasha lord Jupiter sign (Pisces) in Revati star ruled by Mercury. Moon was in Gemini ruled by Bhukti lord Mercury (with Moon) in Arudra star ruled by Rahu. In the chart of the mother of the child, Rahu is posited in Bhukti lord Mercury star, Aslesha. Transit Jupiter was in Swati star in Libra, which corresponds to mother's 5* house.

Dasha lord Jupiter, who is also putra karaka is posited in 04* house, but is in Utharasada star ruled by Sun. Sun is lord and occupant of 11 and is strongly disposed for 11* house matters. Sun is aspecting 05* house. Hence child birth is promised. But 05* lord being Saturn, the child was born on a Saturday with Saturn as signifier of lagna (in Leo) of the child.

Twins

If you ask God Almighty for one child, God blesses you with two children at a time, which is called twins.

Kalyan Verma's Saravalli vide Chapter 8 stanzas cited below states that:—

Stanza – 16: Twin Birth. If the Sun and Jupiter be in Gemini, or Sagittarius in aspect to Mercury, birth of two male children be predicted. Two female children will be born, if Venus, Mars and the Moon be in Pisces, or Virgo in aspect (of) Mercury.

Stanza – 21-22: One Male Child and one female child to be born, should Lagna and Moon be in even Rasis and be aspected by a strong planet, then there are twins in the womb (one male child and one female child). Similar results follow, if the Moon and Venus are in even Rasis, or common Signs and be strong.

This particular rule mentioned under stanza 16 for female twins, the same is tested and found to be correct. If Asc lord, Mars and 3rd lord are conjoined and connected with a twin (dual) sign, twin birth could be predicted.

Case no. 82: Please see the horoscope chart of mother of the very above twins.

As per Kalyana Verma's Saravalli Chapter 8, stanza 16 if Venus, Mars, Moon in aspect of Mercury and when they are placed in Pisces (a female sign) twin girls will be borne.

Here in this case, Moon is not conjoined with other planets, but is placed in Mercury's house, a dual house and is in the star of Jupiter, dual house ruler. 5* lord is Venus (lord of progeny) and hence twin girls were borne to the native. Hence mother's chart indicates twin girl daughters, while daughters' chart should definitely indicate twin birth.

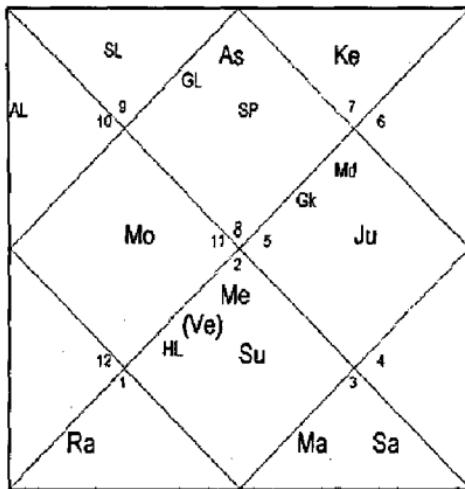

There are many rules and planetary combinations, which could cause twin births. Some of them have not been dealt here.

One combination is that the Asc lord (being Mars - signifier for co-borns) is placed in any of Mercury stars such as Aslesha, Jyesta or Revathi, with the 3rd lord signifies a double-bodied house and connected to Mercury will cause dual birth.

Chart no. 83: Kusuma (elder of the twin girls) born June 09, 2004 at 05-37 pm at Hyderabad, India, while the younger (of the twin girls) was born at 5-40 pm.

Here you will see that the Asc lord Mars (self and younger co-borns) and 3rd lord Saturn (younger co-borns) are placed in Gemini, a twin sign. Besides, there are no planets in any of the stars owned by Mercury, in order to signify duality. But both Saturn and Mars are Mercury sign. The question of duality connected with Asc and 3rd lord are satisfied, and this indicates that natives are born as twins.

The Asc lord Moon is placed in Venus star Purva Phalguni and hence signifies Venus. Venus is posited in Mars (co-borns) star Chitra in a dual sign, Virgo. 3rd lord Mercury is placed in Jupiter (lord of two double-bodied houses) star Visakha. Ketu who is conjoined Mercury is again placed in Mars star Chitta. Asc lord Moon is placed with Jupiter (lord of twin houses). Lagna falls in Saturn star Pushya, whereas Saturn is posited in Pisces, a dual sign and is in mutual aspects with.

These combinations ensured that the native is born as twin.

Here in this case just see that Sagittarius is rising and the lord Jupiter is placed in Chitra star owned by Mars, who is the natural

karaka for co-borns. The third lord (signifying co-borns) Saturn is placed in a dual sign Virgo, owned by Mercury. Besides, Saturn is also placed in Chitra Star. Mercury, a planet of duality is placed in Jupiter star Visakha, signifying duplication for Asc (self).

3rd lord Saturn is in a dual bodied house and is in Mars star Chitra. Mars is the natural karaka for younger co-borns, whereas Jupiter being lord of lagna signifies self, is also is in Mars star Chitra.

These combinations are sufficient enough to reckon that the native is born as twins.

Now let us see the **chart no. 87** of the father, President George W Bush, to verify for any indication for twin children.

5* house should signify the first child and 7* house (being 3rd from 5*) should signify the 2nd child. Mars is the natural karaka for co-borns.

The 5* lord Mars is placed in Venus star Purva, whereas Venus is conjoined with Mercury, a planet of duality. Mercury is also conjoined 7* lord Saturn in Asc. Ketu who is placed in 5* house should signify 5* lord Mars. Ketu is placed in Mercury star Jyeshta again signifying duality. Hence twins were born.

The readers could infer from the examples and analysis explained above for twin births, the rules prescribed in Saravalli do hold good, but other combinations will also have to be looked into.

Delay in Birth of Children

There are many combinations for delay in child birth.

Saturn or Saturn with Ketu connection and when they are connected to putra sthana i.e., 5th house or 5th lord along with barren signs cause delay in birth of children could be predicted.

Please see the chart no.88 above, born on 2nd May 1979 at 00-30 hours, Hyderabad.

The native has lost foetus while in the 5th month of pregnancy. Eventually the native was blessed with twin females on 09th June 2004. The VMD period of birth of children is Sat-Sun-Mon period.

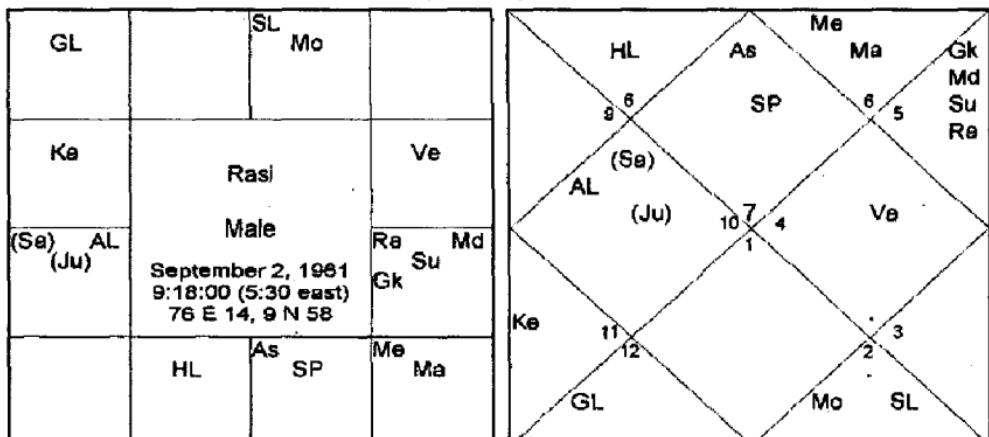

Take houses 5 (progeny), 02 (addition of a member) and 11 (fulfillment of desire as well as 05th from spouse) for child birth.

Dasha lord Saturn and Bhukti lord Sun are posited in Venus star who is lord of 5th house (progeny). Antara lord Moon is significant of 07th house and is posited in putra karaka Jupiter star. Moon also gets aspect of 11th lord Mars from a fruitful sign. 07th house becomes the 2nd issue for a native.

The reasons for loss of progeny while in the womb are because of the connection of Mars, a maraca and lord of 4* with 5* lord Venus. 4* lord should negate 5* lord by conjunction. Putrakaraka Jupiter is aspecting both Venus and Mars. This ensures progeny. If so, why the baby was dead in mother's womb itself? Jupiter is placed in Saturn star Pushya and hence Jupiter there becomes an agent of Saturn only. Hence Saturn is connected to Putra or progeny indirectly. Both Saturn and Sun are posited in 5* lord Venus star Pubba and Bharani respectively. No other planet is posited in Venus star. Moon is placed on Jupiter Star and signifies Putrakaraka Jupiter. Hence birth of child took place during Sat-Sun-Mon period.

Once we look at the transit chart at the time of child birth, we may find that Venus, being lord of 5* was placed in 5* house, while Jupiter was in Venus star Pubba (Purva). Saturn was aspecting transit Jupiter and natal Venus. Rahu was transiting in Venus star pubba and in natal chart, Rahu was conjoined Saturn. In the natal chart Moon was in Jupiter star Punarvasu and while in transit chart, Moon was in Purva Bhadra, another Jupiter star.

Let us analyse how child birth took place in the following **chart no. 89**, who was born on 02 Sept 1961 at 9-18 am Cochin, India, with balance Moon dasha upto Sept 1965.

For progeny, take 02 (addition of a member), 05 (child birth) and 11 (fulfillment of desires and 05* house to spouse). 01, 04 and 10 are the negating houses to 02, 05 and 11. 12* house stands for loss in general.

Lord of 05* is Saturn, who is in 04* house, which negates child birth. But Saturn is conjoined with Putrakaraka Jupiter. Venus in Saturn star and is in Cancer, a fruitful sign. Venus signifies 01, 08, 10, 04 and 05. Although Venus signifies 01 and 04* houses, 05* house is good. Sun aspects 05* house while Ketu is posited in 05* house in Mars star, Dhanishta. Ketu is the natural aborter.

Rahu-Moon-Sat period in May 1988 saw an abortion by wife. But eventually, the native was blessed with a son during Jup-Jup-Jup.

Rahu is posited in Makha star ruled by Ketu, who is an aborter. During the period of abortion transit Saturn was posited in Ketu star Moola.

When the child birth took place, transit Jupiter was in Rahu star in Gemini and was aspecting the natal 05* house of native (Aquarius). Saturn had made the first return to Capricorn, in the native's life.

Absence of Progeny

Couples do get married. Marriages are said to have been decided in heaven. But some people are denied progeny. Using Astrology as a tool, one could really foresee if progeny is promised.

Barren sign is a sign of the Zodiac that, according to ancient astrological tradition, is not likely to possess strong powers of procreation, i.e. they are "barren." The signs most associated with infertility are Gemini, Leo, and Virgo, who are called barren signs. In addition, Aries, Sagittarius, and Aquarius are also believed to quite often have problems in matters of reproduction and are therefore considered semi-barren.

While 2, 5 and 11 which are the houses who contributes for progeny, the negating houses such as 1,4,10 will negate the issue of progeny. 12* house may be taken as house of loss in general. Barren signs and Eunuchs will play their role. Saturn, Mercury, Rahu and Ketu are Eunuchs. 8* house is treated as house of delays and impediments.

Let us examine few examples where the natives were not blessed with children:—

In the **chart no. 90** mentioned below of male nativity, born on 22 July 1970 at 7-00 am at Hyderabad, the native is 39 years old as of 2009 and is not blessed with children. The native is born with Jupiter VMD upto Aug-1985.

5* house, which falls in Scorpio, is vacant. There is no Ketu (abortioner) connection with 5* house. 5* lord Mars is in Saturn star while Saturn is in Aries. Saturn is in Sun star and Sun is again in Saturn star (Pushya). Jupiter is Putrakaraka is in Mars star in 4* house (negation to 5th). The signification of Mars is already discussed. Here Sun, Mars along with Saturn do not contribute towards progeny.

From Moon sign (Aquarius), Gemini becomes 5* house, (a barren sign) and its lord Mercury is conjoined with Mars and Sun who are in Saturn star, besides Mercury is placed in own star.

Dasha ran from 15* year to 34 year was of Saturn, who is lord of 07 and 08 and is posited in 10* house in the star of Sun who signifies 1 and 2. Saturn gets aspect of Jupiter from 4* house, who is in Mars star Chitra, which is negating 5* house (progeny).

Now, let us examine the following charts belonging to a couple:

Let us take the horoscope of the wife first. Taurus is rising with balance Moon VMD runs upto Aug 1972. Moon, Sun and Mercury are in 5* house. Sun is lord of 4 and all these planets are posited in barren sign, Virgo. Mercury being lord of 5* is exalted, but is in the star of Mars. Mars is also posited in a barren sign, Gemini.

From the age of 17 to 35 the native ran the period of Rahu and thereafter upto 51 years Jupiter. The period of real youth was in Rahu Mahadasha.

VMD lord Rahu signifies 05* house through Moon and Saturn, but Saturn is in Moon star and Rahu is in Moon house. Hence Moon who holds the trump card is in own star in a barren sign, Virgo, denied children in Rahu VMD.

Next VMD is of Jupiter, who signifies 08, 10 and 11, who is again posited in Rahu star.

Hence as discussed above about Rahu significations, native was not blessed with progeny.

5* lord is in 5* house, who is conjoined with Sun, Mercury and Venus. Saturn, Sun and Mercury are in Rahu star, Satabisha. They will give result of Rahu. Venus is in Mars star Dhanishta. Rahu is in Mars star in 8* house. Mars is Sun star in a barren sign and aspects all planets posited in 5* house. Putrakaraka Jupiter is in a semi-barren house. These combinations do not contribute for child birth.

The analysis should go in the following way:—

- 5* house is occupied by Saturn who is placed in Ketu star Moola in Sagittarius in a semi barren sign. Ketu is a naturally an abortive planet while Ketu is in a semi barren house in own star.
- 5* lord is Jupiter, who is placed in Rahu star and is conjoined with Rahu, who is in own star. Hence Rahu along with Jupiter will give mostly the result of Venus, since being in Libra.
- Venus is lord of 3 and 10 (negation to 11) and is posited in 6* house. Venus will give result of 6 more than 3 and 10. 6* is negation to 7* house (2nd child). Venus is in Moon star in 7* house. But Moon is in Mars star and Mars signifies 6* house. Again Moon is negating 2nd issue through Mars.
- 7* lord Saturn, who could contribute 2nd child is already in Ketu star. Ketu is in Aries, a semi-barren sign.

In the circumstances, eventually the native was not blessed with any children.

In this chart, the husband was declared as impotent with a very low sperm count, which prompted the couple to seek assistance from a sperm bank for birth of children.

What could be the reason for husband not to have sperm count to have his own children?

05* house stands for child birth. In order to evaluate the progeny issue of spouse, the chart should be rotated to 07th house and take it as lagna.

Cancer shall be the 07* house, and counting there-from Scorpio becomes the 05* house for spouse. 05* bhava falls at 10 deg. 24 min. which corresponds to Anuradha star ruled by Saturn. From 07* house, Saturn becomes lord of 07 and 08, posited in 02nd house in the star of Venus, who signifies 04, 11 and 09. Saturn, a eunuch, is posited in a barren sign, Leo. Saturn also signifies 04* house which negates 05* house. Venus is posited in Mercury star, who is also a eunuch. These factors contributed for no child birth or very low sperm count for the husband.

Death of Spouse

While matching is done, the Astrologer is required to check if the widowhood or widower-hood is present in the chart.

Death is seen from Bhadaka, Maraka, and Mokashakaraka planets during their periods. Her husband died on **20th Dec 2001** during Rahu-Venus-Sun-Mars period.

Spouse should be seen from 7* house. 7* Cusp falls in Mars sign in Aries. Bhadaka for Aries is Saturn and sign is Aquarius. Maraka for Aries is 2nd and 7* lords, which in this case is Venus. Mars is in Venus star and will give result of Venus. Sun is in Rahu star and will signify Rahu. Besides Sun and Mercury are in Badhaka house. Hence the period of Rahu-Venus-Sun-Mars really tantamount for the significations connected for death of husband.

The chart indicates longevity of husband as middle longevity or Madhya aayu. Asc lord when signifies Bhadaka, Maraka and 6,8,12, longevity upto 33 years only. Jupiter is 12* Bhava lord. From 7* house, 6* is Virgo, 8* in Scorpio and 12* is Pisces being Bhava Lords Mercury, Mars and Jupiter respectively. Jupiter is in Ketu star and signifies Ketu. Ketu is in Saturn star. Saturn, besides badhaka lord, is occupant of 2nd house (maraca).

6* Lord Mercury is in 11* house (Badhaka) and in Rahu star. Rahu signifies Saturn. Saturn is Bhadaka. Hence connection is established between Mercury (6*, 11*) and Saturn (badaka). 8* Bhava Lord is Mars, who is occupant of 1st house (i.e., 7* for husband). Saturn being Bhadaka is also occupant of 2nd house. Hence all the houses i.e., maraca, badhaka, Moksha, 6,8,12 are connected to each other.

Besides the above 7* lord Mars signifying Asc lord for husband is placed in between Venus on one side and Saturn & Moon in other side. This is Papakartari yoga. Though Venus is generally treated as a benefic planet, it is placed in Revati star ruled by Mercury, who is a strong signifier of 11* house (Badhaka). Besides, Venus is maraca (02, 07) lord. Saturn and Moon are occupant of 2nd house (maraca) and they are in Sun star Kruthika. Sun is occupant of badhaka house (Aquarius).

Papa means malefic in nature and kartari means scissors, which effects malefic influence. Planetary position on the date of death of the husband is given below:

President Kennedy was shot dead on 22 Nov 1963 allegedly by Lee Harvey Oswald. The widowhood has happened in her 34* year.

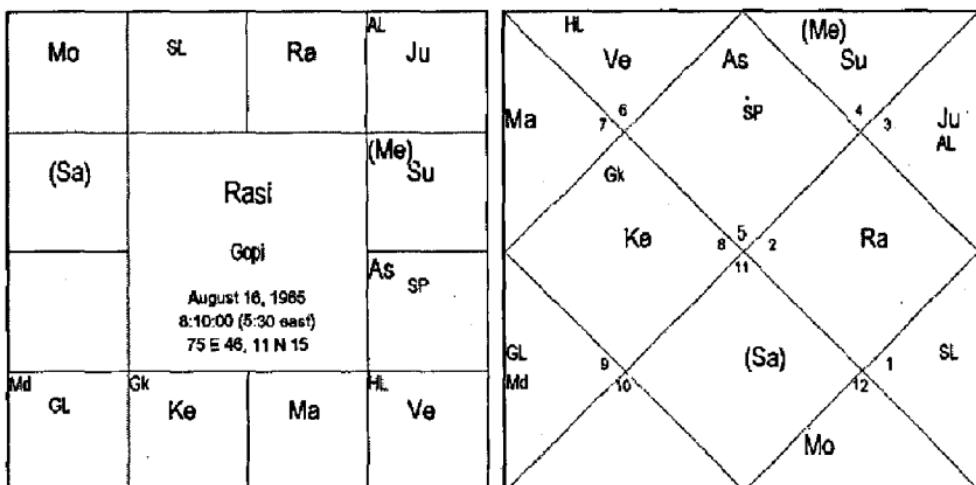

Libra rising and the 07th house falls in Taurus. Take Taurus as Lagna for her husband. Planets posited in Taurus are Jupiter and Venus. When lagna, 08* are weak and connected to Mars and 06* house, one could die in a battle or by weapon. Mars is posited in Venus star Purva in Leo and hence becomes signifiator of lagna and 06* house (body and injury). Venus is posited in Mars star Mrigashira. Hence Venus becomes signifiator of 04 (Vehicle), 12 (moskha), and 07 (maraca) houses. 08* lord is Jupiter and occupant of 08* house is Saturn. Saturn is in Ketu star, whereas Ketu is occupant of 06* house (injury). Saturn is the badhaka. Jupiter is in Moon star, while Moon is occupant of 12* house (moksha, loss in general, etc.). Jupiter is conjoined with Venus and aspects 07* house (maraca).

Hence it is felt that lagna, and 08* are connected to Mars, 06th house, marakca, moksha and badhka houses, which is detrimental for longevity and could contribute to violent death.

The death of President Kennedy took place during Jacqueline's VMD period of Moon-Jup-Saturn. Dasha lord Moon (04, 06, 12) signifies vehicle, injury and moksha. Bhukti Jupiter (01, 08, 11, 04, 12) signifies self, longevity, vehicle, moksha, etc. Antara lord Saturn (10, 11, 08, 06) signifies badhaka, longevity, injury, duty, etc.

Kennedy was killed in Dealey Plaza at Elm's Street, Dallas City in Texas State on 23 Nov 1963 by assassin's bullet while traveling in Presidential Limousine.

In the next chart no.97 illustrated below, the wife of the native (born on 16 Aug 1965 at 8-10 a.m. near Calicut, Kerala, 75 E 46, 11 N 15) died in Nov 2008 due to dreaded disease, cancer.

Leo is rising in the chart. For spouse, the chart may be rotated to 07° house which falls in Aquarius. For Aquarius lagna lord Saturn is posited in lagna itself and is in the star of Jupiter, who is in 05° house. This should contribute to some good longevity. But the chart should be analysed deeply. 06° house falls in Cancer, whose lord is Moon. Moon is posited in Saturn star, Utharabhadra. This indicates that 06th lord Moon becomes a strong signifier of 1st

house (body). Hence there is a link established between 1st house (body) and 06* house (roga). Saturn, Moon and Rahu shall contribute to cancer. Rahu is posited in Rohini star ruled by Moon. Being a Node, Rahu will give result of Venus, Moon and Mars (in this chart) wherever they are offering results.

The spouse died in November 2008 during the native's VMD period of Venus-Jupiter-Moon. Venus is badhka for Aquarius and is posited in 08* house—longevity. 08* house also makes the illness serious in nature. Venus also signifies 06* house through Sun-disease. Bhukti lord Jupiter is in 05* house, which should negate the illness. But Jupiter is lord of 02 (**marakca**) and is posited in Mars star Mrigashira (Mars is in Badhaka house). Jupiter will make illness to swell. Antara lord Moon signifies self, 02 (**marakca**) and 06* (illness). Hence the period did not favour further recovery from illness and the spouse died.

Sanyasa Yogam or Ascetic

Marriage is for a life together till end of this life, sharing and caring each other. But if you find that the boy who married your daughter has lost interest in marital life on one fine morning, and he declares that he will take up sanyasin; what will you do?

This sort of situation brings about disappointments in marital life of couple and also for the persons connected with the family.

Hence it is extremely important to see in advance (when the marriage matching is done) to ensure that the chart is free from Ascetic yoga.

Astrologically, one combination is that if the lord of the Ascendant is deposited in the star of the planet, which is strongly connected with 3, 10, 12 houses and connected with Saturn / Ketu", then one will be an ascetic.

Aurobindo had been engaged in yogic discipline for years, but disturbances to his progress following the events surrounding the Congress had put him in the need of consulting a yogi. After attending the Surat session of the Indian National Congress in 1907, Aurobindo met Vishnu Bhaskar Lele, a yogi, in Baroda. This meeting led him to retire for three days in seclusion where, following Lele's instruction, Aurobindo had his first major experience, called nirvana - a state of complete mental silence free of any thought or mental activity.

10* house is connected to 05, 08, 12, 09, Jupiter, Saturn and Ketu, one should be inclined into religion and spirituality. 06* house signifies daily attendance, service, etc. Moon is the significator of mind along with Lagna and 04* house. 03rd house signifies mental inclination. Under these combinations, Saturn's connection with Moon is important.

Aurobindo Ghose

If the lord of the Asc is posited in the star of a planet, which is strongly connected with 3, 10, 12 houses along with Saturn/Kethu", then one will be an ascetic.

Asc is falling in spiritual, Ketu star Makha in Leo. 10* lord is Venus, who is in Ketu star in Leo. Ketu is in 4* house, the house of mind. 03rd house, signifies mental inclination, is ruled by Venus, who is in Ketu star.

Rahu, the materialistic shadowy planet, is posited in 10* house, Taurus. Rahu signifies both Moon and Venus. Both Moon are Venus are in Ketu star. Jupiter and 9* house signifies religion. 12* house stands for spirituality and meditation.

The initiation into spiritualism took place in Moon dasha-Saturn Bukuti.

Sri Ramakrishna Paramahansa—Chart no.99—(Feb 18, 1836 — Aug 16, 1886), born Gadadhar Chattopadhyay, was a famous mystic of 19th-century India.

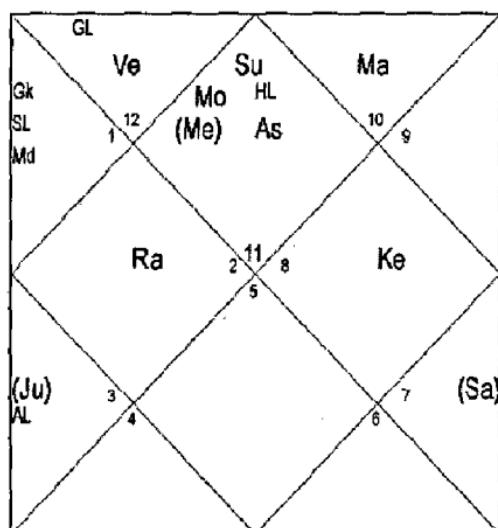

He became a priest of the Dakshineswar Kali Temple, dedicated to the goddess Kali, which had the influence of the main strands of Bengali bhakti tradition. His first spiritual teacher was an ascetic woman skilled in tantra and Vaishnava *bhakti*. Later an Advaita Vedantin ascetic taught him non-dual meditation, and according to Ramakrishna, he experienced nirvikalpa samadhi under his guidance. Though conventionally uneducated, he attracted the attention of the middle class and numerous Bengali intellectuals.

In this case, the lord of Asc. is Saturn. Whereas, planets posited in lagna are Sun, Moon and Mercury. Sun signifies 01, 07, and 04.

Moon (in Purva Bhadra star) signifies 06, 01, and 11, 02, 05 through Jupiter. Mercury is lord of 05 and 08 and posited in lagna in the star of Rahu, who signifies 04* house. Saturn is posited in Rahu star in 09* house and is exalted. These planets do not strongly get connected to 3, 10 and 12* house along with Saturn and Ketu.

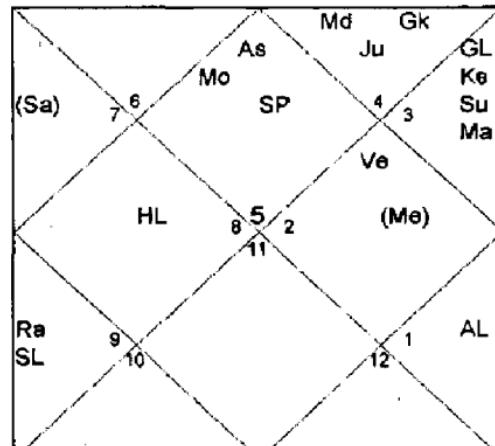

But Mars is lord of 10 and 03 is posited in 12* house. Ketu is posited in Scorpio will follow Mars to give result of houses viz. 03, 10 and 12. Mars is in Shravana star ruled by Moon, who is occupant of lagna. Hence Mars gives result of 01, 06, 03, 10, 12 along with Ketu. Saturn is lord of lagna.

10* lord Mars is in 12* house while 10* is occupied by Ketu, who is in Jupiter star. Jupiter more strongly signifies 05* house. Moon, being lord of 06* is posited in 01st house and signifies 05* through Jupiter. These combinations do not entail very much for one to take a job and earn a livelihood.

Paramhans was married at the age of 32 years, most probably, at the threshold of Mercury dasha. Mercury is lord of 05 and 08 and aspects 07* house. However, Mercury is in Rahu star and Rahu, is an occupant of 04* house. Moon is in lagna (being lord of 06) and aspects 07* house, makes the marriage not very much smooth and viable.

Venus is lord of 03 and 10, posited in Moon star, who signifies 12* house. Moon is in Ketu star. Saturn is occupant of 3rd house.

On May 3, 1982, Malti Shetty was initiated as a sannyasin into the Saraswati order, taking vows of poverty, celibacy and obedience, during Sun dasha, Rahu Bhukti and Moon antara. Sun is posited in Rahu star Arudra. Rahu is in Moola and Moon is in Makha; both are ruled by Ketu. Rahu in 5* house is under the aspect of spiritual Saturn, which indicates worship. Sun signifies Rahu. Moon is lord of 12 and is in Ketu star. Saturn is posited in 8* lord and religious Jupiter star, Visakha. Lord of 07 (marriage) Saturn is in 3rd house in Jupiter star, while Jupiter is in 12* house (loss), being lord of 06, which is a strong combination for negating marriage.

Wealth or Dhana Yoga

There are various dhana yogas which are attributed by our ancients. Conjoining of lords of quadrants and trines should make the native wealthy during its dasha / antara / bhukti. Some sensitive points such as Indulagna, house of fortuna, etc. are being discussed by the ancients.

If House of fortuna falls in trines such as 01, 05, 09 or quadrants such as 01, 04, 07, 10, they are good. Another view is if House of Fortuna falls in a particular house, the significance of that house gets boosted up.

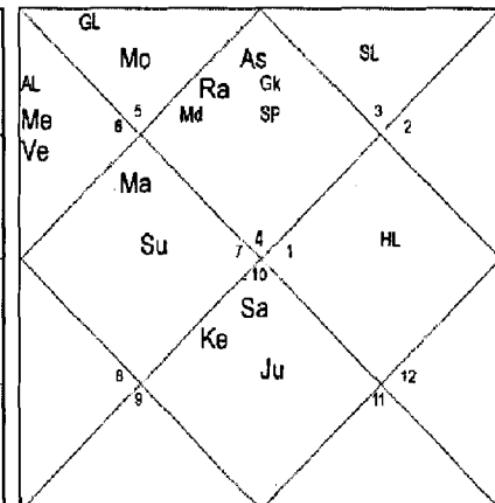

Other than trine-quadrant, foruna or Indu lagna, the following aspects may also be considered for wealth factors.

- a) 02nd lord is connected to 02, 06, 10 and 11.
- b) 10* lord is connected to 02, 06, 10 and 11.
- c) Well fortified 02nd house which is connected to 02nd or 10* or 11* house.
- d) Dhanakaraka Jupiter's connection to 2nd house.
- e) When lagna lord and 5th lord are in trine, it appears that native will have high position.
- f) 02nd or 11* house should not get connected to 08 or 12* houses.

Let us examine some natal charts: The chart given below (**chart No. 101**) is that of a person born in average circumstances.

The native is born in Cancer Asc. with Moon in Purva star ruled by Venus in Leo. He had education upto high school level only. He had struggled a lot in Industrial area and mastered a technical job.

He started to do business by setting up a small industrial unit in Rahu dasha, Saturn bhukti. After initial problems, the unit started functioning well. One could observe that dasha lord Rahu signifies Moon (02), Mercury (business, 10). Bhukti lord Saturn signifies 02, 07 houses.

Now the native is well positioned financially as well as business wise. For business take 07* house. If 10* house is connected to 07 and Mercury, then one will do business. If 02, 06, 10 and 11 are linked one will earn well during the dasha / bhukti / antara of signifiers of these houses.

In this case, planets who signify 02nd house are Sun, Moon, Rahu, Ketu, Jupiter and Saturn. This is a great advantage for wealth prospects.

As of 2010, he is running Jupiter dasha, Mercury Bhukti. Next dasha shall be of Saturn. Both dashas promise more wealth factors. The other important thing to be noted is the position of Moon in Venus star, who is lord of 11. Hence Moon signifies both 02 and 11 houses and neither Moon nor Venus are linked to 08* or 12* houses.

Stars ruled by Venus are Bharani, Purva and Purva Ashada. Moon is in Bharani. Mars is in Purva. No planet in Purva Ashada. Nodes are conjoined with Venus and Mars. Hence from Moon sign, signifiers of 2nd house are Moon, Venus, Mars, Rahu and Ketu. Jupiter aspects 2nd house. In a nutshell, 2nd lord from both lagna and Moon are posited in 11* house.

Dhanakaraka Jupiter is in 11* house in Sun star, who is lord of 11* house. Saturn is posited in 2nd house in Mercury (7 and business) star, Jyeshta. Dhana karaka Jupiter gets aspect of 2nd lord Mars, while Jupiter aspects Sun, Venus, Mercury, Moon and Ketu from 11* house. Further, Ketu signifies Mars, since posited in Aries. Mars is lord of 02nd house (dhana bhava). Hence all planets posited in Ketu stars will give result of 2nd house viz. Sun, Venus and Moon, in this case. Thus, the significators of 2nd house shall be Mars, Saturn, Sun, Venus, Moon and Ketu. Ketu is posited in Sun star, Krithika. Sun is lord of 11* house. Hence Jupiter, Sun, Venus, Moon and Ketu also signifies 11* house and Mars aspects 11* house.

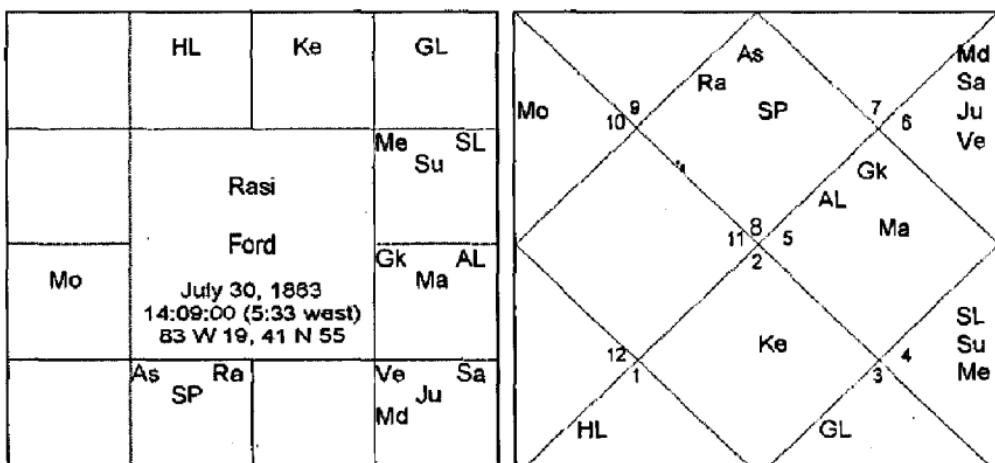

All these combinations made the native to be very rich right from the birth.

Let us assume the lagna is Cancer only, because there are atleast 2 charts in circulation as far as Mr. Gates is concerned.

Ketu is occupant of 11th in Mars star Mrigashira.	—11
Ketu is in the star of Mars, who is Lord of 10	— 10
Jupiter is in 2nd house in star of Ketu.	— 02, 06
Jupiter aspects 10th house.	— 10
7th lord Sat is in Jup star	— 07

From Microsoft's founding in 1975 until 2006, Gates had primary responsibility for the company's product strategy. He aggressively broadened the company's range of products. Ketu dasha started in 1975 and Venus dasha started in 1982.

The following may also be looked into:

- 1) Under above combination, Jupiter and Venus are connected to 2nd house.
- 2) Trine of planets such as Atmakraka and Putrakaraka (Saturn and Sun in this case).
- 3) Lagna and 10th house getting boosted up, etc.
- 4) Venus and Saturn are in trine in 11* house.

Bill Gates became rich during Ketu & Venus Maha dasa. Ketu is posited in 11* house (gains), which is Venus House, while Jupiter is posited in 2nd house in Leo in Makha star ruled by Ketu.

So Ketu does not spoil everything as believed generally by many students. Being Node, Ketu, gives good result, unlike many astrologers claim. So Ketu gave richness in fact through Jupiter and Venus.

Bill Gates

For high positions, one could take Aadhi Yoga, which constitutes when benefics in 6*, 7* & 8* from Moon are present in a chart. In this chart, Moon is in Pisces.

Counting therefrom, 06, 07 and 08* are posited by major planets conferring Chandra Aadhyi yoga for the native to reach high level.

For profession, take 10. For business take 7 and Mercury. If 7 and Mercury is connected to 10 and Mercury, one should do business.

For Bill Gates, 10th lord is Mars. Mars is conjoined with Mercury. Mercury is in Mars star, Chitra. So Mercury is linked to 10th house.

Dhana sthana or house of wealth is deciphered from 2nd house in a chart. Astrologers normally take 02, 06, 10 and 11 houses for wealth factors. Jupiter is the planet who signifies dhana or wealth.

In this case, lord of 2nd house is Sun, who rules Krithika, Uthara and Utharashada stars. Mercury is posited in Krithika.

Occupant of 02nd house is Mars, who rules Mrigashira, Chitra and Dhanishta stars. Moon and Rahu are posited in Chitra star in Libra and Virgo respectively. Ketu is posited in Mercury star Revati.

Hence the planets, who signify 02nd house are: Sun, Mercury, Mars, Moon, Rahu and Ketu.

From Moon sign, Mars becomes lord of 02nd house. Rahu and Moon are in Mars star. Ketu is aspected by Mars by its 08* aspect. Hence Moon, Mars, Rahu and Ketu do signify 02nd house from Moon sign viz. Libra. Jupiter aspects 02nd house from Moon sign.

It will be interesting to see that out of the above planets, who signify 02nd house, Sun and Mercury are posited in 11* house from lagna. From Moon sign, 2nd lord Mars is posited in 11* house.

11* lord Venus signifies 06* house, since being in Jupiter star. Saturn is posited in 11* house. 10* lord Mars is posited in 02nd house.

More importantly, the conjunction of Jupiter and Venus for Cancer Asc in lagna is considered a special high level status.

These combinations made Maharajah Krishnaraja Wodeyar to be extremely rich.

Charity or Spendthrift

One of the pillars of marital life is financial stability. Normally astrologers check the financial stability, but what about charity?

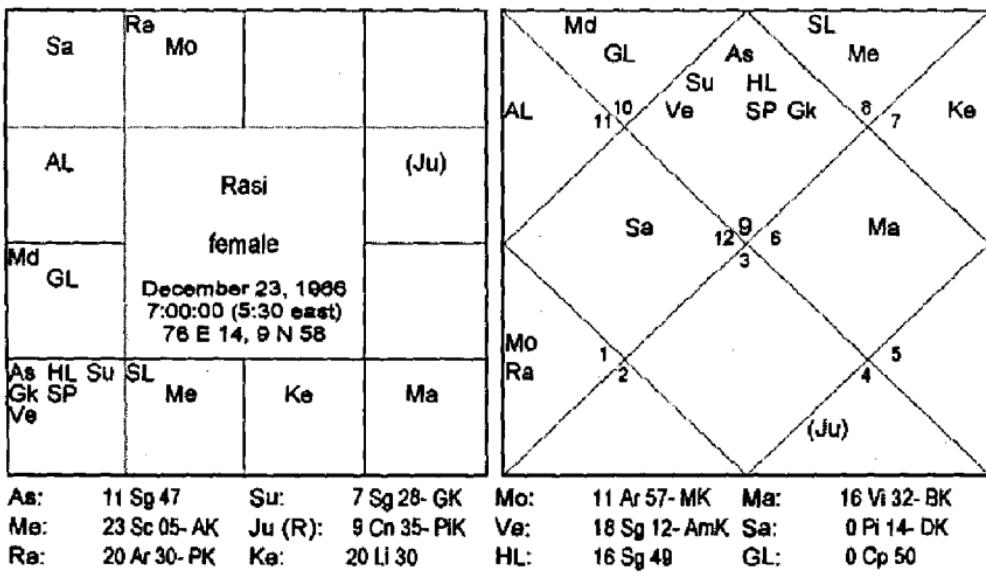

When one partner spends most of the money on charity and sell away the wealth, what the other will do? This case becomes very grave and chronic in nature, when you are blessed with your descendants.

Who are the real owners of your property? In my opinion, your legal heirs who own it practically and not you. So, preserve your wealth for them.

When the 11* house which stands for gains is somehow connected to 12* house (expenses), native is found to be having no control over spending. But if Jupiter and Moon are in trine (1,5,9) to each other, the over-spending is found to be curtailed.

Let us study some of the charts having planetary combination for over spending or charity:—

Standard nativity (female), born on 23 Dec 1966 at 7.00 am near Cochin. (Chart no. 109).

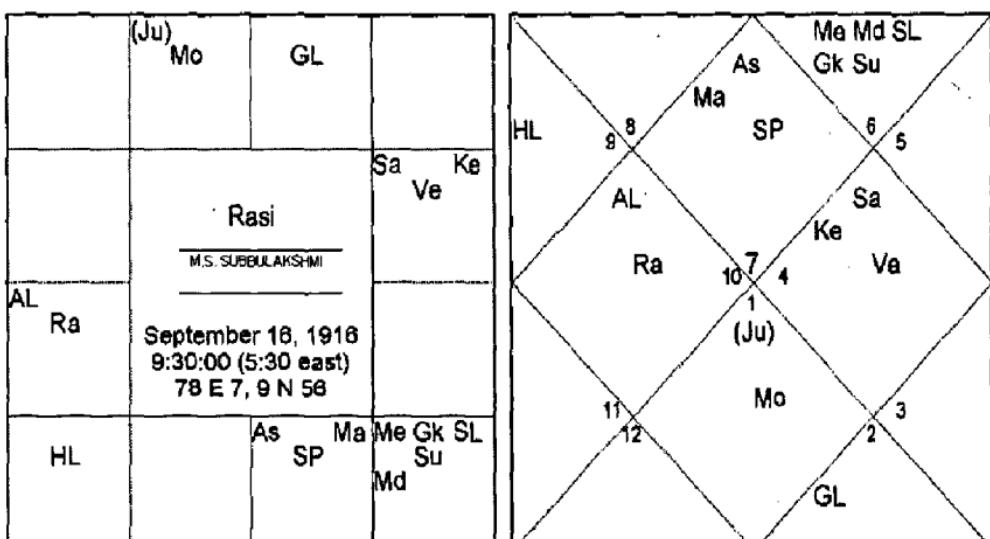

In the chart drawn above, readers may mark the aspect of 12th lord Mars on 11th lord Venus in Ascendant (Sagittarius) and 2nd lord Saturn. 11th lord is for gains while 12th lord is for expenses. 2nd house stands for finance.

While assuming the situation from Moon sign, 11th lord Saturn gets the aspect of 12th lord Jupiter. Besides, Saturn is imbued in 12th in Jupiter star. 2nd lord Venus is aspected by Saturn from 12th house. Although the person is not much into charity, the spending pattern is enormous, which could cause opposition from the spouse.

2nd house signifies wealth, while 12th house stands for expenses. From lagna, 02nd house is Capricorn, which is vacant. Its lord Saturn is in Jupiter star, while Jupiter is posited in 08th house. Saturn is also aspected by Mars, who is lord of 05 and 12. Mars is posited in Moon star, who signifies 08 and 05. 5 stands for gain of opposite party (07) while 08 stands for wealth of opposite party (2nd from 07th house).

In the chart (No. 110) drawn below belongs to Late M.S. Subbulakshmi, Bharat Ratna. The native was born on Sept 16, 1916 at 9:30 a.m. in Madurai, South India. Moon star lord is Bharani, ruled by Venus. Lagna falls in Rahu star Swati in Libra.

MS was bestowed with enormous prize money and awards, which she donated to charity. She has given more than 200 charity concerts, and raised well over Crores of Rupees, to be given away in charity.

09* house signifies charity and if it has got connection to 02, 11 and 12, one could give away money in charity.

11* lord is Sun, who is posited in own star, but in 12* house. There are no occupants in 11* house. Rahu is only in Sun star.

M.S. Subbulakshmi

Lord of 02 is Mars. There are no occupants in 02nd house. Mars is posited in Rahu star, while Rahu is in Sun star. Sun is in 12* house.

Mercury is the only planet posited in Mars star (Chitra).

Mercury is in 12* house, being lord of 09 and 12*. Hence Mercury signifies 02, 09 and 12. Sun (11* lord) and Mercury are conjoined in 12* house.

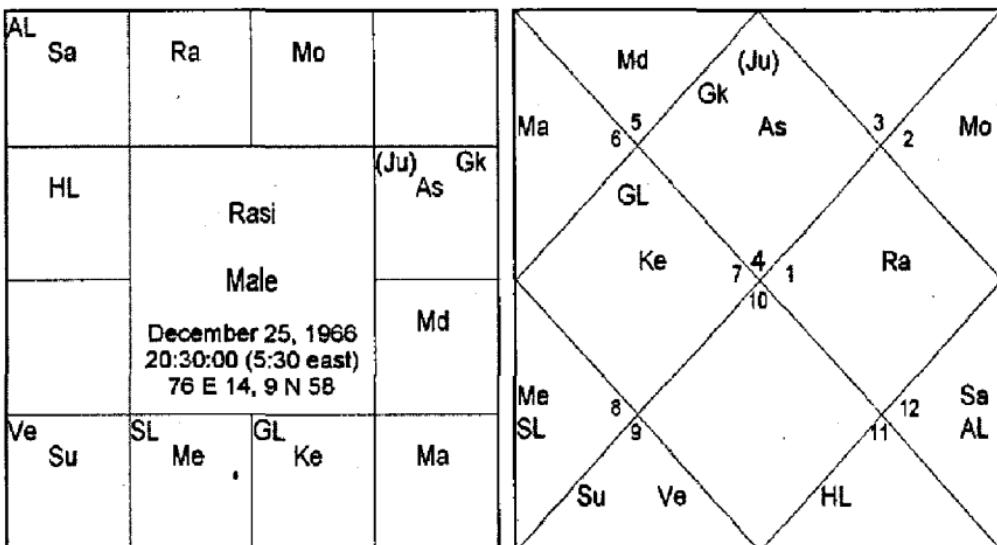

In any case when 11* lord is 12* house, one could give away money to others.

These combinations made the native to give away money earned in charity.

It is not sure whether this kind of act of charity has caused any rift in her life, but in normal circumstances, the bond of family could hamper its smoothness, since the money is required for one's upliftment in life.

In this chart, 12* house is vacant. Its lord is Mercury, who is posited in own star in 05* house. Moon is posited in 11* house and is aspected by Mercury, who is lord of 12* house. Hence there is a link established between 11* and 12* houses. Here Mercury's placement in own star is important, since it is very strong.

The person is found to be not at all careful about spending matters and is alleged to have wasted money, which has caused a lot of rift in marital life.

Astrologers are required to check these kinds of combinations in natal chart at the time of evaluating marital match, so that peace and tranquility is maintained in domestic life.

Profession

Professional matters are very important now-a-days. In olden times agriculture and trading were the main sources of income for some communities while some were very rich not worrying too much into professional matters.

Now-a-days necessity of job and higher income is increasing and people are looking for alliance for their children with better professional positions.

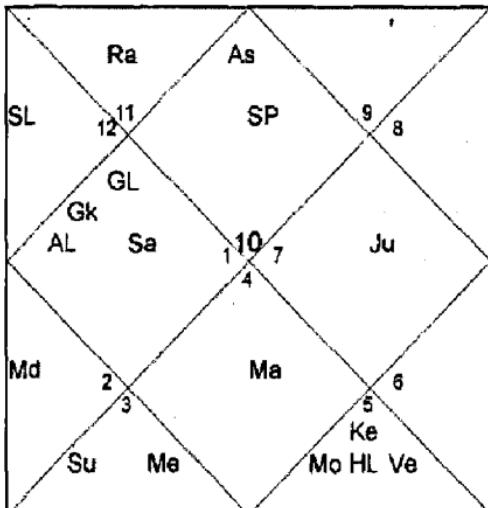

6* house signifies service while 10* house signifies profession. Jupiter is dhana-karaka. 2nd is the house of wealth. Jupiter and Mars connection will give high level job along with 10* house.

A well placed Jupiter and 2nd lord will give very good wealth when connected to 02, 06, 10, and 11* houses. Well placed 6* house and 10* house should make the person climb the stairs of the career-ladder. Placement of Jupiter in 6* or 10* house should also make person higher job. One will command power, if Mars is connected to 10* house.

Hence Jupiter signifies 03, 12, 04, 11, 07, and 10 (and aspects 02 and 06). Hence during VMD of Jupiter, native will prosper financially and get high positions in Professional front, but will have change of jobs, etc.

There are powerful planets like Sun, Mercury, Mars and Venus in 06, 07, 08 from lagna, conferring the native with lagna Aadhi yoga. This will also contribute the native to reach high level in life.

The career is seen from 10* house, which in this case, falls in Virgo. Its lord is Mercury. No planet is in Mercury star. Jupiter is the occupant of 10* house. No planet is in Jupiter stars. Occupant is stronger. Planets who are aspecting 10* house is only Mars from 04* house. Hence Mercury, Jupiter and Mars are significators of 10* house without being connected to 08* or 12* houses. (Of course, Mars is lord of 12* house).

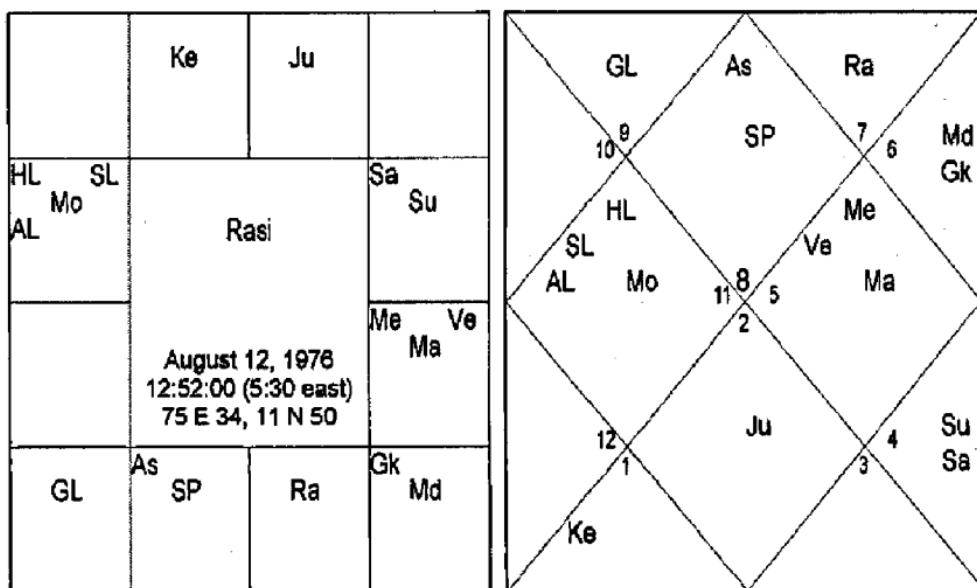

In the periods of Jupiter-Jupiter and Jupiter-Saturn, the native completed his graduation. He got regular promotions since Jupiter VMD. In Saturn VMD, he rose to senior level authority. Saturn is lord of 02 and 03 houses, but is posited in own star in 12* house. More than this, Saturn becomes yogakaraka for Taurus sign as well as lord of 10* house from Moon sign, has helped the native.

Since Mars is posited in Saturn star, Uthara Bhadra and Saturn is lord of 03rd house (subordinate), the joining of native at subordinate level was caused. The career growth was gradual due to Mars imbibing in Saturn's star, Uthara Bhadra. Saturn is slow, signals lower levels, struggles and hardwork.

Mars gave gradual power, authority and one's ability to command, while Jupiter gave sound judgement, administrative skills, wise decision taking capacity and expansion.

Other combination to be noted is the conjunction of Saturn and Venus. In the period of yogakaraka Saturn, the efficacy of this combination took its full form.

In the **chart no. 115** mentioned below, the native got elevated in professional front to the level of a Manager in a famous multi national Company.

From lagna, 10* house is posited by Mars, Mercury and Venus. 10* lord is Sun, in whose star, Jupiter is posited. From Moon sign, 10* house falls in Scorpio. There are no occupants of Scorpio, but Jupiter aspects. Mars is the lord, as well as aspecting. These are good combinations for elevation in career. But 10* house is posited

by 12* lord Venus and 08* lord Mercury. These combinations make situation difficult for him, and the native undergoes uneasy relationship from superiors as well as subordinates. During Mercury-Dasha, Ketu Bhukti (Ketu is aspected by Saturn), the native had to face some difficult times at office, and eventually had to put in his papers.

Venus signifies I.T. sector. Mercury and Mars are conjoined in 10* house signals a job related to analysis. Jupiter will signify finance. Native was employed in Finance Section in an I.T. Company and was involved in financial analytical work.

Unemployment

News of a promising career for the prospective son-in-law shall glitter the eyes of his father-in-law, there are cases when there is no job or career for the son-in-law, which could be disappointing news.

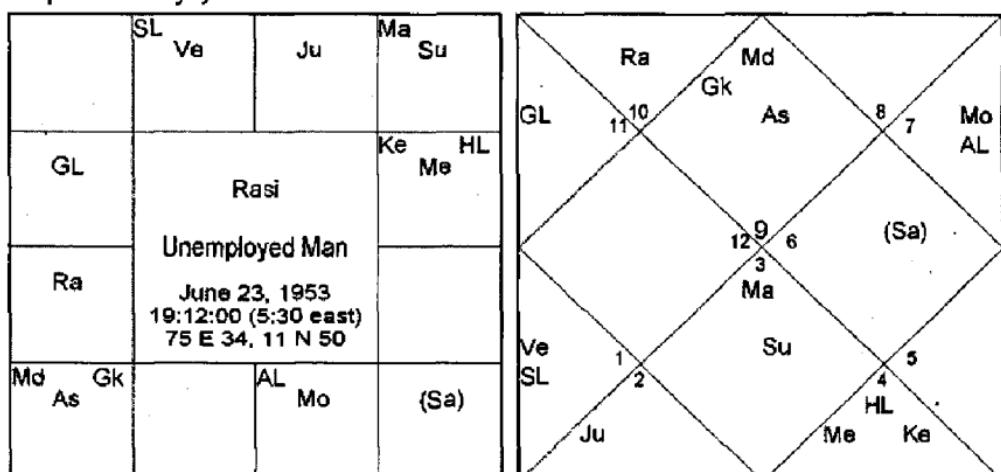

At the time of matching the horoscope of the girl and boy, do astrologers check as to whether the career of the boy is promising? Pragmatically, many do not check this point.

It is indeed quite necessary to evaluate as to whether one will have a good career or not for any astrologer at the time of marriage matching.

When 10* house is connected to 03, 08, 12, 05, 09 and Ketu, one may find very difficult to obtain a job for a livelihood. 03rd house stands for change of place and sub-ordinate position. 08* stands for disappointments, difficulties, humiliation, etc. 12* house is generally considered as loss in general. 05* house stands for negation to service (06). 09* is for negation to 10* (profession). In this chart, Sagittarius is rising at 13 deg. 37 min. in Moola star ruled by Ketu. 10* house falls in Virgo ruled by Mercury. Planets posited in Mercury stars (Aslesha, Jyeshta, Revati) are none. Mercury is posited in 08* house. Nodes connected to Mercury are Rahu and Ketu. Ketu is an aborting or exiting node. Rahu is posited in 2nd house in Moon star, who is lord of 08* house.

Saturn is posited in 10* house in Chitra star ruled by Mars. Planets posited in Saturn star (Pushya, Anurada, Uthara Bhadra) are Mercury and Ketu. Since Mercury is aspecting Rahu, it will give result of 10* house. Saturn's star lord Mars signifies 07, 05, 12 houses. Besides, Mars aspects 10* house. Mars is posited in Rahu star, while Rahu signifies Moon (08).

Although Mars's position on 07* house and aspecting 10* house is normally treated as good combination, because of the significations of Mars (05, 12, 08), it did not auger well. Ketu's connection with 10* house has to be viewed seriously, since it could hamper the continuance of one's career.

From Moon sign (Libra), 10* house falls in Cancer, which is inhabited by Mercury (09,12) and the exiting Node Ketu. Moon herself is the lord of 10* house. Moon is in Jupiter star Visakha, while Jupiter signifies 03, 06, 08.

In effect, these combinations did not go well with him for a career.

The person finally attempted to do some business in Mercury dasha, Saturn bhukti, but did not meet with success. Mercury (business) and Saturn are signifcators of 07 and 10 indicating business and profession.

Will I Get a Working Woman as My Wife?

In ancient times, women normally do not come out their house to seek out a livelihood. They manage their home and take care of the household chores. Now-a-days many women are well educated and they do seek an employment at the first instance.

Many boys prefer working woman as their life partner. An educated and employed woman brings increased standard of living in the society and controls the population.

But some women are still staying at home.

The chart shown hereunder belongs to a decently educated woman born and brought up in a major city in India. Unfortunately, she is a house-wife, although wishes to take up a job. She was born on Jan 29, 1960 at 00-30 hours, Hyderabad, India. (**Chart no. 117**).

Moon is posited in Capricorn. Counting there-from, 10* house shall be Libra. There are no occupants of 10* house. Venus is the lord of it, is posited in 12* house. Venus is posited in the star of Ketu, who makes one exit from its signification allocated.

Dasha running during the time of the native attaining the age of job shall be of Rahu. Rahu is posited in 12* house and signifies Mercury (04, 09, 10, 12), Saturn and Sun (11, 04, 10,). Saturn is lord of 04 and 05 in 3rd house, in the star of Venus, who signifies 01, 03, 08. Hence detrimental houses have come into picture during Rahu dasha.

Next dasha of Jupiter ran upto 2002. Jupiter is definitely lord of 06 (service), but is posited Moola star ruled by Ketu star. Hence Jupiter will give the result of Ketu, who is an exiting-type Node.

Next dasha is of Saturn. The significations of Saturn have been discussed. Although, Saturn is the yogakaraka for Libra, it cannot offer a good employment because of its significations viz, 03, 04, 05 Ve» 03, 08, 01. Hence the native remained jobless and contented her life as house-wife.

Lagna falls in Sagittarius. 10* house shall be in Virgo. Mars is occupant of 10* house, being lord of 05 (negation to 06—service) and 12* (loss) houses. Mars is in the star of Moon, who is lord of 08* (disappointment and difficulties) is posited in 05* house

(negation to 06). Occupant Mars gets the aspect of Saturn, who signifies detrimental houses like 03 and 08.

10* lord is Mercury, who is posited in 12* (loss) house and is in own star.

Moon sign is in Aries. Counting from Aries, 10* house falls in Capricorn. Its lord is Saturn, who is posited in 11* bhava and in 12* house in the star of Jupiter, who is lord of 08 and 12. Jupiter is posited in 03rd bhava in 04* house in Saturn star. Jupiter aspects Saturn. Mars is aspecting Saturn, being lord of 01 and 08 in 06* bhava.

Hence both from lagna and Moon sign, the 10* house has got negative connection like 05, 09, besides detrimental houses like 03, 08, 12 for one not to get a job.

The marriage took place in Sun-Sun period. Sun is lord of 09, occupant of 1st house (12* bhava) and is in the star of Ketu, who signifies 11* house. Sun ran upto 27* year.

Next dasha shall be of Moon, which runs from 27* to 37* year. Moon is occupant of 05* house, being lord of 08* house. Moon is in the star (Ashwini) of aborting or exiting node Ketu.

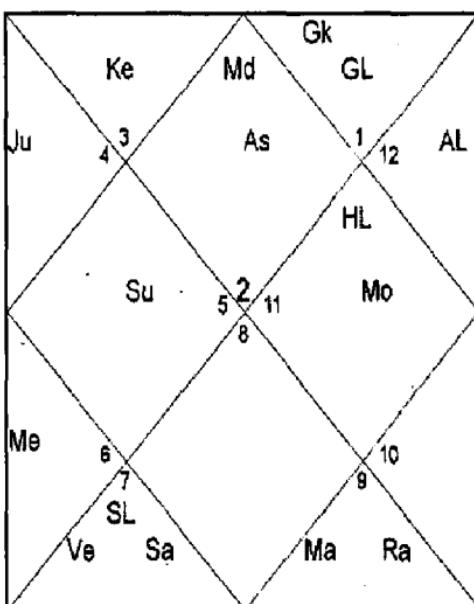

Next dasha shall be of Mars which runs from 37* year to 44* year. Mars is of course occupant of 10* bhava. But Mars signifies 05, 12, 08 and 12 and is under aspect of Saturn.

Next dasha shall be of Rahu for next 18 years, who is occupant of 05 (negation to 6—service).

Since the significations of planets connected to 10* house and the dasha ran do not favour for a job, the native stayed at home as housewife.

From lagna, which falls in Taurus, 10* lord is Saturn, who is positioned in 06* house. But Saturn is in the star of Rahu, who signifies 08, 11 and 03. 03rd lord Moon is occupant of 10* house and is in the star of Jupiter, who signifies 03, 08, 11. Moon gets the aspect of Sun who signifies 06* house through Venus.

Since 03 and 08 are connected, the job shall be at a lower level. 10* house is comparatively stronger due to connection of Saturn, Moon, Sun and 11* house.

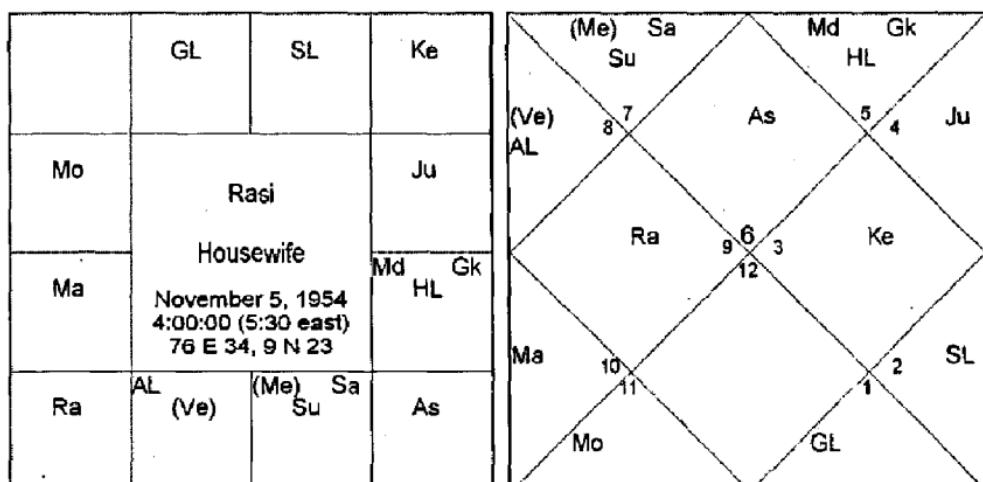

From Moon sign, Mars becomes lord of 10* house, who is posited in Venus star, who is in Rahu star. Of course, 09* house is connected through Venus. Rahu is occupant of 11* house along with Mars. Hence 10* is connected to 11* and not connected to Ketu. This has helped to get a job.

However, husband of this woman has no job for a long time. Counting from 07* house, which falls in Scorpio, 10* house shall be in Leo. Profession is seen from 10* house. It is occupied by its lord Sun. This should warrant a job for her husband. But it is not so. A little deeper study of the chart should reveal more stunning results viz:

- a) Sun, being 10* lord is in the star of Venus, who is lord and occupant of 12* house. Hence 10* house is linked to 12* house.
- b) Sun is aspected by Moon, who is lord of 09* house, which negates profession.
- c) Moon is posited in the star of Jupiter, who is lord of 05 (negation to service - 6* house) and Jupiter is posited in own star in 09* house. 09* house negation job (10* house).
- d) Lord of 06* house is Mars (Service). Mars aspects Ketu. Hence Ketu will give result of 08 (occupancy) and 06* (service). Ketu will be forcing one to exit from its significations.
- e) Mars, lord of 06* house - service, is further aspected by Saturn from 12* house. Saturn is lord of 03rd house.

All these combinations made her husband not to have a continuous job and she has been made to support the family.

In this chart, Virgo lagna rising and 10* house falls in Gemini ruled by Mercury. There are no planets posited in Mercury stars. Only Ketu signifies Mercury and 10* house. Occupant is stronger. Ketu is having the tendency for "show-nothing" since it is an exiting type Node. 10* lord Mercury is in 2nd house, which is normally treated as a good combination, considering the wealth factors generated by 2nd house. But Mercury is posited in the star Chitra

ruled by Mars. Mars is lord of 03 and 08 and is posited in 05* house.

Moon is in Aquarius. From Moon sign, 10* house is occupied by Venus, who is in Anurada star ruled by Saturn, Who is lord of 12, posited in 09* house. 10* and 03rd lord Mars is posited in 12* house and is in own star, being strong to negate job prospects.

Aries rising and 10* lord shall be Saturn. Saturn is in 2nd house and is under aspect of Jupiter from 08* house, who is lord of 09 and 12. Jupiter is in own star.

10* house is occupied by Mars and Rahu. Mars is lord of 01 and 08. Rahu will give the result of Mars (01, 08), Venus (02, 07), Sun (04, 05, 10, 11), Moon (03, 07, 08, 01, 10) and Saturn (03, 10, 11, 07).

Rahu is somewhat favourable, but Saturn did not really get the strength to offer a job for her. Since Mars aspects Ketu, Ketu will give the result of 10* house. Hence Jupiter, Mars and Ketu spoiled the 10* house by virtue of their significations.

Disease & Illness

There are several types of diseases, which are prevalent right from ancient times.

But in the modern society the common diseases are diabetes, heart disease and Cancer.

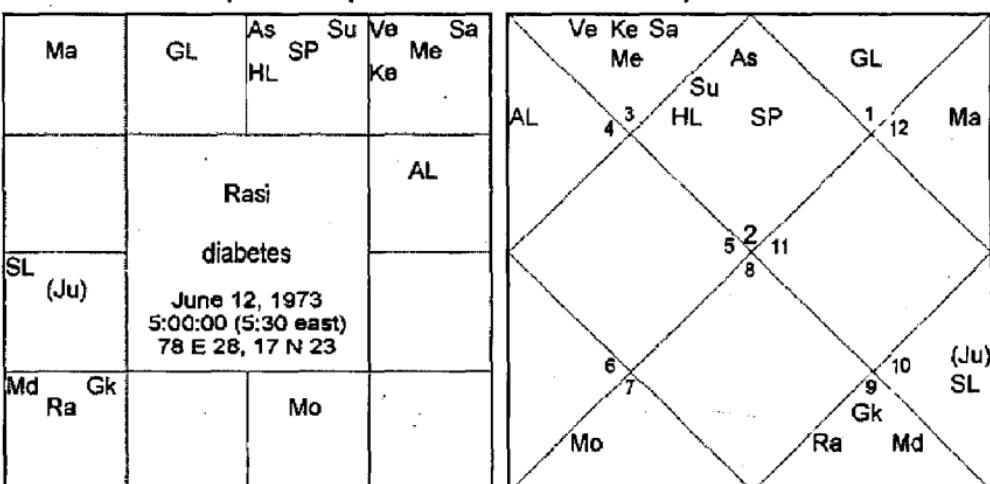

Illness or disease is prevalent only when lagna (body) and 06* house (disease) are connected. 08* house denotes gravity of disease or suddenness, while 12* signifies hospitalization. Saturn, Rahu and Jupiter are slow moving planets, who will inflict chronic nature of disease.

Diabetes

Diabetes mellitus is often simply referred to as **diabetes**, is a condition in which a person has a high blood sugar (glucose) level as a result of the body either not producing enough insulin, or because body cells do not properly respond to the insulin that is produced. Insulin is a hormone produced in the pancreas, which enables body cells to absorb glucose, to turn into energy. If the body cells do not absorb the glucose, the glucose accumulates in the blood (hyperglycemia), leading to various potential medical complications.

The **pancreas** is a gland organ in the digestive and endocrine system of vertebrates. It is both an endocrine gland producing several important hormones, including insulin, glucagon, and somatostatin, as well as an exocrine gland, secreting pancreatic juice containing digestive enzymes that pass to the small intestine. These enzymes help in the further breakdown of the carbohydrates, protein, and fat in the chyme.

Moon, Venus and Jupiter when connected with 6* lord, Saturn or Rahu and in some cases Mars, and any of these planets are connected to Asc. and a watery sign, then the native can be declared as a diabetic patient. (**Chart below No. 122**)

In this case, Asc. falls in the star of Moon in Rohini in Taurus, whereas Moon is occupant of 06* house. Hence there is a relation between Asc. and Moon. Lagna and 06* lord Venus is conjoined with Saturn.

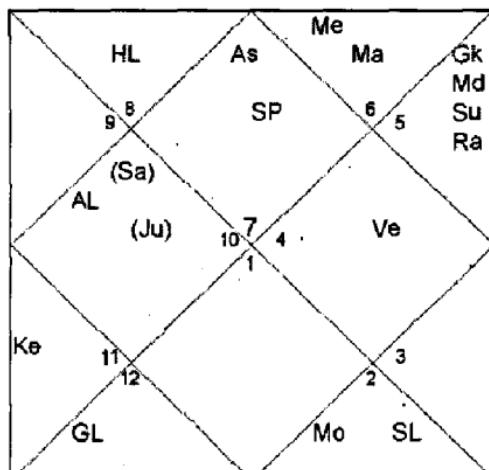

Mars is aspecting lagna and 06* lord Venus from a watery sign, Pisces and Jupiter star Purva Bhadrapada. Mars signifies blood. Mars is also aspecting Moon who is in 06* house. Jupiter aspects lagna, who is a signifier of 06* house through Moon, since posited in Shravana star ruled by Moon. Jupiter is lord of 08* house.

Venus is signifying lagna and 06* house, who is conjoined with Saturn. Saturn is connected to 12* house through Mars. Saturn is normally treated as a malefic planet in nature and a signifier of defects. Diabetes is a defect of the pancreas glands, which produces insulin.

Cancer

Cancer is a class of disease in which a group of cells display *uncontrolled growth* (division beyond the normal limits), *invasion* (intrusion on and destruction of adjacent tissues), and sometimes *metastasis* (spread to other locations in the body via lymph or blood). These three malignant properties of cancers differentiate them from benign tumors, which are self-limited, and do not invade or metastasize. Most cancers form a tumor but some, like leukemia, do not. The branch of medicine concerned with the study, diagnosis, treatment, and prevention of cancer is oncology.

Cancer affects people at all ages with the risk for most types increasing with age. Cancer caused about 13% of all human deaths in 2007 (7.6 million).

Cancers are caused by abnormalities in the genetic material of the transformed cells. These abnormalities may be due to the effects of carcinogens, such as tobacco smoke, radiation, chemicals, or infectious agents. Other cancer-promoting genetic abnormalities may randomly occur through errors in DNA replication, or are

inherited, and thus present in all cells from birth. The heritability of cancers is usually affected by complex interactions between carcinogens and the host's genome.

Illness take place only when lagna (body) and 06* house (rogasthana) are linked. Saturn, Rahu and Moon are the main culprits to cause the dreaded disease, cancer.

Brain cancer

Brain tumour

The question of cancer disease comes when Saturn, Moon and Rahu are connected to lagna. The chart below given **Chart No. 124**, is that of a person who died of cancer in November 2008.

The native was diagnosed with brain cancer during Jup-Sat-Moon period.

Jupiter aspects lagna. Saturn is the star lord of the lagna. Moon aspects lagna. Lagna lord Mars is posited in Rahu star and Rahu is occupant of 06* house. Dasha lord Jupiter and Bhukti lord Saturn signifies 08 (serious nature). 08* lord Mercury signifies 2 = maraca and 9 = badhaka. Dasha lord Jupiter signifies 02 and 09 (maraca and badhaka). Bhukti lord Saturn gets aspect of Jupiter. Besides Saturn is in the star of Mercury who signifies 09 (badhaka). Antara lord Moon signifies badhaka and maraca. Hence native passed away during Jup-Sat-Mon period in November 2008 itself.

Initially it was reported of excessive water forming in the brain. Dasha-Bhukti-Antara lords viz. Jup-Sat-Mon are all connected to watery signs. The part afflicted is brain, which is signified by Mars and Sun along with planets who signify either lagna or Aries. Antara lord Moon is in Sun star. 06* house falls in Aries ruled by Mars, who aspects Aries from Rahu star, while Rahu, the lead planet for cancer is posited in Aries. Later doctors diagnosed the case as brain cancer.

In this chart (no. 128), lagna rises in Libra. Progeny is seen from 05* house. Hence take 05* house as lagna for his son. 05* house falls in Aquarius.

Accordingly, chart of son drawn from father using 5* house as lagna is drawn in nirayana equal house division is drawn below:

Now, there should a connection between Aquarius (lagna) and Cancer (**06—roga**). Readers may mark the position of Saturn in Moon star Hasta in 08^* house in Virgo (not bhava). Indeed, Saturn is conjoined with Moon in Virgo. Hence Saturn alone will give the result of lagna and roga sthan resulting in roga for his son.

Further, Asc star lord is Rahu, while 06^* star lord is Mercury. Indeed Mercury is posited in Rahu star and hence Mercury becomes a signifier of lagna and 06^* house, thereby establishing once again the aspect of roga for the native.

Saturn is further aspected by Jupiter from a watery sign—Pisces, who passes on phlegm. 03^{rd} house is signified by Mars being lord of Aries. Mars aspects Rahu, who signifies lagna and Saturn. Hence Rahu gives the result of 03^{rd} house, Saturn, lagna and 06^* house. Rahu is a posited in an airy sign (Aquarius). Airy signs contributes dust allergy.

Mercury is another planet, who signifies lungs, is in Rahu star Swati and posited in an airy sign (Libra). Hence wherever Rahu gives its results, Mercury also will give.

Saturn is the planet which creates difficulty while breathing close to 08* bhava and being lord of 12* house signifies serious nature of illness and hospitalization.

So, 01 (lagna), 06 (roga), 03rd house (lungs), 08* house (serious nature), 12* house (hospitalization), Mercury (lungs) airy sign (dust), Saturn (difficulty in breathing), Mars (03rd house), Rahu (agent of Saturn and Mars) have come into picture for breathing difficulties and phlegm formation in lungs for this boy.

Recovery is seen from 01, 05 and 11* houses only. Planet signifying 05* house is only Mercury. Lagna is signified by Saturn, Rahu, Mercury and Sun. Jupiter alone signifies 11* house. But unfortunately, these planets do also signify roga houses. Hence the illness shall recur whenever dasha / bhukti antara signifies 01 and 06.

The chart of father is a telling example to see the illness aspect of his son.

Lunacy and Mental Illness

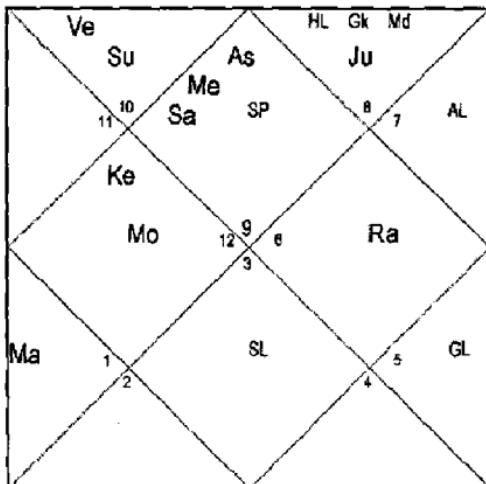

Mental illness, insanity, lunatic behaviour, etc. are to be analyzed in advance at the time of checking the charts. One clearly knows what will be the result of marital life, if the partner is mentally ill.

The following charts are presented for insanity, mental illness or lunatic behaviors.

Caner rising. Lagna lord Moon is in Capricorn and is aspected by Jupiter, lord of 06. Hence the relationship between 01 and 06 is established, thereby making the native vulnerable to suffer from illness or disease.

Mercury, who rules nerves system, is posited in 08* house, and is aspected by Saturn from 06* house. Mercury is lord of 12* house. Mercury is posited in Jupiter star, who signifies 06* house.

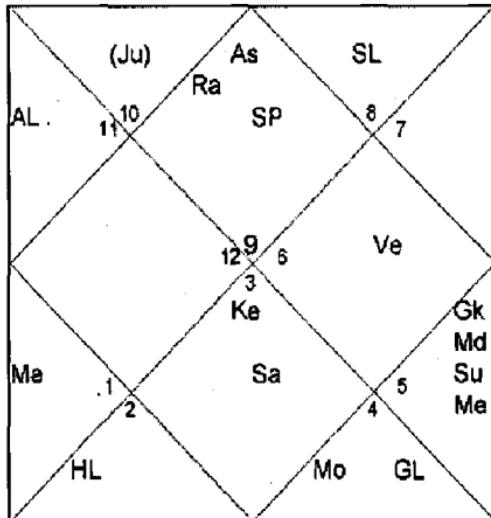

Hence, Luminaires, Mars and Mercury along with 02nd and 12* houses are afflicted by 06, 08, 12 and Saturn, thus making the native vulnerable to loss of vision.

The dasha commensurate with the period of loss of sight was Jupiter VMD, Rahu Bhukti in 1913. Jupiter is lord of 06* house and Bhukti lord Rahu signifies Mercury. Hence the nerves system connected to eyes are affected and thereby lost the sight.

Illness is indicated when 06* and lagna are connected. There are no occupants of 06* house. Jupiter and Rahu are posited in Saturn stars Pushya and Uthara Bhadra, respectively. Hence they signify 06* house. Saturn is aspecting lagna. Besides, Mars aspects Rahu and hence Rahu will give results of lagna and Saturn (06). Hence illness is assured. Jupiter signifies Liver as well as stands for enlargement. Hence disease connected to liver is expected.

The person died on 19 Mar 1971 during Jup-Sat-Jup VMD period due to liver failure and alcoholism.

In yet another alcoholic addiction case (chart **No.139**) of a male nativity, **born on 31-Jan-1974 at 00.20 hours**, Vijayawada, **Andhra Pradesh**, he had got the habit of addiction in his teenage. He was married and blessed with two children. Fortunately, he was de-addicted in May, 2009. It appears he has done away with the habit of intoxication since then.

Misfortunes

There are numerous mishaps in life, like attack of chronic illness like Cancer, or accidents, divorces, early death of spouse, etc.

Astrologer is required to check these aspects carefully. Let us take few examples for these mishaps.

Accidents

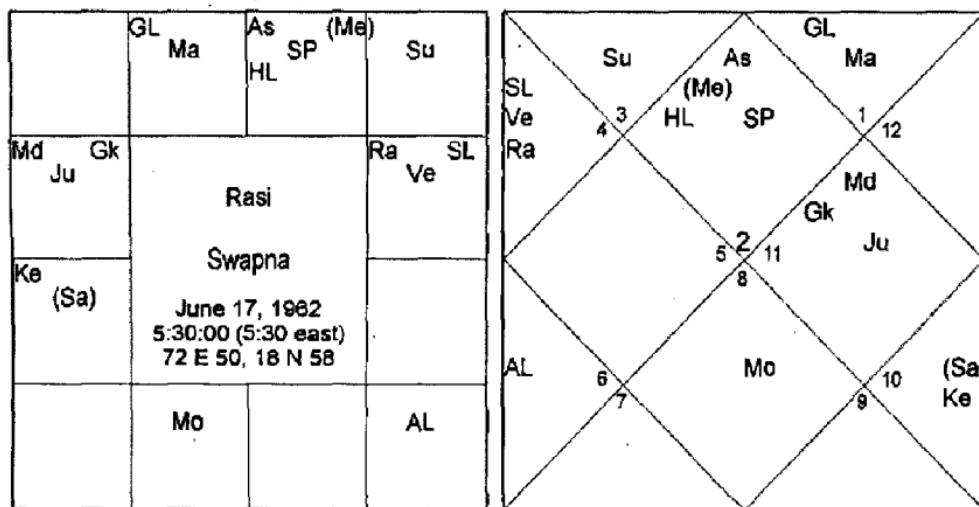

Accidents, accidental deaths and misfortunes should be correlated with the longevity of the native at the time of marriage matching. Sarvatha Chintamani by Venkatesh Sarma, vide Chapter 8 stanza 26 says that-

-if the Asc and 8* are devoid of strength, and are afflicted by Mars and 6* lord, the native dies in a battle or by a weapon.

The Author has tested this particular rule in the horoscope of around 40 nativities lived in this world right from the mythological period to the modern era of 21st century AD who died tragically. The rule is found to be correct by 100%.

Whenever Mars is connected to Asc, (body), 06 (injury), 08 (Accident) there are chances that the native shall meet with accidents, if the transits agree.

Case No.140—Swapna, Born June 17, 1962 at 5.30 a.m. at Mumbai, India, is of a female nativity, had met with a road accident and was severely injured.

The Asc lord Venus gets the aspect of planet of accident, Mars (from 12th house). Mars also aspects 6th house (cuts and wounds) owned by Venus. Sun, who is placed in Mars star Mrigashira, is aspecting 8th house (house of suddenness, danger and accidents), while the Asc has got some sort of Papa kartari yoga with Mars and Sun on either side. A well-placed Jupiter's aspect (though 8th lord) has saved the native, since Jupiter (lord of 11th) is aspecting the 6th house (house of cuts and wounds) as well as Sun, who signifies Mars. 5th lord Mercury's position in lagna is also important for life saving in this case.

The accident took place on Sept 14, 1986 during Venus-Venus-Mercury period. It was also during Sade-sath period. On the day of accident, Mars was in 8th house, while Venus was in 6th house and Jupiter was aspecting Venus.

President Reagan was shot at on **March 30, 1981**. A long-nosed .22 caliber bullet, fired from a pistol, ricocheted off the Presidential limousine and entered Reagan's chest, under his left arm. The bullet was of exploding type, but it did not explode. The main threat to Reagan's life was from blood loss and a collapsed lung, but the President survived.

President Reagan completed his term in office and eventually died on 5-Jun-2004 due to Alzheimer's disease and pneumonia at the age of 93 in Los Angeles, California.

Asc lord Jupiter is in 11th house. 5* lord Mars is posited in lagna. 8* lord Moon is in 5* with Saturn and Rahu, but unaspected by Mars, whereas Mars aspects 8* house. 06* lord Venus is in Rahu star, whereas Rahu in Aries will signify Mars, the planet of injury. Moon (08) is in Venus star (06) and aspects lagna lord Jupiter.

President Reagan

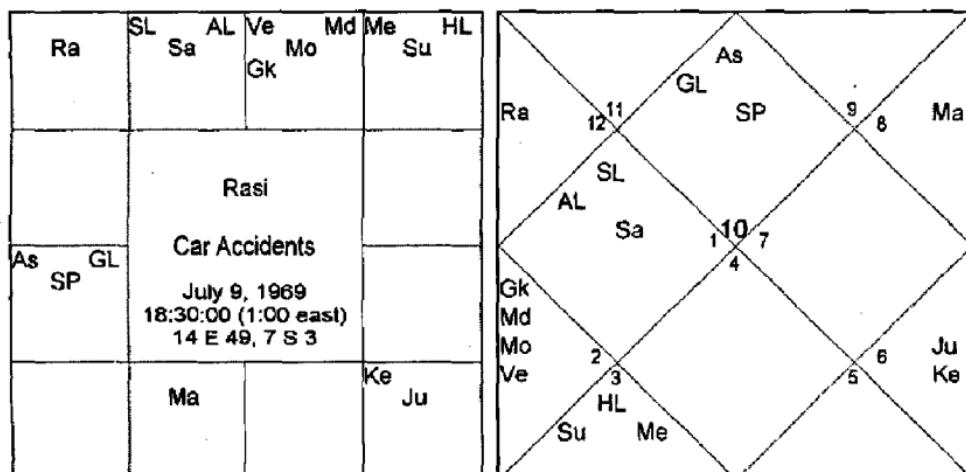

8* lord Moon is in 5* house and is aspected by Asc lord Jupiter. Since 8* lord got beneficial Jupiter aspect, and Asc lord Jupiter was neither aspected by Mars or 6* lord Venus, President Reagan survived the attempt on this life.

Since 06* lord Venus is in 3rd house (shoulders, lungs), the bullet fired hit the part under left arm and lung was injured.

The period of injury was commensurate with Sat-Mer-Ven-Mer. Saturn is lord of 3 (shoulders, lungs, etc.), Mercury is in Asc (self)/ Venus is in 3rd house, being lord of 06 (injury). Mercury is conjoined with Mars. Rahu signifies Mars. Mars aspects 4* house - vehicle. Rahu signifies 06* through Venus, has caused injury during the above period while traveling in Presidential limousine.

The native, whose birth data are given below (**Chart 142**), had met with two vehicular accidents:

Birth data is: 9th of July 1969 Luanda, Angola, Time of birth @ 18.30 hours.

Accident 1: 1st of Dec. 2008 near Tralee, Ireland at 08.00 AM,
 Accident 2: 4th of March 2010 near Ballyduff, Ireland at 19.15
 (approx.)

First of all, does the chart speak of accidents or not?

For accidents, take 01, 06, 08 and Mars. For vehicular accident, take 04* and Venus. If 12* is connected, one will be in hospital. Accidents are always caused by Mars. For recovery, take 01, 05 and 11.

01 or Asc stands for self. 06 is the house of injury, while Mars signifies injury. 08* house is for accidents. 12* house stands for hospitalization. Accident will take place during the conjoined period of planets signifying 01, 06, and 08 along with Mars when transits agree. If the period at the time of accident and during hospitalisation also involves houses like 01, 05 or 11, there will be recovery. If this period does not get connected to 01, 05 or 11, but gets connected to 06, 08 and 12 along with maraca and badhaka, it should be signaled by Astrologer as a dangerous period.

In the chart under consideration, Saturn is lord of 01st house (lagna) and signifies 01, 02, 04, Ve» 05, 10, 05. Lagna falls in the star of Sun (Uthara Ashada). Sun signifies 08, 06, Ju» 12, 03, 09. Sun gets the aspect of Mars. Hence houses 01, 06, 08 and Mars are connected. Venus also gets aspect of Mars. This indicates that the native will meet with vehicular accidents in his life, when the pertinent dasha, bhukti and antara operate along with transits.

One Accident took place on **01-Dec-2008** near Tralee, Ireland at 08.00 a.m., during Jup-Jup-Jup-Ven VMD period. Jupiter signifies houses 03, 12, 09, Su» 08, 06. As we have already seen Sun signifies 01, 06, 08 and is aspected by Mars. Hence the star lord of Jupiter is very well connected to 01, 06, 08 and Mars to give accidents. Sookshma lord Venus also gets aspect of Mars. Venus signifies vehicles and is posited in Sun star, Krithika. Since Jupiter signifies 12* house, the native should have been hospitalized.

The Asc is in Libra. Lagna lord and 08* lord (longevity), Venus, is posited in lagna, and is aspected by Jupiter being lord of 06* (injury). Mars (planet of injury) is conjoined in lagna (self) and aspects 06* lord (injury) Jupiter. Lagna is in between Saturn and Sun on both the sides.

These combinations entail lagna and the 8* house weak, and are connected to Mars as well as 06* house caused injury by weapon (Mars).

Dasha lord Jupiter is in Aries (fiery sign) — 7th (maraca) and is in the star of Sun (badhka and moksha). Bhukti lord Ketu is in 04* house, will signify Saturn, Mars, Moon. Saturn is in Mercury star Jyeshta (self, 2 (maraca) and 12 — moksha). Moon also signifies 12—moksha through Mercury, being in Aslesha star. Antara lord Mercury is also connected to self and 12, is conjoined with 02nd and 07* (maraca) lord Mars. Hence the period favoured eventual departure from this world.

04* house signifies Public. Bhukti lord Ketu is in 4* house. 3rd house always signifies arms. Hence 3rd house of a person from public shall be 06* house. 06* house is vacant. Its lord is Jupiter. Jupiter is aspecting lagna and lagna lord. Jupiter is a Brahmin. Nathuram Godse was a Brahmin by birth. Mars signifies young

age. Mars is aspecting Jupiter. Godse was a young man at the time of his killing Mahatma Gandhi.

Suicides

Vincent Van Gogh, born on 30 Mar 1853 at 11-00 am Zundert, Netherlands (30 March 1853 - 29 July 1890) was a painter whose work had a far-reaching influence on 20th century art for its vivid colors and emotional impact. He suffered from anxiety and increasingly frequent bouts of mental illness throughout his life, and died largely unknown, at the age of 37, from a self-inflicted gunshot wound.

Little appreciated during his lifetime, his fame grew in the years after his death. Today, he is widely regarded as one of history's greatest painters and an important contributor to the foundations of modern art. Van Gogh did not begin painting until his late twenties, and most of his best-known works were produced during his final two years. He produced more than 2,000 artworks, consisting of around 900 paintings and 1,100 drawings and sketches. Although he was little known during his lifetime, his work was a strong influence on the Modernist art that followed. Today many of his pieces—including his numerous self portraits, landscapes, portraits and sunflowers—are among the world's most recognizable and expensive works of art.

At the time of his death he was a failure, a misfit who had sold only two paintings in his lifetime, an artist who was later known as one of the most famous painters of all time. Two years after his death, a Dutch museum gave him a retrospective. His tragic story first became the basis for a novel in 1907. Irving Stone's "Lust For Life" came out in 1934 and was made into a movie in 1956. In

1987, a collector paid close to \$54 million for his "Irises," now placed in the Getty Museum in Los Angeles.

Some of the combinations for suicides are given below:

01. Lagna is connected to 02nd, 07*, 08* houses and Badhaka lord / badhaka house.
02. 08* house is connected to Mars or Saturn and linked to houses such as 01, 06, 07, 08, 12.
03. 12* house when connected to maraca, badhaka, Mars, Rahu and 01, 06, 08 and 12* houses.

Lagna is falling in the star of Rahu in Gemini. Rahu signifies Mercury, Mars, Jupiter and Saturn.

Saturn aspects Rahu and signifies 08, 09, 11, 12 and 05 houses. Rahu is in Mars star as well as Mars aspects Rahu and signifies 06, 11, 10, 08 and 09 houses. Rahu will signify Mercury being in Gemini. Mercury signifies 01, 04, 11 and Ketu (07). Jupiter aspects Rahu and signifies 07, 10, Ke (07).

Hence lagna star lord Rahu signifies 08, 09, 11, 12, 05, 06, 10, 01, 04 and 07 houses. Out of which 01 (self), 07 (maraca and badhaka), 12 (moksha), 06 (Injury), Mars - weapon and injury, etc. are prominent.

Death took place on 29-July-1890 in VMD of Moon-Rahu-Moon by self inflicted gun shot. Dasha lord Moon is lord of 02 (maraca) is in the star of Mercury (lagna—self). Moon is in 06* house - house of injury. Mars, who is signifying injury, is aspecting lagna. Bhukti lord Rahu is posited in lagna (self) and is aspected by Jupiter from 07th house (maraca and badhaka). Being Node, Rahu gives the result of Jupiter.

Vincent Van Gogh

On seeing the chart, one could mistake the conjunction of 08* lord Saturn is with that of lagna lord Mercury. This combination, in normal circumstances, should give good longevity. Van Gogh took away his own life with a gun in his 37th year which obviously granted medium life.

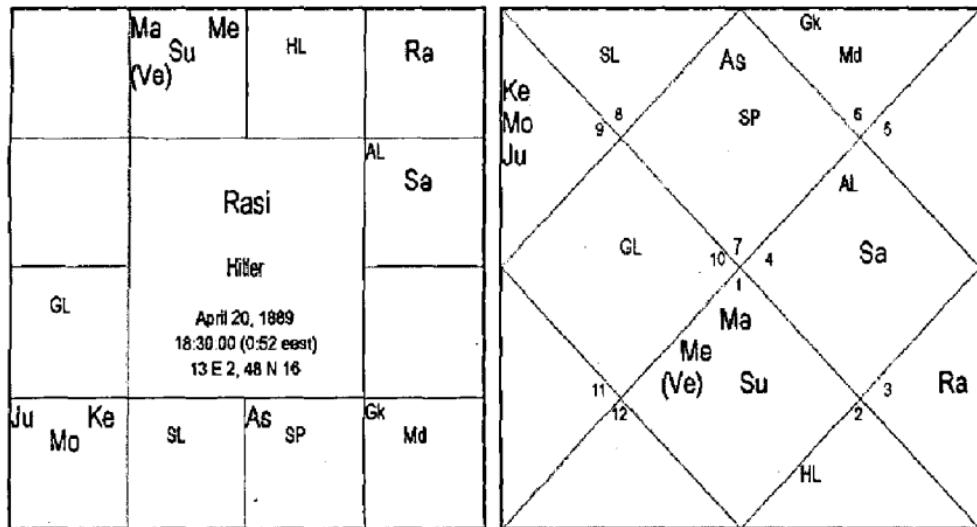

Moon is in 06* house will make the native to have conflict of mind or some disorder connected to mind. Moon is in Mercury star, Jyeshta and signifies 01, 06 and 04. Star lord of Mercury is Ketu, the mokshakaraka. Mercury being lord of lagna (brain) and 04 (mind) as well as the intelligent planet who handles nerves system is conjoined with Saturn (slow). Saturn is the lord of 08 (impediments). Hence the native could suffer from some sort of nerves or mental disorder.

A maraca or badhaka planet connected to lagna or lagna lord shall be a detrimental factor for good longevity. Here maraca and badhaka is Jupiter, who aspects both lagna and lagna lord.

When lagna is connected to 02, 07, 08 houses and badhaka lord / house, one could commit suicide. Here we should take Mars also. Here 02nd lord is Moon, who is in Mercury star and hence connected to lagna. Saturn, being lord of 08 is conjoined with lagna lord and aspects lagna. Jupiter is badhaka is aspecting lagna,

lagna lord and 08* lord Saturn. These combinations should make one commit suicide. Mars (from Saturn star) aspects lagna.

Adolf Hitler

Adolf Hitler (20 April 1889 - 30 April 1945) was an Austrian-born German politician and the leader of the National Socialist German Workers Party (German: *Nationalsozialistische Deutsche Arbeiterpartei*, abbreviated NSDAP), commonly known as the Nazi Party. He was the totalitarian leader of Germany from 1933 to 1945, serving as chancellor from 1933 to 1945 and as head of state (*Führer und Reichskanzler*) from 1934 to 1945.

A decorated veteran of World War I, Hitler joined the Nazi Party (DAP) in 1919 and became leader of NSDAP in 1921.

Hitler was born on April 20, 1889 at 06-30 pm Braunau, Austria, with Libra rising at Mars star Chitra and the Moon in Purva Ashada star in Sagittarius.

Lagna star lord is Mars. Mars is in 07* house at 24 deg. 10 min., which commensurate with Bharani star 4* pada. Bharani is ruled by Venus. Venus is lord of 01 and 08 and is posited in own star. Hence Mars gives the result of 01, 02, 07, and 08. Mars and Venus are conjoined with Sun in 07* house, which is a maraca house.

When the lagna and 08* house are not strong, and are connected to maraca / badhaka / moksha, the longevity of the native is threatened.

But in this case, the mutual aspect of Saturn and Mars cannot be ignored. The death took place in Rahu-Sun-Moon period.

Dasha lord Rahu is posited in Gemini in Punarvasu star ruled by Jupiter. Jupiter is also aspecting Rahu. Hence Rahu will give result of Mercury (07, 09, 12, Ke) and Jupiter—in Purva Ashada star—(03, 06, 01, 07 and 08), Bhukti lord Sun is in Ketu star and signifies 11, 07 and Ketu. Antara lord Moon is in Purva Ashada star and signifies 10, 03, 01, 08 and 07.

Hence the houses connected are 01 (self), 3 (hands), 06 (injury), 07 (maraca), 08 (longevity), 11 (Badhaka), 12 (Moksha), Mars (weapon and injury) and Ketu (Mokshakaraka) become prominent.

When 08th house is connected to Mar or Saturn and they are linked to houses such as 01, 06, 07, 08 and 12, one could commit suicide.

Here 08* lord is Venus, who is conjoined with 07* lord Mars in 07* house. Venus is connected to 01 (lagna lord), aspected by Jupiter (06), Venus herself is 08* lord. Venus is further conjoined with Mercury (12*).

Imprisonment or Jail Yoga

Is the person with whom you are finalizing your marital life, has got any prison yoga as seen in the following charts?

In Vedic method, the definition of imprisonment is that if the lord of Lagna and the 6th join a kendra or trikona with Saturn, Rahu or Ketu, the above yoga is given raise to. If Rahu becomes a signifier of lagna and 12th house, this yoga is observed. If planets like Saturn, Mars, Sun, Rahu and Ketu signify both 2nd or 08th or 12th house, imprisonment is seen. Houses 03, 08, and 12 shall contribute for restriction in movement or away from home in a confined place.

Results is that the native will be incarcerated.

Mahatma Gandhi (Chart No. 147) was born on 02-Oct 1869 at 7-45 a.m. LMT at Porbandar, Gujarat, Western India.

Gandhi was arrested several times during his life time by the British.

The lagna falls in Rahu star Swati, while Rahu signifies 12* house through Moon, who is in 12* lord Mercury star. Rahu is in Pushya star ruled by Saturn.

Lagna and lagna lord Venus falls in between Saturn (2nd house) and Sun (in 12* house). Saturn is posited in Mercury star, and Mercury signifies 12* house. Sun is badhaka. Lagna lord Venus is in quadrant to Nodes. 06* lord Jupiter is in quadrant to Nodes.

Mahatma Gandhi

Lagna and 08* lord is Venus and is aspected by Jupiter (lord of 03). 12* lord Mercury is conjoined with Venus.

Hence the combination of 03, 08 12 are connected to lagna, paving way for restriction of movement and imprisonment.

Mandela was first arrested on 05-Dec-1956, but acquitted in 1961. The date of arrest commensurates with operating period of Mercury VMD, Guru Bhukti.

Later he was again arrested on August 5, 1962, and was in jail until February 11, 1990.

On **02-Feb-1990**, President F.W. de Klerk reversed the ban on the ANC and other anti-apartheid organisations, and announced that Mandela would shortly be released from prison. Mandela was eventually released from Victor Verster

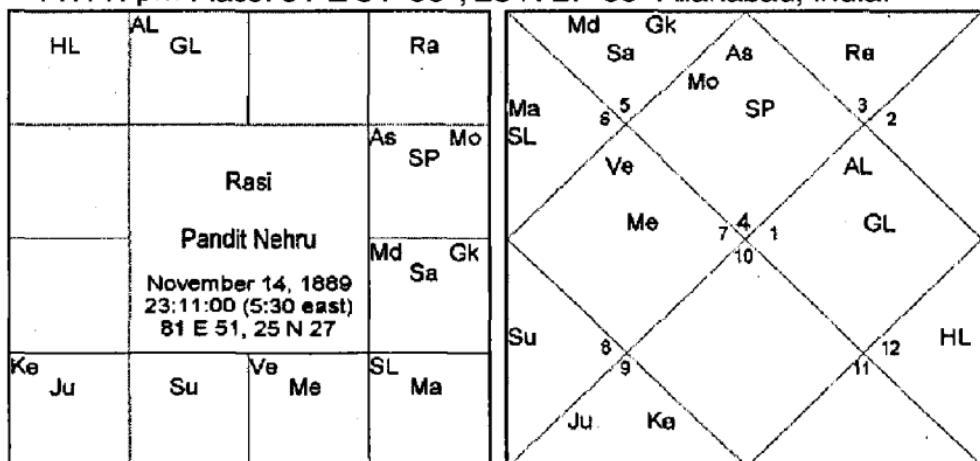

Nelson Mandela Prison in Paarl on 11-Feb-1990.

As per this, lord of lagna, Jupiter is not in 6*, but in 7* house. It is not conjoined with 6* lord nor is in Kendra or Kona to Sat, Rahu or Ketu. But 06* lord is in trine to Ketu.

But the lagna lord is posited in 7* house in Rahu sta: hemmed in between Saturn, Sun and Mercury on one side, lord of 6, Venus and Ketu on other side.

Rahu and 12* house will throw more nature of imprisonment. Lagna lord Jupiter is in Rahu star while Rahu is posited in 12* house. So lagna lord Jupiter is connected to Rahu and 12* house. This would definitely be a combination for imprisonment. Besides, Saturn is lord of 03rd house in 08* house. Ketu is in 06* house and signifies 12 through Mars. Jupiter is in 07* house and is in between Ketu and Saturn.

The Asc falls in Mercury star, Aslesha, in Cancer while lagna lord Moon is posited in Aslesha star 1st pada. Mercury is lord of 12* house.

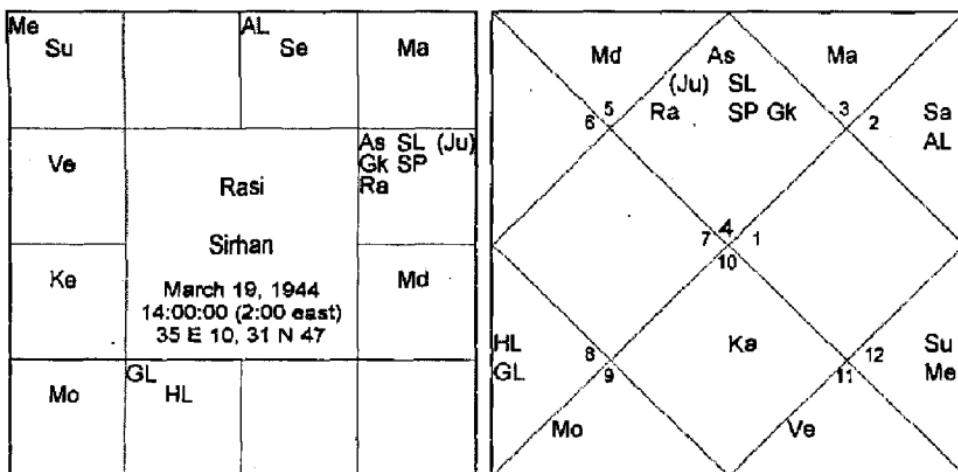

Rahu posited in Gemini in own star, Arudra, will also give result of Mercury, the sign lord. Hence Rahu becomes strong for 12* house (imprisonment) along with lagna. Mercury, being lord of 3 and 12, is also posited in Rahu star Swati. 06* lord Jupiter is in quadrant & trine to Ketu and is in quadrant to Rahu. 08* lord Saturn is posited in 2nd house while Rahu is posited in 12* house. These combinations really warrant life in prison.

Pandit Nehru

Sirhan Sirhan, born on 19-Mar-1944 at 14-00 pm Sunday at Jerusalem, Israel, Latitude 31 N 47, Longitude 35 E 10, is confined to California State Dept. jail for killing Robert Francis Kennedy, younger brother of Late US President, John F. Kennedy.

On June 5, 1968, Sirhan fired a .22 caliber Iver-Johnson Cadet revolver at Senator and Presidential candidate Robert Kennedy and the crowd surrounding him in the Ambassador Hotel in Los Angeles shortly after Kennedy had finished addressing supporters in the hotel's main ballroom.

The natal chart no. 150 of Sirhan is given below:

The crowd surrounding Kennedy overpowered the assassin Sirhan. He was tried by the judiciary. He was awarded capital punishment, but later it was commuted to life in prison. As of 2010, Sirhan has been in jail for last 42 years since then, having denied parole 13 times.

Rahu is posited in lagna, and is conjoined with Jupiter who is in Mercury star. Hence Rahu is giving the result of 03,12* house through Jupiter. Rahu, a catalyst, is posited in Saturn star, Pushya.

Saturn is lord of 08. Rahu alone creates 03, 08, 12 results through Mercury (via Jupiter) and Saturn.

On the date of his arrest, June 05, 1968, Sirhan was running Rahu-Rahu-Mercury VMD period, clearly indicates 03, 08, 12 houses connected. He ran Rahu dasha upto 1985, Jupiter dasha upto 2001 and shall run Saturn dasha upto 2020. Since Rahu, Jupiter and Saturn—though in 11*, signify 03, 08, 12* houses and hence do not foresee release from prison.

General Observations

There are some general, but vital points which could be kept in mind while evaluating the marriage matching.

Intelligence and Communicational Skills

The intelligence and memory skill of the spouse plays an important role in the marital life..

Ascendant and 5th house, besides Jupiter and Mercury are the points to be considered for intelligence. If the 5* house or 5* lord gets the aspect of Saturn, a slow planet, the native gets very less intelligence. If Jupiter and Mercury are also either afflicted or placed in Papa-kartari yoga or connected to Dush-sthanas, there is likelihood that the native lacks sharp intelligence. If the spouse does not even get average intelligence, there could be cracks in marital life.

3rd lord, if connected to 12* house, one will be having very short memory and problem in hearing or listening. (**Chart No. 151**)

In the chart illustrated above, the planetary positions are given below:

Sun is in Moola star ruled by Ketu,

Moon in Ashwini star ruled by Ketu,

Mars in Hasta star ruled by,

Mercury is in Jyeshta by himself.

Jupiter is in Pushya ruled by Saturn,

Venus is Purva Ashada ruled by Venus herself,

Saturn is in Purva Bhadrapada ruled by Jupiter,

Rahu is in Bharani star ruled by Venus,

Ketu is in Visakha star ruled by Jupiter

The lord of the stars in which all the planets posited are indicated in brackets.

3rd house will signify hearing / listening. 3rd house is vacant. Its lord Saturn is in Pisces and gets the aspect of 12^{*} lord Mars. Saturn is posited in Jupiter star who is occupant of 08^{*} house (impediments) while Jupiter himself is aspecting Saturn.

From Moon sign, 03rd lord is Mercury, who signifies hearing and listening, is posited in 08^{*} house in Scorpio, which is a watery (mute) sign. Mercury is aspected by Jupiter who is in Satum star. Saturn is posited in 12^{*} house. Jupiter himself is lord of 12. Saturn, Mercury and Jupiter are in watery (mute) signs

Hence the native will have problems with reference to hearing / listening, which hampers communication skills.

Intelligence

For intelligence, take 05^{*} house along with 03rd house. In the case referred above, 03rd house has been discussed. 05^{*} lord is Mars, who signifies 05, 12, 10, 08, 05. Mars is aspected by Saturn, who signifies 03, 02, 04, 08, 01 houses.

Moon and Rahu are occupants of 05^{*} house. Moon signifies 05, 08, 11 while Rahu signifies 05, 06, 11, and 01 through Venus.

Rahu is in Aries and will signify Mars. (Signification of Mars is discussed). Hence it is felt that 05^{*} house has got 06, 08, 12 links along with Saturn, the planet of slow moving. Mercury, the planet of intelligence is posited in 12^{*} house in own star (strong) in a mute sign.

These combinations and significations has resulted in a very average intelligence level for the native.

If the spouse lacks intelligence, communicative skills and memory, it is felt that marital life will have to be compromised by the partner to a larger extent.

Exalted Planet

If Asc. or Asc. lord is found somehow connected to exaltation, the native is found to be very egoistic. Such types of persons do stand unconvincing. This could happen if:

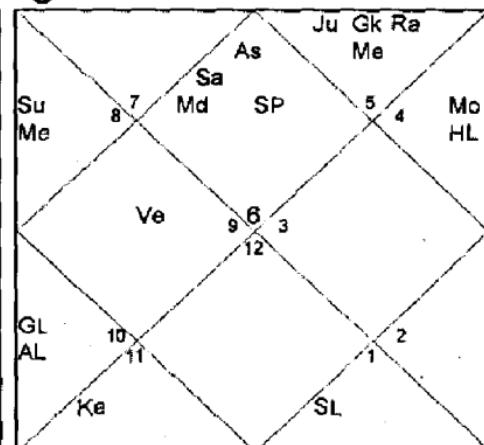

- a) Asc. is posited by an exalted planet.
- b) Asc. lord is exalted.
- c) Asc. is aspected by an exalted planet.
- d) Asc. lord is conjoined with an exalted planet.
- e) Asc. lord is posited in the star of a planet, who is exalted.

In the chart given above (**No.152**), Sun is posited in lagna and is aspecting 07th house. Sun is treated as cruel planet (not a malefic), who sheds the sunrays relentlessly without any favour. Hence it transfers some sort of non-caring attitude towards 07th house, which deals with spously matters.

Mars and Venus in Trine

When Mars and Venus are posited in trine (01, 05, 09) houses in a female chart, it is bound to create some sort of marital discord. But for Taurus and Libra, Mars is the lord of 07th house whereas for Scorpio and Aries, Venus is the lord of the 07th house.

In this chart illustrated above (**No.153**) of a female, Venus and Mars are in trine, which in most of the cases promote quarrels, if the 07* house is afflicted or 07* lord is not properly placed. 07* lord Jupiter is posited in 12* house along with Mars. 06* lord Saturn is aspecting 07th house from lagna.

Because of these combinations, native found it difficult to adjust with her husband on several occasions. This has happened especially during the saade-saath period (transit Saturn's traverse over natal Moon).

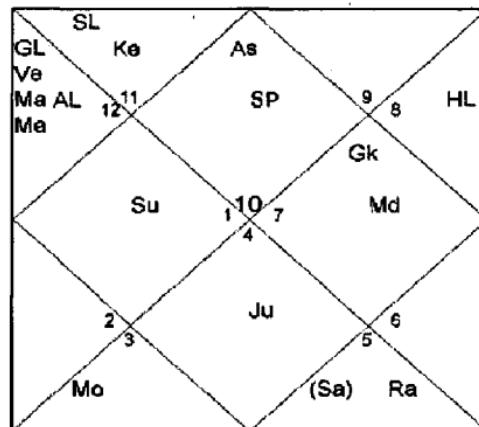

Jupiter in 7th House

Jupiter is treated as pure benefic and said to add crores of *guna* (good) to the chart. But Jupiter also is treated as a planet who escalates or swells any signification connected with it, besides making the native quite adamant in nature.

In female charts, if Jupiter is placed in 07* house, and in such condition, if the 7* lord is having negative connections, then the native is likely to suffer from difficulties in marital life. She will find an adamant, slightly sadistic husband.
